Modern Blackfeet Montanans On A Reservation:

Modern Blackfeet Malcolm McFee, 2022-12-05 Modern Blackfeet sheds light on the politics economics society and especially the acculturation of the Blackfeet Indians of Montana The Blackfeet Reservation has an established government and an active and diverse population that has long supported itself through ranching industry and oil and natural gas exploration Malcolm McFee shows why as a result policies and programs based on simplistic assumptions of assimilation are doomed to failure The results of McFee s long term research among the Blackfeet in the 1950s and 1960s make it clear that acculturation is not simply a linear process of assimilation or a one way cultural adaptation to the impact of Euro American culture He reviews the changing policies of the U S government which were directed initially at the destruction of all native customs and values then at the promotion of Blackfeet self government and eventually at the threatened termination of their status Finally and most important McFee notes that racial identity on the reservation today is explained more by values and behavior than by biology and thus divides the community into a white oriented majority and a smaller Indian oriented group dedicated to preserving the tribe s traditional lifeways

Montana Michael P. Malone, Richard B. Roeder, William L. Lang, 1991 Montana A History of Two Centuries first appeared in 1976 and immediately became the standard work in its field In this thoroughgoing revision William L Lang has joined Michael P Malone and Richard B Roeder in carrying forward the narrative to the 1990s Fully twenty percent of the text is new or revised incorporating the results of new research and new interpretations dealing with pre history Native American studies ethnic history women s studies oral history and recent political history In addition the bibliography has been updated and greatly expanded new maps have been drawn and new photographs have been selected

The Sound of Silence Tiina Äikäs, Anna-Kaisa Salmi, 2019-09-01 Colonial encounters between indigenous peoples and European state powers are overarching themes in the historical archaeology of the modern era and postcolonial historical archaeology has repeatedly emphasized the complex two way nature of colonial encounters This volume examines common trajectories in indigenous colonial histories and explores new ways to understand cultural contact hybridization and power relations between indigenous peoples and colonial powers from the indigenous point of view By bringing together a wide geographical range and combining multiple sources such as oral histories historical records and contemporary discourses with archaeological data the volume finds new multivocal interpretations of colonial histories

The Columbia Guide to American Indians of the Great Plains Loretta Fowler, 2003 From where and what does water come How did it become the key to life in the universe Water from Heaven presents a state of the art portrait of the science of water recounting how the oxygen needed to form H₂O originated in the nuclear reactions in the interiors of stars asking whether microcomets may be replenishing our world s oceans and explaining how the Moon and planets set ice age rhythms by way of slight variations in Earth s orbit and rotation The book then takes the measure of water today in all its states solid and gaseous as well as liquid How do the famous El Niño and La Niña events in the Pacific affect our weather

What clues can water provide scientists in search of evidence of climate changes of the past and how does it complicate their predictions of future global warming Finally *Water from Heaven* deals with the role of water in the rise and fall of civilizations As nations grapple over watershed rights and pollution controls water is poised to supplant oil as the most contested natural resource of the new century The vast majority of water used today is devoted to large scale agriculture and though water is a renewable resource it is not an infinite one Already many parts of the world are running up against the limits of what is readily available *Water from Heaven* is in short the full story of water and all its remarkable properties It spans from water s beginnings during the formation of stars all the way through the origin of the solar system the evolution of life on Earth the rise of civilization and what will happen in the future Dealing with the physical chemical biological and political importance of water this book transforms our understanding of our most precious and abused resource Robert Kandel shows that water presents us with a series of crucial questions and pivotal choices that will change the way you look at your next glass of water *Kinship, Capitalism, Change* Michael J. Francisconi, 2013-04-11 First Published in 1998 Part of the Native Americans Interdisciplinary Perspectives series this volume looks at the informal economy of the Navajo from 1868 to 1995 In this study Dine is used in place of Navajo when referring to the people Since 1868 three major revolutions have integrated the Dine into the world capitalist system the establishment of military peace resulting in political control by the U S Government which then guaranteed the establishment of trading posts the stock reduction of the 1930 s which resulted in money becoming central to economic life and the importation of highly capital intensive extractive industries onto the Navajo Reservation *Blackfoot Religion and the Consequences of Cultural Commoditization* Kenneth Hayes Lokensgard, 2016-04-15 This book explores the exchange of Blackfoot medicine bundles within contemporary Blackfoot culture and between the Blackfoot Peoples and Euro Americans These ceremonial bundles which are circulated as gifts in their native context are robbed of their statuses as living beings or persons when they are treated as symbolic objects or commodities by cultural outsiders Much of the original ethnographic data presented in this book deals with the attempts of some Blackfeet to repatriate ceremonial materials from Euro American hands This book represents a valuable study of contemporary Blackfoot religion as well as the repatriation movement Kenneth Lokensgard also contributes to the studies of material culture and exchange central to his investigation is the critical examination and reapplication of the interpretative terms gift and commodity Careful use of these terms Lokensgard argues can better help scholars appreciate how different peoples perceive the worlds they inhabit *Indians of the Great Plains* Daniel J. Gelo, 2018-07-20 This book provides a thorough and engaging study of Plains Indian life It covers both historical and contemporary aspects and contains wide and balanced treatment of the many different tribal groups including Canadian and southern populations Daniel J Gelo draws on years of ethnographic research and emphasizes that Plains societies and cultures are continuing living entities The second edition has been updated to take account of recent developments and current terminology The chapters feature a range of

