Modern Ireland and Revolution Cormac O'Malley, 2016-11-11 In 1922 following a decade of political ferment and much bloodshed the Irish Free State was established became stabilised and developed along conservative lines During these years the prevailing impulse was to reprove the actions of republicans who had rejected the Anglo Irish Treaty and many significant revolutionary voices were left unheeded One mind more agile than most of his contemporaries belonged to Ernie O'Malley It was through his vastly popular clipped lyric memoirs especially *On Another Man's Wound* in 1936 that many of the complexities of the republican mindset were brought to light for readers

worldwide In Modern Ireland and Revolution leading Irish and American historians and academics deliver critical essays that consider the life writings and monumental influence of Ernie O Malley and the modern arts that influenced him After his involvement in the War of Independence and the Civil War O Malley developed a modernist approach while living abroad for ten years he was devoted to the arts moved in circles that included Georgia O Keeffe and Paul Strand and through his probing mind counteracted any notion that republicans of his era were dull inflexible idealists In this fascinating collection art and revolution coincide enriching every preconception of the minds that supported both sides of the Treaty and revealing untoward truths about the Irish Free State s process of remembrance      Performance Art in Ireland Aine

The Art of David Ireland Karen Tsujimoto, Jennifer R. Gross, 2003-12-15 Widely recognized as one of the West Coast's most important and critically acclaimed practitioners of conceptual and installation art David Ireland born 1930 has taken the concept of art itself as one of his subjects A self-described post-discipline artist guided by Zen thought and postmodern aesthetics Ireland moves fluidly from making small drawings to creating sculptures as large as houses Freely incorporating anything within his conceptual or physical reach dirt concrete wire and other everyday materials his work is subtle puzzling and witty and consistently challenges traditional definitions of art In this book accompanying the first full scale retrospective of Ireland's work curator and author Karen Tsujimoto provides an insightful overview of more than thirty years of the artist's accomplishments from his drawings sculptures and site specific installations to his remarkable series of architectural transformations including his well known house at 500 Capp Street in San Francisco Chronicling Ireland's circuitous route to his calling Tsujimoto explores how key life experiences have influenced his artistic perspective from his early art student days through his years as an African importer and safari guide to his long standing interest in Eastern and particularly Zen philosophy and his deep connections with the San Francisco Bay Area conceptual art community An illuminating essay by art historian and curator Jennifer R Gross also considers Ireland's art in terms of historical materialism assessing his use of neglected materials and artifacts as a process of cultural preservation

Ireland on Show Fintan Cullen, 2017-07-05 Looking past the apparent lack of a sustainable Irish display culture this book demonstrates that there is a very full story to tell of the

way Ireland displayed its art from the late eighteenth to the early twentieth century Ireland on Show analyzes the impact of the display of art as a significant political and cultural feature in the make up of nineteenth century Ireland and in how Ireland was viewed beyond its own shores in particular in Great Britain and the United States Fintan Cullen directs much needed critical attention and analysis to a subject that has been largely overlooked from an Irish perspective This study moves beyond museums to address the range of art institutions in Irish cities that displayed art from the Royal Hibernian Academy founded in the 1820s to Hugh Lane s Municipal Art Gallery opened in Dublin in 1908 Throughout the book explores the battle between the display of a unionist ethos and a nationalist point of view a constant that resurfaces over the period By highlighting the tension between unionist and nationalist viewpoints Cullen uses the display of art to investigate the complexities of Irish cultural life before the founding of the Free State
