On This Modern Highway, Lost in the Jungle Jan Mrázek, 2022-02-01 I love Christmas that Muslim holiday K Biebl In 1926 the communist avant garde poet Konstantin Biebl 1898 1951 travelled from Czechoslovakia to the Dutch East Indies In his texts poetic and often comic both landlocked Bohemia and the colonized tropical islands are seen disorientingly anew like mirrors looking at themselves in each other On

This *Modern Highway Lost in the Jungle* takes the reader on a journey crisscrossing the poet's life and work with particular attention to his travel writing and his dreams and memories of travel as they mirror the book author's own life experience as a Czech scholar of Indonesia living in island Southeast Asia. Biebl's poetry and travels are also the book's point of departure for a broader exploration of the intersections of travel and poetry, the attitudes to colonial social injustice and the representation of otherness in Czech literary and visual imagination beyond Biebl's times. In its attention to how poetic travel reflects the Czech historical experience in the shadow of imperial nations, the book moves scholarly reflection on literary travel, modernity and colonialism to a new ground. Jan Mrzek grew up in Czechoslovakia and lives on an island in the Malay Archipelago. He is Associate Professor in Southeast Asian Studies at the National University of Singapore and has published widely on Indonesia, seafaring and Czech travel writing.

A History of Modern Tourism Eric Zuelow, 2015-10-26 Tourism is one of the largest industries in the world, yet leisure travel is more than just economically important. It plays a vital role in defining who we are by helping to place us in space and time. In so doing, it has aesthetic, medical, political, cultural and social implications. However, it hasn't always been so. Tourism as we know it is a surprisingly modern thing, both a product of modernity and a force helping to shape it. *A History of Modern Tourism* is the first book to track the origins and evolution of this pursuit from earliest times to the present. From a new understanding of aesthetics to scientific change from the invention of steam power to the creation of aircraft, from an elite form of education to family car trips to see national shrines, this book offers a sweeping and engaging overview of a fascinating story not yet widely known.

Postcard America Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour, a veritable treasure trove of American culture. Crave Online. From the Great Depression through the early postwar years, any postcard sent in America was more than likely a linen card, colorized in vivid, often exaggerated hues and printed on card stock embossed with a linen-like texture. Linen postcards celebrated the American scene with views of majestic landscapes, modern cityscapes, roadside attractions and other notable features. These colorful images portrayed the United States as shimmering with promise, quite unlike the black and white worlds of documentary photography or Life.

magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images
