Quiet Room Poetry Of Zen Master Jakushitsu:

Quiet Room Arthur Braverman, 2015-12-08 Quiet Room is a collection of Zen poetry by 14th century Zen master Jakushitsu widely considered to be one of the finest poets of the genre The poetry of Rinzai Zen master Jakushitsu remains as fresh and resonant today as when it was written centuries ago Now his brilliant poignant zen poetry carefully translated by Zen practitioner Arthur Braverman is available in English for poetry and Zen enthusiasts to read and savor This the most complete selection of Jakushitsu s work is also put into context by Braverman with thoughtful excerpts from Buddhist scripture and other relevant sources Here we see the full scope of Jakushitsu s timeless thinking and along the way gain a greater understanding of Japanese Zen practice the culture of traditional Japan and of ourselves **The Grass Flute Zen**

Master: Sodo Yokoyama Arthur Braverman, 2017-01-01 What motivated Sodo san to spend the last twenty years of his life in a temple under the sky a corner of a public park where he taught passersby what it means to be forever young through the funky tunes he played on his grass flute In *The Grass Flute Zen Master Sodo Yokoyama* we are seeking not only a truer understanding of this well loved monk but of zazen Zen meditation itself In his search for insights into Sodo Yokoyama s life Arthur Braverman skillfully weaves a tapestry from seemingly disparate threads the brief taisho period into which Sodo san was born and where individualism shone his teachers both ancient and contemporary practitioners of Zen Buddhism the monk s love of baseball and the similarities Braverman finds between Sodo san and Walt Whitman who both found the universal in nature Through conversations with Joko Shibata Yokoyama s sole disciple and careful study of his teacher s poetry an intriguing tension between the personal and the universal is revealed *The Grass Flute Zen Master* is a meditative examination not of just one life but of many The lineage of teacher and prote ge is traced back through generations contemporaries are drawn up from unexpected places and Braverman examines his own long journey in Zen Buddhism confronting his own expectations and surprising disappointments the monk lived in a boarding house and later took a cab to his park when he could no longer walk the whole way and the understanding and acceptance that followed When you play the leaf Sodo san once wrote you ll usually be a little out of tune That s where its very charm lies Discovering the True Self

Kodo Sawaki, 2020-10-20 In easy to understand language a 20th century Zen master explains profound teachings from Zen Buddhism offering an essential resource for anyone interested in Zen meditation You can t see your true Self But you can become it Becoming your true Self is zazen Having come of age as an orphan in the slums of Tsu City Japan Kodo Sawaki had to fight his way to adulthood and became one of the most respected Zen masters of the 20th century He had a great understanding of Dogen Zenji s teaching and he knew how to express Dogen s philosophy in clear easily understood language Sawaki s primary mission was to bring all people to an awareness of the Self which he believed came through Zen meditation His humor and straightforward talk garnered Sawaki followers from all walks of life Though he remained poor by choice he was rich in spirit Two of his students who became known in America as well as in Japan were Kosho Uchiyama abbot of

Antaiji Temple and author of *Opening The Hand of Thought* and Gudo Nishijima Zen teacher and translator of Dogen's *Shobogenzo*. A student of Kosho Uchiyama, Arthur Braverman has compiled an anthology of Sawaki's writings and a garland of sayings gathered from throughout his lifetime. One of a few collections of Sawaki's teachings published in English, his life and work bracket the most intriguing and influential period of modern Zen practice in Japan and America.

Storehouse of Treasures Nelson Foster, 2024-09-10. *Storehouse of Treasures* unearths wise and beautiful elements of Chan and Zen still little known in the West, revealing unexpected aspects of the tradition and new implications for practice. Since the dawn of Chan and Zen in medieval China and Japan, members of these schools have enlivened their teaching by creatively adopting and adapting terms, images, principles, poetry, and lore native to their societies. Unfortunately, so much of that cultural wealth has been lost in translation that Western practitioners have barely begun to discover and appreciate this extraordinarily rich legacy. In *Storehouse of Treasures*, second-generation American Zen teacher Nelson Foster makes a series of adventuresome forays into the trove of material laid up by the Dharma ancestors, bringing to light Masters' delight in playing with words, stories, and inherited Buddhist concepts, bending them to express the Dharma in inspired ways. The powerful influence that Taoist and Confucian thought exerted in the formation of Chan and Zen, the emphasis the two schools have laid on excellence of character as well as on profound awakening, the experiential meaning and enduring importance to the tradition of ideals little associated with it today like integrity, shame, and contentment—how knowing the tune of a fellow student, a mentor, or a teacher of old lies at the heart of transmitting the Dharma—lifting to attention a diverse set of ancient yet still luminous Dharma gems—Foster urges their relevance and value to us as students of the Buddha Way and as citizens of a world increasingly fractious and imperiled.
