## **Modern Orthodox:**

**Modern Orthodox Judaism: A Documentary History** Zev Eleff, 2016-07 Modern Orthodox Judaism offers an extensive selection of primary texts documenting the Orthodox encounter with American Judaism that led to the emergence of the Modern Orthodox movement. Many texts in this volume are drawn from episodes of conflict that helped form Modern Orthodox Judaism. These include the traditionalists' response to the early expressions of Reform Judaism as well as incidents that helped define the widening differences between Orthodox and Conservative Judaism in the early twentieth century. Other texts explore the internal struggles to maintain order and balance once Orthodox Judaism had separated itself from other religious movements. Zev Eleff combines published documents with seldom seen archival sources in tracing Modern Orthodoxy as it developed into a structured movement, established its own institutions and encountered critical events and issues, some that helped shape the movement and others that caused tension within it. A general introduction explains the rise of the movement and puts the texts in historical context. Brief introductions to each section guide readers through the documents of this new dynamic Jewish expression.

**Modern Orthodox Theology** Paul Ladouceur, 2019-02-21 Modern Orthodox theology represents a continuity of the Eastern Christian theological tradition stretching back to the early Church and especially to the Ancient Fathers of the Church. This volume considers the full range of modern Orthodox theology. The first chapters of the book offer a chronological study of the development of modern Orthodox theology beginning with a survey of Orthodox theology from the fall of Constantinople in 1453 until the early 19th century. Ladouceur then focuses on theology in imperial Russia, the Russian religious renaissance at the beginning of the 20th century and the origins and nature of neopatristic theology as well as the new theology in Greece and Romania and tradition and the restoration of patristic thought. Subsequent chapters examine specific major themes: God and Creation, Divine humanity, personhood and human rights, The Church of Christ, Ecumenical theology and religious diversity, The Christification of life, Social and Political Theology, The Name of God, conflict, The ordination of women. The volume concludes with assessments of major approaches of modern Orthodox theology and reflections on the current status and future of Orthodox theology. Designed for classroom use, the book features case studies, a detailed index, a list of recommended readings for each chapter.

**Cosmopolitans and Parochials** Samuel C. Heilman, Steven M. Cohen, 1989 Far from simply vanishing in the face of modernity, Orthodox Jews in the United States today are surviving and flourishing. Samuel C. Heilman and Steven M. Cohen, both distinguished scholars of Jewish studies, have joined forces in this pathbreaking book to articulate this vibrancy and to characterize the many faces of Orthodox Jewry in contemporary America. Who are these Orthodox Jews? How have they survived? What do they believe and practice and how do they accommodate the tension between traditional Jewish and modern American values? Drawing on a survey of more than one thousand participants, the authors address these questions and many more. Heilman and Cohen reveal that American Jewish Orthodoxy is not a monolith by distinguishing its three broad varieties: the traditionalists, the

centrists and the nominally orthodox To illuminate this full spectrum of orthodoxy the authors focus on the centrists taking us through the dimensions of their ritual observances religious beliefs community life and their social political and sexual attitudes Both parochial and cosmopolitan orthodox and liberal these Jews are characterized by their dualism by their successful involvement in both the modern Western world and in traditional Jewish culture In painting this provocative and fascinating portrait of what Jewish Orthodoxy has become in America today Heilman and Cohen s study also sheds light on the larger picture of the persistence of religion in the modern world **A Modern Orthodox Life** Emanuel Rackman,2008

**Modern Orthodoxy in American Judaism** Maxine Jacobson,2016 Modern Orthodoxy went from being a threatened entity on the American scene to a well recognized and respected force in Judaism This is the story of the renaissance of American Modern Orthodoxy the story of invigoration and change **Joseph Dan** Joseph Dan,2005 Joseph Dan the Gershom Scholem Professor of Kabbalah Emeritus at the Hebrew University and long time Professor of Jewish Studies at the Freie Universitat Berlin is one of the most influential figures in the fields of Jewish mystical thought homiletical and ethical literature modern Messianism and Hasidism and contemporary belles lettres His studies of the diverse aspects of Jewish creativity with close attention to the dialectics of religious cultural continuity versus historical innovation provide a comprehensive overview of the complex history of Jewish thought and its multiple creative faces It is precisely for this reason to honor Joseph Dan s multifaceted research that his many colleagues students and friends scattered among universities around the world have decided to focus their contributions in this Festschrift on the continuing process of creation and re creation in Jewish thought throughout the centuries Contributors Philip Alexander Dan Ben Amos Peter Schafer Margarete Schluter Bernard McGinn Klaus Herrmann Herbert Davidson Annelies Kuyt Haym Soloveitchik Eli Yassif Gerold Necker Marc Saperstein Giuseppe Veltri Aviezer Ravitzky Avinoam Rosenak Kimmy Caplan Saverio Campanini Eric Jacobson Yair Zakovitch Rachel Elior David Weiss Halivni Avigdor Shinan Avraham Grossman Giulio Busi Moshe Hallamish Chava Turniansky Jacob Elbaum Hagit Matras Joseph Hacker Raya Haran Arnold J Band Hamutal Bar Yosef Miri Kubovy Naama ben Shahar *Contemporary American Judaism* Dana Evan Kaplan,2011 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States A pulpit rabbi and himself an American Jew Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today From Hebrew tattooing to Jewish Buddhist meditation Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities While pessimists worry about the vanishing American Jew Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible He believes that the reorientation of American Judaism has been a bottom up process resisted by elites who have reluctantly responded to the demands of the spiritual marketplace The American Jewish denominational