illustrations maps and text boxes as well as summaries key terms and questions to support teaching and learning It is an essential text for courses on Indians of the Great Plains and relevant for students of anthropology archaeology history and Indigenous studies

Social Anthropology Edward Hedican, 2012-01-15 This is the first introductory text that focuses on social anthropological research using Canadian examples and perspectives In this groundbreaking new book Edward Hedican provides undergraduate students with a solid background on the theoretical and applied aspects of anthropology while exploring the rich history of the discipline in a Canadian context In ten concise chapters readers are introduced to the basic conceptual building blocks of introductory anthropology in a refreshingly succinct and engaging way With a strong focus on Canadian theory this book includes discussion of evolutionism feminist anthropology marriage and the family and political economy

The Red and the White: A Family Saga of the American West Andrew R. Graybill, 2013-10-07 Winner of the Labriola Center American Indian National Book Award One of the American West's bloodiest and least known massacres is searingly re-created in this generation spanning history of native white intermarriage National Book Award winning histories such as *The Hemingses of Monticello* and *Slaves in the Family* have raised our awareness about America's intimately mixed black and white past Award winning western historian Andrew R. Graybill now sheds light on the overlooked interracial Native white relationships critical in the development of the trans Mississippi West in this multigenerational saga Beginning in 1844 with the marriage of Montana fur trader Malcolm Clarke and his Piegan Blackfoot bride Coth co co na Graybill traces the family from the mid nineteenth century when such mixed marriages proliferated to the first half of the twentieth when Clarke's children and grandchildren often encountered virulent prejudice At the center of Graybill's history is the virtually unexamined 1870 Marias Massacre on a par with the more infamous slaughters at Sand Creek and Wounded Knee an episode set in motion by the murder of Malcolm Clarke and in which Clarke's two sons rode with the Second U S Cavalry to kill their own blood relatives

Smoothing the Ground Brian Swann, 1983 A compilation of essays and translations in which leading scholars in the fields of linguistics folklore ethnopoetics and literary criticism discuss the continuing American Indian oral tradition as literature Native Americans invested the spoken word with reverence and power and the oral literature that resulted from the fusing of language and event into vital force is extraordinarily rich and potent Authors such as Dell Hymes Karl Kroeber Dennis Tedlock Jarold Ramsey and John Bierhorst address the many aspects of the study of this literature from the problem of translation and of the role of the literary critic to the interpretation of specific stories ISBN 0 520 04902 0 12 95

The Blackfoot Papers Adolf

Hungrywolf,2006 A series of illustrated books to help preserve the culture and heritage of the four divisions that make up the Blackfoot Confederacy in the United States and Canada Cover **U.S. Highway 89, Browning to Hudson Bay Divide, Section 4(f) Evaluation** ,2004 Reference Encyclopedia of the American Indian: without special title Barry T. Modern Blackfeet Montanans On A Reservation Introduction

In today's digital age, the availability of Modern Blackfeet Montanans On A Reservation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modern Blackfeet Montanans On A Reservation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modern Blackfeet Montanans On A Reservation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modern Blackfeet Montanans On A Reservation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modern Blackfeet Montanans On A Reservation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modern Blackfeet Montanans On A Reservation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modern Blackfeet Montanans On A Reservation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modern Blackfeet Montanans On A Reservation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modern Blackfeet Montanans On A Reservation books and manuals for download and embark on your journey of knowledge?
