Modern Armenia People Nation State Hardcover

**Ronald Grigor Suny, Fatma Müge
Göçek, Norman M. Naimark**

Modern Armenia People Nation State Hardcover:

Modern Armenia Gerard Libaridian, 2017-09-20 Modern Armenia reviews Armenian politics and political thinking from the mid nineteenth century to the present and the evolution of Armenians from peoplehood to statehood Written by a key governmental advisor in the early years of Armenian independence this book analyzes the internal dynamics of the revolutionary movement the genocide the Armenian Diaspora its recovered statehood and recent independence as well as the relationship of these developments to processes in the Ottoman Turkish Russian and Western states It also explores current dilemmas and future choices independent Armenia faces today Libaridian concludes with an overview of Armenia and Armenians during the past two decades including the rebirth of independent Armenia its foreign and security policy options its position within the region and its relations with the Diaspora Fascinating and timely Modern Armenia will be of interest to students and scholars of Armenian history independence movements the dissolution of the Soviet empire foreign relations and political science

Modern Armenia Gerard J. Libaridian, 2004-01-01 Modern Armenia reviews Armenian politics and political thinking from the mid nineteenth century to the present and the evolution of Armenians from peoplehood to statehood Written by a key governmental advisor in the early years of Armenian independence this book analyzes the internal dynamics of the revolutionary movement the genocide the Armenian diaspora its recent independence and the relationship of these developments to processes in the Ottoman Turkish Russian and Western states Starting with an overview of Armenian history from mid nineteenth century to the 1970s Modern Armenia proceeds to explore the dynamics that led up to and shaped the modern republic The first part is devoted to understanding the ideologies adopted by the Armenian revolutionary movement in the late nineteenth century Ottoman Empire that had earlier absorbed historic Western Armenia Libaridian examines the causes of the rise of political parties and a guerrilla movement and mutations in their strategies He also describes the tensions within the Armenian community in the face of increasing impoverishment and Ottoman repression In the second part Libaridian focuses on the ideology of the Young Turks who were responsible for the WWI genocide and then offers a new analysis of the causes of the tragedy In a third part the author describes the complexities of dealing with the history of relations between Armenians and Kurds and Armenians and Turks He explores mutual perceptions and the politics of recognition of the genocide Libaridian concludes with an overview of Armenia and Armenians during the past two decades including the rebirth of independent Armenia its foreign and security policy options and its relations with the Diaspora Modern Armenia will be of interest to students of Armenian history independence movements the dissolution of the Soviet empire and foreign relations

Modern Armenia Gerard Libaridian, 2017-07-28 Modern Armenia reviews Armenian politics and political thinking from the mid nineteenth century to the present and the evolution of Armenians from peoplehood to statehood Written by a key governmental advisor in the early years of Armenian independence this book analyzes the internal dynamics of the revolutionary movement the genocide the Armenian Diaspora its recovered statehood

and recent independence as well as the relationship of these developments to processes in the Ottoman Turkish Russian and Western states It also explores current dilemmas and future choices independent Armenia faces today Libaridian concludes with an overview of Armenia and Armenians during the past two decades including the rebirth of independent Armenia its foreign and security policy options its position within the region and its relations with the Diaspora Fascinating and timely Modern Armenia will be of interest to students and scholars of Armenian history independence movements the dissolution of the Soviet empire foreign relations and political science **AGBU**, 1997 1993 Patt Leonard, Rebecca Routh, 1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada **The American Bibliography of Slavic and East European Studies** Patt Leonard, Rebecca Routh, 1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada *A Question of Genocide* Ronald Grigor Suny, Fatma Müge Göçek, Norman M. Naimark, 2011-02-23 One hundred years after the deportations and mass murder of Armenians Greeks Assyrians and other peoples in the final years of the Ottoman Empire the history of the Armenian genocide is a victim of historical distortion state sponsored falsification and deep divisions between Armenians and Turks Working together for the first time Turkish Armenian and other scholars present here a compelling reconstruction of what happened and why This volume gathers the most up to date scholarship on Armenian genocide looking at how the event has been written about in Western and Turkish historiographies what was happening on the eve of the catastrophe portraits of the perpetrators detailed accounts of the massacres how the event has been perceived in both local and international contexts including World War I and reflections on the broader implications of what happened then The result is a comprehensive work that moves beyond nationalist master narratives and offers a more complete understanding of this tragic event **The Assyrian Genocide** Hannibal Travis, 2017-07-20 For a brief period the attention of the international community has focused once again on the plight of religious minorities in Iraq Syria and Turkey In particular the abductions and massacres of Yezidis and Assyrians in the Sinjar Mosul Nineveh Plains Baghdad and Hasakah regions in 2007 2015 raised questions about the prevention of genocide This book while principally analyzing the Assyrian genocide of 1914 1925 and its implications for the culture and politics of the region also raises broader questions concerning the future of religious diversity in the Middle East It gathers and analyzes the findings of a broad spectrum of historical and scholarly works on Christian identities in the Middle East genocide studies international law and the politics of the late Ottoman Empire as well as the politics of the Ottomans British and Russian rivals for power in western Asia and the eastern Mediterranean basin A key question the book raises is whether the fate of the Assyrians maps onto any of the concepts used within international law and diplomatic history to study genocide and group violence In this light the Assyrian genocide stands out as being several times larger in both absolute terms and relative to the size of the affected group than

the Srebrenica genocide which is recognized by Turkey as well as by international tribunals and organizations Including its Armenian and Greek victims the Ottoman Christian Genocide rivals the Rwandan Bengali and Biafran genocides The book also aims to explore the impact of the genocide period of 1914 1925 on the development or partial unraveling of Assyrian group cohesion including aspirations to autonomy in the Assyrian areas of northern Iraq northwestern Iran and southeastern Turkey Scholars from around the world have collaborated to approach these research questions by reference to diplomatic and political archives international legal materials memoirs and literary works **Forthcoming Books** Rose Arny,1996-06
