John Patrick Cushion,1980 **Adobe Walls** T. Lindsay Baker,Billy R. Harrison,1986-04-04 In the spring of 1874 a handful of men and one women set out for the Texas Panhandle to seek their fortunes in the great buffalo hunt Moving south to follow the herds they intended to establish a trading post to serve the hunter or hide men At a place called Adobe Walls they dug blocks from the sod and built their center of operations After operating for only a few months the post was attacked one sultry June morning by angry members of several Plains Indian tribes whose physical and cultural survival depending on the great bison herd that were rapidly shrinking before the white men s guns Initially defeated that attacking Indians retreated But the defenders also retreated leaving the deserted post to be burned by Indians intent on erasing all traces of the white man s presence Nonetheless tracing did remain and in the ashes and dirt were buried minute details of the hide men s lives and the battle that so suddenly changed them A little more than a century later white men again dug into the sod at Adobe Walls The nineteenth century men dug for profits but the modern hunters sere looking for the natural time capsule inadvertently left by those earlier adventurers The authors of this book a historian and an archeologists have dug into the sod and into far flung archives to sift reality form the long romanticized story of Adobe Walls its residents and the Indians who so fiercely resented their presence The full story of Adobe Walls now tells us much about the life and work of the hide men about the dying of the Plains Indian culture and about the march of white commerce across the frontier *Ceramic Makers' Marks* Erica Gibson,2016-06-16 This book provides a catalogue of ceramic makers marks of British French German and American origin found in North American archaeological sites Consisting of nearly 350 marks from 112 different manufacturers from the mid 19th through early 20th century this catalog provides full information on the history of a mark and its variants as well as details about the manufacturer The indexes allow for searches by city country state graphic element mark type word and maker British Pottery Marks George Woolliscroft Rhead,1910 British Ceramic Marks Cushion, J. P. (John Patrick),1980 **Ceramics in the Victorian Era** Rachel Gotlieb,2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890 Largely ignored in recent scholarship *Ceramics in the Victorian Era Meanings and Metaphors in Painting and Literature* argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period Each case study

begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time Down by the Station Roberta S. Greenwood,1996-06-01 In 1933 the demolition of the thriving Los Angeles Chinatown for the construction of Union Station sealed the remains of this intact community 14 feet below the railroad tracks The planning and construction of the Metro Rail subway system five decades later included efforts to preserve and protect cultural resources in the area detailed in this volume The assemblage of excavated material objects reflects the import preparation and service of food recreation health practices the presence of women and children rubbish disposal practices and degree of participation in local social networks The unprecedented numbers and densities of artifacts illuminate aspects of lifeways not previously recorded revealing a rich picture of people and life in nineteenth and early twentieth century Los Angeles Intensive historical research oral history and laboratory analyses have been synthesized into a comprehensive reconstruction of a community that was isolated socially economically and geographically **Walford's Guide to reference material.** Albert John Walford,1995 Potters' View of Canada Elizabeth Collard,1983-10-01 The potters views of Canada have a many sided appeal linking the world of artists printmakers and photographers to the ceramics industry As part of material history they reflect not only taste in the wares themselves their bodies colours shapes but also the changing ways of looking at things from the romantic to the literal Covering the period for the beginning of the nineteenth century to the end of Queen Victoria s reign this volume focuses chiefly on wares made for the dinner table or the washstand All are earthenware decorated by transfer printing and produced by British potters The scenes they depict range from the awesome falls at Niagara to early steamboats on the St Lawrence from igloos in the Arctic to a governor s residence in New Brunswick Elizabeth Collard traces the evolution of these wares placing them in their historical setting and identifying the sources from which many of the views were derived She also provides much detail on the English and Scottish potters and on the artists whose work they adapted to their own use One of the most important collections of these wares belong to the National Museum of Man Ottawa and it is from the national collection that illustrations for this book have been drawn The more than 170 photographs also include such material as the published prints on which the potters views were based border designs and potters marks This book will be an invaluable reference work not only for collectors and dealers but also for museum curators and material culture historians **Walford's Concise Guide to Reference Material** Albert John Walford,1992 This is a shortened version of the three volume Walford s Guide to Reference Material 5th edition Volume 1 Science and Technology 1989 Volume 2 Social and historical sciences philosophy and religion 1990 and Volume 3 Generalia language and literature the arts 1991 There are
