This second edition of scholar Arthur Goldschmidt presents a concise survey of Egyptian history since the mid eighteenth century It focuses on Egypt s evolution as a nation state dispelling common misconceptions about Egypt s modern history

who need to be familiar with Egypt its role in Middle East affairs and its involvement with the nations of the world

**The History and Culture of Ancient and Modern Egypt** Charles River Charles River Editors,2018-02-16 Covers the history and culture of Ancient Egypt from 3 000 30 B C Covers the history and culture of Modern Egypt from 1800 2012 Includes pictures of famous people places art and events in Egypt Africa may have given rise

to the first human beings and Egypt probably gave rise to the first great civilizations which continue to fascinate modern societies across the globe nearly 5 000 years later From the Library and Lighthouse of Alexandria to the Great Pyramid at Giza the Ancient Egyptians produced several wonders of the world revolutionized architecture and construction created some of the world's first systems of mathematics and medicine and established language and art that spread across the known world With world famous leaders like King Tut and Cleopatra it's no wonder that today's world has so many Egyptologists What makes the accomplishments of the Ancient Egyptians all the more remarkable is that Egypt was historically a place of great political turbulence Its position made it both valuable and vulnerable to tribes across the Mediterranean and the Middle East and Ancient Egypt had no shortage of its own internecine warfare Its most famous conquerors would come from Europe with Alexander the Great laying the groundwork for the Hellenic Ptolemy line and the Romans extinguishing that line after defeating Cleopatra and driving her to suicide About 2 050 years after Cleopatra's death Egypt still remains a volatile hotspot In the last year Egypt has undergone a revolution that expelled its authoritarian leader of nearly 30 years and implemented elections that have pitted the Egyptian military in a power struggle with the Muslim Brotherhood the long time Islamic opposition group with ties to Hamas and elements of al Qaeda Making everything that much more surreal the events have played out before well placed television cameras with continuous real time coverage of the revolution and ongoing turmoil and foreign nations around the world eagerly await or dread the end result The situation in Egypt sounds messy today but strife in Egypt is hardly a new occurrence In fact conflict has been more of a rule than exception since the end of the 18th century when Western powers beginning with Napoleon and the French got involved in the territory that was at that point a part of the Ottoman Turkish Empire Since then European powers came into conflict with each other and local Egyptian officials in their imperialistic efforts Egyptian nationalists tried to do away with foreign interference and the critically important Suez Canal became a geopolitical hotspot And when Egypt finally did receive full independence and sovereignty from the British it was subjected to conflict between religious extremists secular forces pan Arab nationalists and oppressive strongmen The History and Culture of Ancient and Modern Egypt comprehensively covers the history and culture of Ancient Egypt looking at its religious political foreign and military past and examining all the architectural and artistic achievements from 3 000 30 B C It also comprehensively covers this turbulent history helping to explain and sort through all the different forces at play in Egypt over the last 215 years Along with maps and pictures of important people places and events you will learn about Ancient and Modern Egypt like you never have before The Cambridge History of Egypt: Modern Egypt, from 1517 to the end of the twentieth century, 1998 **The Copts of Egypt** Vivian Ibrahim, 2010-12-02 The Coptic Christians of Egypt have traditionally been portrayed as a beleaguered minority persecuted in a Muslim majority state and by the threat of political Islam Vivian Ibrahim offers a vivid portrayal of the community and an alternative interpretation of Coptic agency in the twentieth century through newly discovered sources Dismissing the monolithic portrayal of this

community she analyses how Copts negotiated a role for themselves during the colonial and Nasserist periods and their multifaceted response to the emergence of the Muslim Brotherhood She examines reform within the Church itself and how it led to power struggles that redefined the role of the Pope and Church in Nasser's Egypt The findings of this book hold great relevance for understanding identity politics and the place of the Coptic community in the fast changing political landscape of today's Egypt

**Contemporary Egypt: Through Egyptian Eyes** Charles Tripp, 2002-11 This book brings together expert essays on the social and political forces and personalities that have shaped modern Egypt and the economic political and diplomatic dilemmas facing the country

**Jewish and Greek Communities in Egypt** Najat Abdulhaq, 2016-02-18 In the years following Nasser's rise to power the demographic landscape and the economy of Egypt underwent a profound change Related to the migration of diverse communities that had a distinguished role in Egyptian economy from Egypt these shifts have mostly been discussed in the light of postcolonial studies and the nationalisation policies in the wider region Najat Abdulhaq focuses instead on the role that these minorities had in the economy of pre Nasser Egypt and by giving special attention to the Jewish and Greek communities residing in Egypt investigates the dynamics of minorities involved in entrepreneurship and business With rigorous analysis of the types of companies that were set up Abdulhaq draws out the changes which were occurring in the political and social sphere at the time This book whilst primarily focused on the economic activities of these two minority communities has implications for an understanding analysis of the political the juridical the intellectual and the cultural trends at the time It thus offers vital analysis for those examining the economic history of Egypt as well as the political and cultural transformations of the twentieth century in the region

**Midnight in Cairo: The Divas of Egypt's Roaring '20s** Raphael Cormack, 2021-03-09 A vibrant portrait of the talented and entrepreneurial women who defined an era in Cairo One of the world's most multicultural cities twentieth century Cairo was a magnet for the ambitious and talented During the 1920s and 30s a vibrant music theater film and cabaret scene flourished defining what it meant to be a modern Egyptian Women came to dominate the Egyptian entertainment industry as stars of the stage and screen but also as impresarias entrepreneurs owners and promoters of a new and strikingly modern
