My Venice:

Travel and Imagination Garth Lean, Russell Staiff, Emma Waterton, 2016-02-24 The imagination has long been associated with travel and tourism from the seventeenth century when the showman and his peepshow box would take the village crowd to places cities and lands through the power of stories to today when we rely on a different range of boxes to whisk us away on our imaginative travels the television the cinema and the computer Even simply the notion of travel it would seem gives us license to daydream The imagination thus becomes a key concept that blurs the boundaries between our everyday lives and the idea of travel Yet despite what appears to be a close and comfortable link there is an absence of scholarly material looking at travel and the imagination Bringing together geographers sociologists cultural researchers philosophers anthropologists visual researchers archaeologists heritage researchers literary scholars and creative writers this edited collection explores the socio cultural phenomenon of imagination and travel The volume reflects upon imagination in the context of many forms of physical and non physical travel inviting scholars to explore this fascinating yet complex area of inquiry in all of its wonderful colour slipperiness mystery and intrigue The book intends to provide a catalyst for thinking discussion research and writing with the vision of generating a cannon of scholarship on travel and the imagination that is currently absent from the literature

Venice's Virgin Mother Berwyn Lewis, 2018-07-06 In 17th century Venice a young woman discovers she s pregnant and comes up with a perfect alibi She claims she s had an immaculate conception and will have a virgin birth but this doesn t stop her family from banishing her to a convent Like many convents of the time it is home to one of Venice s worst kept secrets Behind its forbidding looking walls veils and vows do nothing to curb the appetites of the lusty residents including some men Disguised as nuns they enjoy the lavish banquets and balls of convent life with their lovers liberated women who have the freedom to compose music plays and poetry often penned with male pseudonyms and performed to audiences from all walks of life The Doge supports a Venetian virgin birth It will rock religious boats and gondolas strike a blow against Rome s monopoly on virgin births boost Venetian Empire trade and bring the world to Venice s doorstep It isn t the first virgin birth The twin founders of Rome were born of the mythical Rhea Silvia a virgin It had to be just a matter of time before another one popped up and this time it s in Venice and the Doge is all for it Too dangerous to reveal until now this satire and rollicking comedy tells how women struggled with families husbands and other enemies and were dominated by an overzealous church bent on robbing them of their birthright It is also a useful virgin birth DIY and includes tips on creating miracles It speaks to today s world where religion and other superstitions continue to oppress so many and cause so much suffering

Travels with My Aunt Graham Greene, 2018-04-10 A retired London bank manager is yanked out of the suburbs by his eccentric aunt for a cheerfully irreverent romp across Europe The Guardian Now that the dullish Henry Pulling has left his job with an agreeable pension and a firm handshake he plans to spend more time weeding his dahlias Then for the first time in fifty years he sees his aunt Augusta at his mother s funeral Charging into her seventies

with florid abandon not a day of her life wasted and her future as bright as her brilliant red hair Augusta insists that Henry abandon his garden follow her and hold on tight With that she whisks her nephew out of Brighton and boards the Orient Express bound for Paris and Istanbul then on to Paraguay and down the rabbit hole of her past that swarms with swindlers smugglers war criminals and rather unconventional lovers With each new stop Henry discovers not only more about his aunt and her secrets but also about himself as well Pulsing with the tragic and comic ironies of love loyalty and belief Graham Greene's deceptive lark of novel was made into the 1972 film starring Maggie Smith *The Times London* *Harry Calverley*.
