Police Probation And Protecting The Public:

Politics and Public Protection Mike Nash, Andy Williams, 2024-11-25 Responding to the need for an updated discussion on public protection and criminal justice legislation that links the past to the present Politics and Public Protection closely examines the interplay between politics and extreme criminal justice measures

Handbook of Public Protection Mike Nash, Andy Williams, 2010-09-27 Public protection has become an increasingly central theme in the work of the criminal justice agencies in many parts of the world in recent years Its high public profile and consequent political sensitivity means that growing numbers of criminal justice professionals find their daily work load dominated by the assessment and management of high risk of harm offenders Developments such as sex offender registers and in the UK Multi Agency Public Protection Arrangements MAPPA have made this issue not only a core activity for police probation and prison services but to a range of other organizations as well in particular social work and the health services Partnership has become central to the concept of public protection At the same time the concept of public protection has occasioned increased political debate Protecting the public from high risk or dangerous offenders has become an international issue and has increasingly shaped criminal justice policy This text brings together leading authorities in the field providing authoritative coverage of the theory and practice of public protection both in the UK and internationally It provides a critical review of contemporary public protection practice as well as up to date research and thinking in the field

Sex Offenders in the Community Amanda Matravers, 2013-10-18 This book explores current criminal justice responses to the management of individuals who are convicted of sexual offences It aims to help policy makers practitioners and students to develop an informed position on this complex and increasingly controversial issue Although the focus is primarily upon the UK context contributions from North America USA and Canada provide an important comparative perspective

A Five Year Strategy for Protecting the Public and Reducing Re-offending Great Britain: Home Office, 2006-02-09 This document sets out the Government's five year strategy to reform the criminal justice system in England and Wales in relation to the management of offenders focusing on measures to address the factors involved in patterns of reoffending Proposals include improved integration of prison and probation service roles under the National Offender Management Service the introduction of going straight contracts for offenders setting out a clear set of incentives and sanctions the creation of a single community order to replace existing communities penalties with a mix of 12 different requirements including unpaid community work as a community payback a new estates strategy for adult prisons with a plan for community prisons to be unveiled in Spring 2006 extended use of conditional cautions with variable fines based on ability to pay a new indeterminate sentence for public protection to ensure dangerous offenders do not get parole the introduction

of a commissioning system that ensures the separation of those who buy services from service providers and legislation to turn probation boards into trusts

Student Handbook of Criminal Justice and Criminology John Muncie, 2013-02 It discusses crime and criminology in relation to the media race Islam gender and politics and considers all the relevant theoretical debates that dominate criminology Chapters on the police courts probation and prisons are included along with more theoretical chapters regarding crime prevention youth justice and restorative and informal justice The Handbook also includes comparative materials and international criminal courts

Protecting the Public? Tessa Boyd-Caine, 2012 The separation of powers and independent judicial decision making are generally accepted as hallmarks of the rule of law in democratic societies Yet the exercise of executive discretion remains an important aspect of criminal justice in many areas Protecting the Public explores the tension between the rights of individuals detained under criminal and mental health law and the responsibility for public protection in the little known world of executive discretion over mentally disordered offenders It is based on extensive and unique empirical research conducted at the UK Home Office with legal and clinical practitioners with civil society organisations and by reference to comparative jurisdictions Central questions considered include executive judicial and tribunal decision making mental health and criminal law reform regarding serious or high risk offenders the influence of human rights law on policy and practice and the role of civil society particularly victim interest groups in public policy Through its analysis of decisions to release high risk offenders this book goes to the heart of the public protection agenda examining how the public is constructed and what protection is provided by the exercise of executive discretion This book will be of interest to academic and other researchers students policy makers law reformers commentators and anyone interested in the field of criminal justice mental health law and public policy

Responding to Sexual Offending K. McCartan, 2014-10-05 This collection brings together international contributors from multiple disciplines to discuss the current public social and governmental understandings and responses to sexual violence Exploring issues such as how to manage sex offenders the volume provides recommendations for how to reduce offending and improve community engagement

Risk and rehabilitation Pycroft, Aaron, Clift, Suzie, 2013-10-16 Substance misuse including alcohol and mental health problems constitute a significant proportion of the work carried out in the criminal justice system Approaches to these often intractable problems have seen the rise of a dominant risk paradigm concerned with public protection and the use of coercion through court orders to access treatment This original and valuable book considers notions of risk and rehabilitation in detail within the practice of those court orders whilst contextualising them within a wider comparative literature and research base The efficacy of these approaches practice issues and innovations including for example therapeutic jurisprudence are analysed Risk and rehabilitation also includes discussions of the implications for partnership working and the importance of reconfiguring the nature of rehabilitative relationships This is a timely book as probation practice in the UK and elsewhere moves into a post what works era providing opportunities to review the evidence

base for effective interventions Policy Networks in Criminal Justice M. Ryan,S. Savage,D. Wall,2001-09-05 Policy Networks in Criminal Justice is a comprehensive and challenging collection of studies on the workings of pressure groups in criminal justice and the articulation of pressure group politics and criminal justice policymaking Against a back cloth of policy networks theory the authors examine the role and activities of professional associations in the areas of policing probation law and the courts together with campaigning groups such as those in the areas of penal reform civil liberties and victims In addition the book includes a study of the growing role of local authorities in the world of criminal justice

Addressing Offending Behaviour Simon Green,Elizabeth Lancaster,Simon Feasey,2013-05-13 Offending behaviour is one of the most talked about issues in contemporary society What can be done to stop people reoffending What can be done to help people escape their criminal lifestyles This book aims to review and analyse the different ways in which these questions are addressed in practice drawing upon the expertise of academics and practitioners The book provides a critical reference text for practitioners students and researchers interested in devising the most effective means of addressing offending behaviour Its focus is on the actual work undertaken with offenders and draws upon generic issues of practice applicable across the voluntary community and statutory sectors Addressing Offending Behaviour aims to bridge the gap between practice and research It explores a wide range of innovative techniques for offender intervention along with some of the most challenging academic theories It also considers the wider social political and legal context in which this work takes place and explores the values and bias which operate at both individual and institutional levels It will be key reading for both students and practitioners involved in the fields of criminology and criminal justice law policing probation prisons youth justice and social work *Hard Cop, Soft Cop* Roger Hopkins Burke,2013-01-11 Spanning policing from zero tolerance to softer approaches this book explores the dilemmas and moral ambiguities inherent in the tensions between different policing approaches
