**Quiet, Please!** Brea Brown, Librarian Kendall Dickinson is overdue for a do over Unfortunately she s clueless about who she really is or who she even wants to be One thing she s certain about she doesn t want anyone to know she s back in her small hometown in North Carolina because she failed miserably at her first grown up job and relationship When she s offered a job as a school librarian surrounded by two of her least favorite things kids and noise she reasons well how hard can it be She s about to find out In addition to a precocious feline obsessed kindergartner a walking jukebox of a music teacher a birdbrained principal a sardonic secretary and a fourth grade teacher who missed her calling as a prison warden the cast of characters at Whitehall Elementary includes a cocky teacher who knows exactly who he is and what he wants from life Which isn t this but family obligations keep him stuck in his second choice career The last thing Kendall needs is a bored man to screw things up for her again but he s a page turner she just can t put down If only she could sort out her feelings and priorities Kendall might be able to discover the person she s meant to be All she needs is a little quiet please **Will You**
