Models of Metropolitan Ministry B. Carlisle Driggers, 1979 *faith and community* Creative Street Inc, 2003-05 This video explores four models of metropolitan ministry and how these alliances are formed and sustained *Inside the Small Church* Anthony G. Pappas, 2001-11-01 Even as so called megachurches capture the attention of many church watchers small congregations continue to dominate America's religious landscape in both rural and urban settings Although sometimes obscured by their larger siblings these small churches play a prominent role and hold a unique place in both local and national cultures How can leaders help to keep these often at risk churches alive and to meet their potential for ministry Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations Drawing on classic and updated articles by a variety of writers from his own small church newsletter The Five Stones from Alban journals Action Information and Congregations and adding new pieces developed especially for this volume Pappas provides timeless ideas on learning to value pastor develop and lead the small church In addition to time honored articles by the editor other contributors to this volume include Sherry and Douglas Alan Walrath Gary Farley Lawrence W Farris Loren Mead Caroline Westerhoff Steven Burt Carl Dudley David Ray James Lowery and a host of others known for their work and love for the small church Readers of Inside the Small Church will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry

Importing Faith Glyn J. Ackerley, 2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism These principles were imported into the UK through contact between British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have social and psychological explanations rather than divine origins The Pastor As Church Leader and Educator Herbert W.