structure is therefore weakening at the same time that religious experimentation is rising leading to the innovative approaches supplanting existing institutions The result is an exciting transformation of what it means to be a religious American Jew in the twenty first century

**Contemporary Debates in American Reform Judaism** Dana Evan Kaplan, 2013-01-11 This is a ground breaking collection of essays that takes a hard look at the Reform Movement today Opening essays look at the problem of building a religious community the competition in the spiritual marketplace and why people join or do not join a Reform synagogue Other contributors look at a host of controversial issues including Patrilineal Descent Outreach Intermarriage gender issues gay and lesbian participation and others

**Religious Giving** David H. Smith, 2010-04-06 Religious Giving considers the connection between religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something inherently right or natural about the connection But what exactly is it To whom should we give how much should we give what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive guidance to the reader informed by a critical understanding of the religious traditions under review

**The Impact of Globalization on the United States** Michelle Bertho, Beverly Crawford, Edward A. Fogarty, 2008-09-30 Over the past decade a virtual cottage industry has arisen to produce books and articles describing the nature origins and impact of globalization Largely and surprisingly absent from this literature however has been extensive discussion of how globalization is affecting the United States itself Indeed it is rarely even acknowledged that while the United States may be providing a crucial impetus to globalization the process of globalization once set in motion has become a force unto itself Thus globalization has its own logic and demands that are having a profound impact within the United States often in ways that are unanticipated This set offers the first in depth systematic effort at assessing the United States not as a globalizing force but as a nation being transformed by globalization Among the topics studied are globalization in the form of intensified international linkages globalization as a universalizing and or Westernizing force globalization in the form of liberalized flows of trade capital and labor and globalization as a force for the creation of transnational and superterritorial entities and allegiances These volumes examine how each of these facets of globalization affects American government law business economy society and culture

**Rabbis, Reporters and the Public in the Digital Holyland** Yoel Cohen, 2023-12-21 Focused on the triangular relationship between rabbis journalists and the public this book analyses each group s role in influencing the agenda around religion in Israel The book draws upon the author s original research comprising an analysis of the coverage of religion on four Israeli news websites a series of surveys of rabbis journalists and the public as well as a large number of interviews conducted with a range of stakeholders community rabbis teacher rabbis and religious court judges reporters editors and spokespersons and the Israeli Jewish public Key questions

include What are rabbis philosophical views of the media How does the media define news about Judaism What aspect of news about religion and spirituality interest the public How do spokespersons and rabbis influence the news agenda How is the triangular relationship between rabbis journalists and the public being altered by the digital age Despite a lack of understanding about mass media behaviour among many rabbis and concurrently a lack of knowledge about religion among many journalists it is argued that there is shared interest between the two groups both in support of mass media values like the right to know and freedom of expression It is further argued that the public s attitude to news about religion is significant in determining what journalists should publish The book will be of interest to those studying mass communications the media Judaism and Israeli society as well as researchers of media and religion *Jewish Options* Arnold Dashefsky,Ira M. Sheskin,J.Alan Winter,2024-10-03 This book offers an examination of an expanding set of options for being Jewish in contemporary American society It examines the evolution of Jewish identity across five epochs of Jewish civilization as well as the transformation of the American Jewish experience across four centuries In addition an institutional history and a geographic demographic and religious profile of American Jews are presented including an outline of contemporary Jewish options to express Jewish identity in twenty first century America Readers will gain an understanding of how these options developed via the provision of a socio historical and a social scientific analysis of each option in one integrated volume The book also discusses contemporary challenges to the continuity of American Jewish community and identity including the issues of education interfaith marriage and philanthropy **Encyclopedia of Human Services and Diversity** Linwood H.
