Alyce Mitchem Jenkins,2000 Describes how a school bus carrying twenty children became stranded during a blizzard in Towner Colorado in 1931 Too Good to Be Altogether Lost Pamela Smith Hill,2025-07 Laura Ingalls Wilder author of the well known Little House series wrote stories from her childhood because they were too good to be altogether lost And those stories seemed far from being lost during the remainder of her lifetime and through most of the twentieth century They were translated into dozens of languages generations of children read them at school and dedicated readers made pilgrimages to the settings of the Little House books With the release of NBC s Little House on the Prairie series in 1974 Wilder was well on her way to becoming an international literary superstar Simultaneously however the novels themselves began to slip from view replaced by an onslaught of assumptions and questions about Wilder s values and politics and even about the books authenticity From the 1980s a slow but steady critical crescendo began to erode Wilder s literary reputation In *Too Good to Be Altogether Lost* Wilder expert Pamela Smith Hill dives back into the Little House books closely examining Wilder s text her characters and their stories Hill reveals that these gritty emotionally complex novels depict a realistic coming of age for a girl in the American West This realism in Wilder s novels once perceived as a fatal flaw can lead to essential discussions not only about the past but about the present and the underlying racism young people encounter when reading today Hill s fresh approach to Wilder s books including surprising revelations about Wilder s novel *The First Four Years* shows how this author forever changed the literary landscape of children s and young adult literature in ways that remain vital and relevant today *Lost and Stranded* Sprinkle Timothy,2017-11-14 For anyone who spends time in the backcountry understanding not only what sorts of dangers you can run into out there but also exactly what those risks can do to you is part of being a smart well informed outdoor traveler In
