Modern Casanovas Handbook:

Modern Casanova's Handbook H. T. Elmo, 1955 **Casanova's Guide to Medicine** Lisetta Lovett, 2021-06-09 Forget the stereotype Giacomo Casanova's 1725-1798 reputation as libertine has sadly eclipsed his talents as scholar, linguist, prolific writer, and manqué doctor. Fortunately for us, he wrote his memoirs at the end of his life on the advice of his doctor to control his propensity to depression. Although these often have been harvested for information on political, cultural, and social aspects of his time, the insights they give about medical practice and the lived experiences of illness have been largely neglected. This book addresses this deficiency through exploring in detail what Casanova wrote on a variety of conditions that include venereal disease and female complaints, duelling, injuries, suicide, skin complaints, and stroke, and even piles. These descriptions provide alternately grim and amusing insights about public health measures, the doctor-patient relationship, medical etiquette, and the dominant medical theories of the era. To help the reader understand the historical significance of the medical subjects covered, the author integrates throughout the book an extensive historical context drawn from contemporary sources of information and current history of medicine literature.

Handbook of the New Sexuality Studies Steven Seidman, Nancy Fischer, Chet Meeks, 2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines, the expanding book market has been filled with specialist-oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience. Addressing this imbalance, this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates. Breaking new ground both substantively and stylistically, this book offers students, academics, and researchers an accessible, engaging introduction and overview of this emerging field. Its central premise is to explore the social character of sexuality, the role of social differences such as race or nationality in creating sexual variation, and the ways sex is entangled in relations of power and inequality. Through this novel approach, the field of sexuality is considered for the first time in multicultural, global, and comparative terms and from a truly social perspective. This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done. Each contribution clearly conveys the latest research with examples. Ideal for students of gender and sexuality studies, this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1955 [Cumulative Paperback Index, 1939-1959](#) R. Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book, and it remains one of the most definitive. The major index is by author and lists author, title, publisher, book number, year of publication, and cover price. The title index lists titles and authors only. The publisher index provides a history of that imprint with addresses, number ranges, and general physical description of the books issued. This is the place that all study of the American paperback must begin.

Casanova and Enlightenment David John Thompson, 2024-12-30 Giacomo Casanova 1725-1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma Yet in his own lifetime he achieved celebrity across Europe rubbing shoulders with numerous of the eighteenth century's greatest men and women from Frederick the Great to Catherine the Great from Voltaire to Albrecht von Haller from Pope Benedict XIV to Pope Clement XIII It was a fame that had little to do with his romantic exploits This was to come

later following upon the posthumous publication of his magnificent *History of My Life* An adventurer and a man of learning his was an extraordinary career whose story was intertwined with the story of eighteenth century Europe Casanova's *Life and Times* the first book of this two volume project concentrates on what it was like to live in the eighteenth century This second book *Casanova Enlightenment* now turns to Casanova's intellectual development within the context of the

Enlightenment proposing a re-evaluation of his status as a philosopher **The Oxford Handbook of Religion and Education** Liam Francis Gearon, Arniika Kuusisto, 2025-04-29 The Oxford Handbook of Religion and Education offers a multi-disciplinary work of scholarship and research highlighting the global significance of a critical interface of cultural and social political and theological importance Drawing on historical perspective and contemporary reflection the collection provides a uniquely transformative analysis of why the interface of religion and education is of such critical significance With contributions from some of the leading thinkers in the field this Handbook presents a cumulatively powerful argument to reassess the complexities of the intersection of religion and education With ambitious and yet accessible intellectual engagements the Handbook here furthers a central thesis that the interface of religion and education is not merely a matter of arcane disputation about a domain of ancient origin or a rudimentary matter of formal educational process but a vibrant domain of critical contestation fundamental to knowing understanding and living in the modern world **The Oxford**

Handbook of American Buddhism Ann Gleig, Scott A. Mitchell, 2024 The Oxford Handbook of American Buddhism offers the most comprehensive and up to date scholarship available on Buddhism in America It charts the history and diversity of Buddhist communities including traditions and communities that have been previously neglected and looks at the ways in which Buddhist practices such as mindfulness meditation have been adopted in non-Buddhist settings The Oxford

Handbook of Quintilian Marc van der Poel, 2021-12-03 M. Fabius Quintilianus was a prominent orator declaimer and teacher of eloquence in the first century CE After his retirement he wrote the *Institutio oratoria* a unique treatise in antiquity because it is both a handbook of rhetoric and an educational treatise Quintilian's fame and influence are not only based on the *Institutio* but also on the two collections of *Declamations* which were later attributed to him The Oxford Handbook of Quintilian aims to present Quintilian's *Institutio* as a key treatise in the history of Greco-Roman rhetoric and to trace its influence on the theory and practice of rhetoric and education up to the present day Topics include Quintilian's educational programme his concepts and classifications of rhetoric his discussion of the five canons of rhetoric his style his views on literary criticism declamation and the relationship between rhetoric and law and the importance of the visual and performing arts in his work His legacy is presented in successive chapters devoted to Quintilian in late antiquity the Middle Ages the Italian Renaissance Northern Europe during the Renaissance Europe from the eighteenth to the twentieth century and the United States of America Other chapters examine the biographical tradition the history of printed editions and modern assessments of Quintilian The contributors represent a wide range of expertise and scholarly traditions offering a unique

Casanova s Life and Times Contemporary Esotericism Egil Asprem,Kennet Granholm,2014-09-11 The study of contemporary esoteric discourse has hitherto been a largely neglected part of the new academic field of Western esotericism Contemporary Esotericism provides a broad overview and assessment of the complex world of Western esoteric thought today Combining historiographical analysis with theories and methodologies from the social sciences the volume explores new problems and offers new possibilities for the study of esoterica Contemporary Esotericism studies the period since the 1950s but focuses on the last two decades The wide range of essays are divided into four thematic sections the intricacies of esoteric appeals to tradition the role of popular culture modern communication technologies and new media in contemporary esotericism the impact and influence of esotericism on both religious and secular arenas and the recent de marginalization of the esoteric in both scholarship and society Being Catholic in the Contemporary Philippines Jayeel Serrano

Cornelio,2016-06-23 This book based on extensive original research examines the nature of Catholicism in the contemporary Philippines It shows how Catholicism is apparently flourishing with good attendance at Sunday Masses impressive religious processions and flourishing charismatic groups and with interventions by the Catholic hierarchy in national and local politics However focusing in particular on the beliefs and practices of young people the book shows that young people are often adopting a different more individualised approach to Catholicism which is frequently out of step with the official position It considers the features of this a more personal and experiential relationship with God a new approach to morality in which right living is seen as more important than right believing and a critical view of what is seen as the Catholic hierarchy s misguidedness The book argues that this reinterpreting of religion by young people has the potential to alter fundamentally

the nature of Catholicism in the Philippines but that nevertheless young people's new approach involves a solid enduring commitment and a strong view of their own Catholic religious identity
