One Big Self C.D. Wright, 2013-06-15 Wright has found a way to wed fragments of an iconic America to a luminously strange idiom eerie as a tin whistle which she uses to evoke the haunted quality of our carnal existence The New Yorker Inspired by numerous visits inside Louisiana state prisons where MacArthur Fellow C D Wright served as a factotum for a portrait photographer One Big Self bears witness to incarcerated men and women and speaks to the psychic toll of protracted time passed in constricted space It is a riveting mosaic of distinct voices epistolary pieces elements from a moralistic board game road signage prison data inmate correspondence and counts of things from baby's teeth to chigger bites Count your folding money Count the times you said you wouldn't go back Count your debts Count the roaches when the light comes on Count your kids after the housefire One Big Self originally published as a large format limited edition that featured photographs and text was selected by The New York Times and The Village Voice as a notable book of the year This edition features the poem exclusively C D Wright is the author of ten books of poetry including several collaborations with photographer Deborah Luster She is a professor at Brown University

Cooling Time C.D. Wright, 2012-12-11 C D Wright takes her title from a line of legal defense peculiar to Texas courts in which it is held that if a man kills before having had time to cool after receiving an injury or an insult he is not guilty of murder Cooling Time is a new type of book an unruly vigil that is an interconnected memoir poem essay about contemporary American poetry Ever focused on possibilities Wright demonstrates that the search for models becomes a search for alternatives and thereby defines the terms by which poets can chart their own course These are some of the things I have touched in my life that are forbidden paintings behind velvet ropes electric fencing a vault in an office gun in a drawer my brother's folding money the poet's anus the black holes in his

heart where his life went out of him Tell me what is the long stretch of road for if not to sort out the reasons why we are here and why we do what we do from why we are not in the other lane doing what others do Poetry is like food remarked one of my first teachers freeing me to dislike Rocky Mountain Oysters and Robert Lowell The menu is vast the list of things I don't want in my mouth relatively short C D Wright author of nine books of poetry teaches at Brown University She lives in Providence Rhode Island with poet Forrest Gander Deepstep Come Shining C.D. Wright, 2012-12-18 Rebellious and fiercely lyrical the poems of C D Wright incorporate elements of disjunction and odd juxtaposition in their exploration of unfolding context In my book she writes poetry is a necessity of life It is a function of poetry to locate those zones inside us that would be free and declare them so C D Wright was born and raised in the Ozark Mountains of Arkansas She has received numerous awards for her work including grants from the National Endowment for the Arts the Guggenheim Foundation the American Academy and Institute for Arts and Letters and the Lila Wallace Reader's Digest Foundation She teaches at Brown University in Rhode Island Expertly elliptical phrasings and an uncounterfeitable generous feel for real people bodies and places have lately made Wright one of America's oddest best and most appealing poets Her tenth book consists of a single long poem whose sentences segments and prose blocks weave loosely around and about and grow out of a road trip through the rural South Clipped twangs lyrical goblets of magnolia light and recurrent mysterious semi allegorical figures like the snakeman and the boneman share space with place names lexicographies exhortations and wacky graffiti God is Louise cherish Wright's latest once and for all thing opaque and revelatory ceaselessly burning Publishers Weekly For me C D Wright's poetry is river gold Love whatever flows Her language is on the page half pulled out of earth and rivers still holding onto the truth of the elements I love her voice and pitch and the long snaky arms of her language that is willing to hold everything human and angry and beautiful Michael Ondaatje C D Wright is entirely her own poet a true original The Gettysburg Review *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature

and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject Eleven More American Women Poets in the 21st Century Claudia Rankine, Lisa Sewell, 2012-01-01 A fine and selective anthology that is also a critical introduction to some of the most provocative and some of the most original poetry out there Stephanie Burt author of Don't Read Poetry A Book About How to Read Poems The American Poets in the 21st Century series continues with another anthology focused on female poets Like the earlier books this volume includes generous selections of poetry by some of the best poets of our time as well as illuminating poetics statements and incisive essays on their work This unique organization makes these books invaluable teaching tools Broadening the lens through which we look at contemporary poetry this new volume extends its geographical net by including Caribbean and Canadian poets Representing three generations of women writers among the insightful pieces included in this volume are essays by Karla Kelsey on Mary Jo Bang's modes of artifice Christine Hume on Carla Harryman's kinds of listening Dawn Lundy Martin on M. Wright, 2015-12-14 Wright shrinks back from nothing The Village Voice Wright belongs to a school of exactly one The New York Times Book Review Wright has found a way to wed fragments of an iconic America to a luminously strange idiom eerie as a tin whistle The New Yorker C. D. Wright is one of America's oddest best and most appealing poets Publishers Weekly A companion to her astonishing collection of prose Cooling Time C. D. Wright argues for poetry as a way of being and seeing and calls it the one arena where I am not inclined to crank up the fog machine Wright's passion for the genre is pure inspiration and in her hands the answer to the question of poetry is poetry From In a Word I love the nouns of a time in a place where a sack once was a poke and native skag was junk glass not junk and junk was just junk not smack and smack entailed eating with your mouth open and an Egyptian one eye was an egg sunny side up and a nation sack was a flannel amulet worn only by women to be touched only by women especially around Memphis Red sacks for love and green for money C. D. Wright's most recent volume One With Others was a National Book Award finalist Among her many honors are the Griffin Poetry Prize and a MacArthur Fellowship She teaches at Brown University and lives outside of Providence Rhode Island One With Others C.D. Wright, 2012-12-11 Honored in Best Books of the Year listings from The New Yorker National Public Radio Library Journal and The Huffington Post One With Others represents Wright's most audacious experiment yet The New Yorker A book that defies description and discovers a powerful mode of its own National Public Radio A searing dissection of hate crimes and their malignant legacy Booklist Today Gentle Reader the sermon once again Segregation After Death Showers in the a.m. The threat they say is moving from the east The sheriff's club says Not
