On The Christian Faith

James Montgomery Boice

On The Christian Faith:

The Christian Faith Friedrich Schleiermacher, 1999-03-11 The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some common misreadings of his work *Christian Faith* Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality *Essential Truths of the Christian Faith* R. C. Sproul, 2011-02-18 For those who yearn for a deeper walk of faith their journey can begin here Dr R C Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we all can understand Sproul's homespun analogies and illustrations from everyday life make this book interesting informative and easy to read *Foundations of Christian Faith* Karl Rahner, 1978 A Crossroad book Translation of *Grundkurs des Glaubens* *On the Christian Faith* , **Guide to the Christian Faith** William A Spurrer, 2012-03-01

Living Belief Douglas F. Ottati, 2022-06-07 A leading theologian's concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In *Living Belief* he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord's Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable *Living Belief* makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity

Understanding the Christian Faith Georgia Elma Harkness, 1947 An excellent primer on the basic principles of Christian doctrine Harkness offers light and direction to those who are bewildered by the seeming complexities of Christian

belief and practice Displaying her uncanny ability for translating the abstract and the scholarly into terms easily grasped by laypersons Harkness explains the various concepts that so often shroud Christianity in mystery **Why Believe?** Norman Warren, 2012-10-08 Why believe in Jesus Christ How can I know God Why did Jesus die Can we trust the Bible This helpful small book explains the central beliefs of Christianity **A Christian Faith for Today** Prof W Montgomery Watt, W. Montgomery Watt, 2003-09-02 Written by one of the world's foremost religious authorities A Christian Faith for Today provides both Christians and sceptics with a much needed response to modernity's challenge to God Most people accept that our world is regulated by the laws of natural science but how should Christian believers reconcile this with faith incarnation and a loving and intelligent Creator W Montgomery Watt returns to the Biblical stories and sources at the roots of modern faith and to theological problems such as Jesus divinity and humanity He suggests how the miraculous might be understood from a rational perspective and the genuinely transcendental distinguished from allegory and symbolism Sympathetic to the Gospel yet acceptable to the modern mind this is a timely and sensitive exposition of God's manifestation and intervention in the world and of his purposes with us and for us *Essentials of Christian Faith* Jack Cottrell, Andrew Paris, Tony Newby, 1992-12 With this scathing indictment of modern America editor Steve Burris takes us on a pilgrimage that is foundational It is necessary that we go back to fundamental matters at this point in our history he writes We live in an instant culture We have come to expect instantaneous answers to all of life's questions Yet he notes we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it It is from this need that *Essentials of Christian Faith* was born That is why Burris has drawn together many of the most influential and prolific Restoration writers As a Christian what is essential that you know and believe The answer to that question is here in *Essentials of Christian Faith* **A Handbook of the Christian Faith** John Schwarz, 2004-08-01 A Handbook of the Christian Faith is a one volume overview of the Bible church history Christian beliefs and practices other religions and other issues of Christianity written in an easy to understand style Organized in ten thematic chapters the book is designed for use by individuals or study groups I cannot think of a more helpful resource for adults who are serious about their faith and the desire to understand it better says Dr W Ward Gasque President Pacific Association for Theological Studies **Knowing Our Faith** Justo L. González, 2019-03-12 I do not hope to convince you so that you will believe That is to be left to the Holy Spirit I write to you because you share the faith by which I live I write so that you may share my joy in seeking to understand better this truth that our hearts believe and love In *Knowing Our Faith* Justo González introduces the Christian faith in direct contemporary language that does not assume prior knowledge While recognizing the existence of various denominations and theological positions González focuses on the core faith of the Christian church through the centuries Covering all the key topics revelation God Jesus Christ the Spirit the church Christian hope and others *Knowing Our Faith* is an ideal resource for both individual reading and small group study with questions for discussion included at the end of each short chapter This

accessible resource will help readers understand the Christian faith better and more importantly live it better **Christian Faith** Hendrikus Berkhof, Frederick O. Bonkovsky, 1980 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality **Foundations of the Christian Faith** James Montgomery Boice, 2019-01-29 In one systematic volume James Montgomery Boice provides a readable overview of Christian theology With scholarly rigor and a pastor's heart Boice carefully opens the topics of the nature of God the person and work of Christ the work of the Holy Spirit in justification and sanctification and ecclesiology and eschatology This updated edition includes a foreword by Philip Ryken and a section by section study guide **The Christian Faith Personally Given in a System of Doctrine** Olin Alfred Curtis, 1905

Authentic Christianity Gordon Silcox, 2013-12-05 Today in our world there is much to doubt confusion and misunderstanding by so many about what Christianity really is There are in spite of the naysayers those who really desire to know the truth about The Faith once delivered to the Saints It is obvious that the doubt confusion and lack of understanding have been created by many factors down through history A deepening apostasy among the churches has created many religions cults and practices that have produced a maze of confusion perplexity and uncertainty Yet the authentic Christian faith has not failed and is still alive and well Our Lord promised its perpetuity in the churches He would build This book sets forth the doctrines and practices in God's Word concerning Christianity and will help others seek the Truth about Biblical faith An excellent source for witnessing and training others to always have an answer **Welcome to the Christian Faith** Christopher L. Webber, 2011-10-01 A foundational volume for seekers in formation programs and a refresher study volume for individuals and congregational study groups We live in a world increasingly separated from the Christian tradition and the basic understanding of the faith that previous ages might have taken for granted The voices of faith seem increasingly strident and off putting to many There is a need for a calmer basic introduction to faith that recognizes the value of doubt and the questions raised in a secular society A systematic introduction to Christianity for newcomers needs to begin with a discussion of faith itself and then move on to a discussion of such Christian basics as God Trinity Church sin atonement prayer and Christian living Living for God Mark Jones, 2020-02-25 What difference should doctrine make on our day to day Christian life This book summarizes Christianity in 5 core truths the Trinity the Son of God the Spirit the church and heaven and hell to show how theology is intended to bring people closer to God Drawing from writers throughout church history particularly St Augustine Richard Baxter and C S Lewis this book summarizes the building blocks of pure Christianity and how they shape minds hearts and actions so readers can know simply and concisely what it means to live for God

Introducing Christianity James C. Howell, 2009-06-01 This introductory level book on Christianity looks clearly at what the church believed and taught throughout its history Hard questions about the Bible theology and the Christian life are dealt

with As author veteran scholar and pastor James Howell puts it Great hope rests in thinking through these questions In doing so he explores what it means to live as a Christian as part of the church community and also what it means to live with the hope Christian faith provides even for those who previously believed there was no hope Study questions for discussion are included
