Lost Tomb Of Alexander The Great:

The Lost Tomb of Alexander the Great Andrew Chugg, 2004 The Lost Tomb of Alexander the Great Andrew Michael Chugg, 2004 New research reveals hitherto unrecognised evidence and provides a fresh insight into the disappearance of The Tomb of Alexander the Great The disappearance and fate of the tomb of Alexander the Great in Alexandria is among the most momentous and tantalising of all the mysteries we have inherited from the ancient world Generations of archaeologists and historians have succumbed to the allure of the quest yet have failed to find convincing answers Now with the dawning of the 21st century new research is revealing hitherto unrecognised evidence and providing fresh insights creating a frisson of renewed excitement in academic circles This new title combines a detailed chronological account of the history of the tomb with the first publication of new discoveries Finally an intriguing new possibility is explored regarding the whereabouts of Alexander's mummified remains The Quest for the Tomb of Alexander the Great Andrew Michael Chugg, 2007 In 2004 the author's first book *The Lost Tomb of Alexander the Great* was published to the accompaniment of international media attention since it reported the first credible suggestion as to the current whereabouts of the long vanished corpse of the illustrious conqueror In the intervening years direct progress on testing of the candidate remains has been thwarted by the Church authorities yet much new information has emerged casting the enigma in an ever more probing light It may turn out to be the greatest archaeological story of the century for nobody has yet been able to refute the author's novel suggestion that the body stolen from Alexandria in AD828 and now in Venice may have acquired a false identity in the 4th century AD This updated and extended account lays bare the forgotten secrets of one of the greatest mysteries bequeathed to us by the ancient world Includes the author's several published academic articles on the subject as Appendices Over 80 illustrations Brill's Companion to the Reception of Alexander the Great, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure **Concerning Alexander the Great** Andrew Chugg, 2021-04-17 The most influential account of the career of Alexander the Great was penned by Cleitarchus in the decades after Alexander's death Most of the surviving ancient texts on Alexander were based upon his work but every copy of the original was destroyed in antiquity Now the entire book has been revived in an exciting reconstruction based upon an in depth analysis of the surviving ancient works that it inspired Here you will find Alexander revealed in a startling new light as a very human and believable individual who drives and is then driven by a momentous

cascade of events Here you can rediscover the oldest and also the most authentic literary portrait of the king spanning all thirteen years of his reign Second Edition *Alexander's Tomb* Nicholas J Saunders,2007-07-30 Alexander the Great is a towering figure in world history but despite our long held fascination with him his burial site is unknown Alexander s Tomb is the epic tale of the ongoing quest to unlock one of the world s great mysteries *Alexander's Lovers (Second Edition)* Andrew Chugg,2012-03-01 Alexander s Lovers reveals the personality of Alexander the Great through the mirror of the lives of those with whom he pursued romantic relationships including his friend Hephaistion his queen Roxane his mistress Barsine Bagoas the Eunuch Did you know that Alexander got the idea of adopting Persian dress from a book he read in his youth Had you realised that Alexander s pursuit of divine honours was part of his emulation of Achilles that Bagoas undertook a diplomatic mission or that Hephaistion s diplomacy kept Athens from joining a Spartan rebellion Are you aware that Aetion s painting of Alexander s marriage depicted Hephaistion Bagoas as well as Roxane and really depicted the King s passions Which girl was betrothed to Alexander s son Would it surprise you that Alexander s mourning for Hephaistion was conducted according to models from Homer and Euripides If you would like to get to know Alexander on a more personal level then you need to read this book Second edition revised updated *Alexander the Great* Alan Fildes,Joann Fletcher,2002 Fildes presents in a year by year chronicle an intimate and fascinating portrait of the man who created the greatest empire the world had ever seen and acquired a semi mythic status that persists today Generously illustrated with ancient art from museums around the world this is an engrossing accessible biography of a legendary man 120 illustrations
