*Modern Hebrew* Harry Blumberg, Mordecai Henry Lewittes, 1963      *Modern Hebrew* Harry Blumberg, Mordecai Henry Lewittes, 1982      Houses of Study Ilana M. Blumberg, 2009-03-01 Houses of Study is an eloquent memoir of a Jewish woman's life and her efforts to reconcile the traditions of her faith with her belief in women's equality and the pull of modern American living Ilana M Blumberg traces her path from a childhood immersed in Hebrew and classical Judaic texts alongside Anglo American novels and biographies to a womanhood where the two literatures suddenly represent mutually exclusive possibilities for life Set in houses of study from a Jewish grammar school and high school to a Jerusalem yeshiva for women to a secular American university her intimate and poignant memoir asks what happens when the traditional Jewish ideal of learning asserts itself in a woman directed by that same tradition toward a life of modesty early marriage and motherhood This Bison Books edition is updated with discussion questions      **Modern Hebrew** Norman Berdichevsky, 2016-03-21 Ben Yehuda's vision of a modern Hebrew eventually came to animate a large part of the Jewish world and gave new confidence and pride to Jewish youth during the most difficult period of modern history infusing Zionism with a dynamic cultural content This book examines the many changes that occurred in the transition to Modern Hebrew acquainting new students of the language with its role as a model for other national revivals and explaining how it overcame many obstacles to become a spoken vernacular The author deals primarily with the social and political use of the language and does not cover literature Also discussed are the dilemmas facing the language arising from the fact that Israelis and Jews in the Diaspora don't speak the same language while Israeli Arabs and Jews often do      **Sephardic Jews in America** Aviva Ben-Ur, 2012 A significant number of Sephardic Jews tracing their remote origins to Spain and Portugal immigrated to the United States from Turkey Greece and the Balkans from 1880 through the 1920s joined by a smaller number of Mizrahi Jews arriving from Arab lands Most Sephardim settled in New York establishing the leading Judeo Spanish community outside the Ottoman Empire With their distinct languages cultures and rituals Sephardim and Arab speaking Mizrahim were not readily recognized as Jews by their Ashkenazic coreligionists At the same time they forged alliances outside Jewish circles with Hispanics and Arabs with whom they shared significant cultural and linguistic ties The failure among Ashkenazic Jews to recognize Sephardim and Mizrahim as fellow Jews continues today More often than not these Jewish communities are simply absent from portrayals of American Jewry Drawing on primary sources such as the Ladino Judeo Spanish press archival documents and oral histories Sephardic Jews in America offers the first book length academic treatment of their history in the United States from 1654 to the present focusing on the age of mass immigration      *Usage-Based Studies in Modern Hebrew* Ruth A. Berman, 2020-03-18 The goal of the volume is to shed fresh light on Modern Hebrew from perspectives aimed at readers interested in the domains of general linguistics typology and Semitic studies Starting with chapters that provide background information on the evolution and sociolinguistic setting of the language the bulk of the book is devoted to usage based

studies of the morphology lexicon and syntax of current Hebrew Based primarily on original analyses of authentic spoken and online materials these studies reflect varied theoretical frames of reference that are largely model neutral in approach To this end the book presents a functionally motivated dynamic approach to actual usage rather than providing strictly structuralist or formal characterizations of particular linguistic systems Such a perspective is particularly important in the case of a language undergoing accelerated processes of change in which the gap between prescriptive dictates of the Hebrew Language Establishment and the actual usage of educated literate but non expert speaker writers of current Hebrew is constantly on the rise

The revival of Hebrew in Israel during the last century is a unique phenomenon a language used for over 1700 years by Jews around the world solely in liturgy or writing came alive as a spoken everyday language used for all purposes Although those spearheading the movement to revive Hebrew tried to impose the norms of classical Hebrew on the rapidly evolving language they were in many respects unsuccessful in this effort Adapting to the circumstances in which it was used Modern Hebrew developed independently reflecting the previous linguistic background of the speakers foreign influences and natural linguistic evolution Modern Hebrew has taken its own unique course as revealed through its phonology morphology syntax and lexical structure This book examines the unique features of this dynamic language Book cover **Historical**

