## **Modern Ideologies:**

**Contemporary Political Ideologies** Roger Eatwell, 2019-03-11 In everyday usage ideology tends to be a pejorative term synonymous with the dogmatic or fanatical This is not the sense in which the term is used in this book Nor does this book adopt the instrumental approach to ideology common among social scientists and Marxists which sees ideology as socially determined rather than as a body of relatively coherent and comprehensive beliefs of interest in their own right It is this last feature of ideologies which this book focuses on namely ideologies key assumptions and themes their intrinsic content This is not to deny that there are interesting questions to be asked about the social origins and role of ideologies However these questions would require a separate book to do them justice Moreover we live in an age of hyper change Suddenly in the last decade or so the ideologies which were in the ascendant in the early twentieth century seem to have entered terminal decline whilst other ideologies have been rejuvenated and newer ones have grown in force In general these changes have undermined the left more than the right though the rise of new ideologies throughout the twentieth century has helped show the weaknesses classifying ideologies by the traditional left right spectrum Understanding Ideologies

**Ideology and Politics** John Schwarzmantel, 2008-02-13 Successfully challenges the notion that we live in a post ideological age John Schwarzmantel searchingly questions the thesis that only single issues and identities matter providing a reliable compass to help students navigate through a world that has witnessed the death of Communism and the rise of neo liberal hegemony Jules Townshend Professor of Political Theory Manchester Metropolitan University This book challenges the idea of post ideological consensus and offers a fresh perspective on the current state of political ideologies With traditional political ideologies such as liberalism socialism nationalism and conservatism perceived to be in crisis it assesses Their continued relevance in the context of globalisation and of scepticism towards ideological thinking The challenges posed by new ideologies such as ecologism and feminism The implications of new social movements and ideas of community and multiculturalism for the traditional Left Right political framework Ideology and Politics presents an accessible account of a new era of ideological politics where the dominant neo liberalism has spawned a diverse global range of ideologies of opposition It situates these radical frameworks of change and protest in relation to more traditional anti ideologies and seeks to re establish the relevance of ideologies for political action in the contemporary world This text will be core reading for students of politics at advanced undergraduate and postgraduate level

**The Ideological Origins of Nazi Imperialism** Woodruff D. Smith, 1989-02-09 This study traces the evolution of imperialist ideology in Germany from Bismarck in the mid 19th century through Hitler and the Third Reich Although much has been written about the virulently racist and anti communist ideologies of the Nazi party this is the first book to treat Nazi imperialism as a separate ideology

and set it within a sturdy theoretical framework Smith contends that Nazi imperialism represented the last ambitious attempt to integrate two century old ideologies the elite pro industrial Weltpolitik and the popular based pro agrarian Lebensraum into a single system In fact Smith argues that it was largely the way in which the Nazis attempted to reconcile these contradictory ideologies that explains Germany s disastrous policies during World War II This wide ranging study also contributes to the debates over several other aspects of German history including German military aims in World War II the continuity or discontinuity of German policy from Bismarck to Hitler and the relation between ideology and social political life

**Ideology** James Decker,2017-03-14 This concise introduction to the concept of ideology provides an overview of the term and considers its impact on literary theory James M Decker analyzes the history of Western ideology from its pre Enlightenment roots to its current incarnations providing readers with both an essential overview of key terms and issues and a thoughtful assessment of some of the important critical thinkers associated with the notion including Marx Gramsci and Althusser Ideological theories are introduced within three broad categories the subjective the institutional and the political which helps students to synthesize a concept that sprawls across the traditional disciplinary lines of philosophy politics economics history and cultural and literary studies Close readings of key texts demonstrate the impact of ideology on critical practice and literary reputation Texts include Toni Morrison s Sula William Faulkner s Barn Burning George Orwell s 1984 Compact and easy to follow Decker s study finally asks are we now in a post ideological era

**Reconsidering Habermas's Colonization Thesis** Roderick Condon,2025-03-31 This book reconsiders Habermas s critique of capitalism as a foundation for a critical theory of neoliberalism Taking criticisms into account the author refines and redevelops Habermas s system lifeworld paradigm in three parts focusing on system lifeworld and communication The exposition unfolds through a new synthesis and convergence from within Habermas s frame of Axel Honneth Niklas Luhmann Talcott Parsons and Karl Marx This synthesis is interwoven with an account of the neoliberal turn such that social theory is historically contextualized and neoliberalism theoretically explained at one and the same time The end result is a reconstruction of the colonization thesis in a new theory of relinguistification advancing a communicative dialectical and reflexive theory of reification

Reconsidering Habermas s Colonization Thesis will appeal to scholars of critical theory social theory sociology and cultural studies as well as readers interested in neoliberalism and the critique of capitalism

**Complicity and Responsibility in Contemporary African Writing** Minna Johanna Niemi, 2021-05-03 This book investigates the many ways in which contemporary African fiction has reflected on themes of responsibility and complicity during the postcolonial period Covering the authors Ayi Kwei Armah Tsitsi Dangarembga Nuruddin Farah Michiel Heyns and J M Coetzee the book places each writer s novels in their cultural and literary context in order to investigate similarities and differences between fictional approaches to individual complicity in politically unstable situations In doing so the study focuses on these texts representations of discomfiting experiences of being implicated in harm done to others in order to show that it is precisely during times of political crisis that questions of moral responsibility and implicatedness in compromised conduct become more pronounced The study also challenges longstanding western amnesia concerning responsibility for historical and present day violence in African countries and juxtaposes this denial of responsibility with the

western literary readership's consumption of narratives of African suffering. The study instead proposes new reading habits based on an awareness of readerly complicity and responsibility. Drawing insights from across political philosophy and literary theory, this book will be of interest to researchers of African literature, postcolonial studies, and peace and conflict studies.

Modern Ideologies: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Modern Ideologies : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Modern Ideologies : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Modern Ideologies : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
