Photoshop Elements For Photographers Bundle And Dvd:

Photoshop Elements 3 Book for Digital Photographers, Special Barnes and Noble Edition DVD Bundle Scott Kelby, 2004-10 When you bought your digital camera you were so excited to start using it that you didn't give much thought to the quality of the images you were capturing or what you'd do with them as they began amassing. But now with those images and your memories slipping toward chaos it's time to Photoshop. Elements provides the key. This special edition book/DVD combo shows you how to use Photoshop Elements 3 to regain control of your images and start editing them like the pros. In the book portion of the package, veteran author Scott Kelby offers full-color, graphically rich tutorial and project-based examples of every key step in the digital photography process. From experimenting with camera settings to capturing, editing, and outputting images, Scott divulges the tips and best practices that make the transition from traditional to digital photography a painless one. On the DVD portion of the package, Photoshop master Scott Kelby demonstrates all of Photoshop Elements 3's tool options and walks you through the program's most important features.