**Continuity in the Emergence of Modern Hebrew** Yael Reshef,2019-11-13 Historical Continuity in the Emergence of Modern Hebrew offers a new perspective on the emergence processes of Modern Hebrew and its relationship to earlier forms of Hebrew Based on a textual examination of select case studies of language use throughout the modernization of Hebrew this book shows that due to the unconventional sociolinguistic circumstances in the budding speech community linguistic processes did not necessarily evolve in a linear manner blurring the distinction between true and apparent

historical continuity The emergent language's standardization involved the restructuring of linguistic habits that had initially taken root among the first speakers often leading to a retreat from early contact induced or non-classical phenomena Yael Reshef demonstrates that as a result superficial similarity to earlier forms of Hebrew did not necessarily stem from continuity and deviation from canonical Hebrew features does not necessarily stem from change *Jewish Translation History* Robert Singerman, 2002-01-01 A classified bibliographic resource for tracing the history of Jewish translation activity from the Middle Ages to the present day providing the researcher with over a thousand entries devoted solely to the Jewish role in the east to west transmission of Greek and Arab learning and science into Latin or Hebrew Other major sections extend the coverage to modern times taking special note of the absorption of European literature into the Jewish cultural orbit via Hebrew Yiddish or Judezmo translations for instance or the translation and reception of Jewish literature written in Jewish languages into other languages such as Arabic English French German or Russian This polyglot bibliography the first of its kind contains over 2 600 entries is enhanced by a vast number of additional bibliographic notes leading to reviews and related resources and is accompanied by both an author and a subject index

**The Sin of Writing and the Rise of Modern Hebrew Literature** Iris Parush, 2022-03-21 The Sin of Writing and the Rise of Modern Hebrew Literature contends that the processes of enlightenment modernization and secularization in nineteenth century Eastern European Jewish society were marked not by a reading revolution but rather by a writing revolution that is by a revolutionary change in this society's attitude toward writing Combining socio cultural history and literary studies and drawing on a large corpus of autobiographies memoirs and literary works of the period the book sets out to explain the curious absence of writing skills and Hebrew grammar from the curriculum of the traditional Jewish education system in Eastern Europe It shows that traditional Jewish society maintained a conspicuously oral literacy culture colored by fears of writing and suspicions toward publication It is against this background that the young yeshiva students undergoing enlightenment started to sin by writing turning writing and publication in Hebrew into the cornerstone of their constitution as autonomous enlightened male Jewish subjects and setting the foundations for the rise of modern Hebrew literature *The American Jewish Year Book 1992* The American Jewish Committee, 1992-09 The Library owns the volumes of the American Jewish Yearbook from 1899 current

**The Guide to Jewish Knowledge** Chaim Pearl, Reuben Solomon Brookes, 1976 **Catalog** I. Edward Kiev Judaica Collection, Gelman Library, 2003 **The Divine in Modern Hebrew Literature** Neta Stahl, 2020-02-25 Demonstrating the pervasive presence of God in modern Hebrew literature this book explores the qualities that twentieth century Hebrew writers attributed to the divine and examines their functions against the simplistic dichotomy between religious and secular literature The volume follows both chronological and thematic paths offering a panoramic and multilayered analysis of the various strategies in which modern Hebrew writers from the turn of the nineteenth century through the twenty first century pursued in their attempt to represent the divine in the face of metaphysical theological and representational challenges

Modern Hebrew literature emerged during the nineteenth century as part of the Haskalah Jewish Enlightenment movement which attempted to break from the traditional modes of Jewish intellectual and social life. The Hebrew literature that arose in this period embraced the rebellious nature of the Haskalah and is commonly characterized as secular in nature, defying Orthodoxy and rejecting God. Nevertheless, this volume shows that modern Hebrew literature relied on traditional narratological and poetic norms in its attempt to represent God. Despite its self-declared secularity, it engaged deeply with traditional problems such as the nature of God, divine presence, and theodicy. Examining these radical changes, this volume is a key text for scholars and students of modern Hebrew literature, Jewish studies, and the intersection of religion and literature.

**The Age of Haskalah** Pelli, 1979-06      **Languages in Jewish Communities, Past and Present** Benjamin Hary, Sarah Bunin Benor, 2018-11-05. This book offers sociological and structural descriptions of language varieties used in over 2 dozen Jewish communities around the world, along with synthesizing and theoretical chapters. Language descriptions focus on historical development, contemporary use, regional and social variation, structural features, and Hebrew-Aramaic loanwords. The book covers commonly researched language varieties like Yiddish, Judeo-Spanish, and Judeo-Arabic, as well as less commonly researched ones like Judeo-Tat, Jewish-Swedish, and Hebraized Amharic in Israel today.      *Hebrew and Zionism* Ron Kuzar, 2001. Book targets the nation language as its object of investigation, focusing on the case of Hebrew in Israel. It strives to illuminate some of the processes by which the Zionist movement came to attach importance to the revival of the ancient Hebrew.      **List of Titles Added to the Catalogue** University of London.
