Goossen,Anindo Hazra,2014-10-23 This anthology of literary and dramatic works introduces writers from across Asia and the Asian diaspora The landscapes and time periods it describes are rich and varied a fishing village on the Padma River in Bangladesh in the early twentieth century the slums of prewar Tokyo Indonesia during the anti leftist purge of the 1960s and contemporary Tibet Even more varied are the voices these works bring to life which serve as testimony to the lives of those adversely impacted by poverty rapid social change political suppression and armed conflict In the end the works in this anthology convey an attitude of spiritual and communal survival and even of hope This anthology presents the complex dynamic between a diversity of Asian lives and the universalized concept of the individual human entitled to clearly specified rights It also asks us to think about what standards of analysis we should employ when considering a historical period in which universal human rights and civil liberties are considered secondary to the collective good as has so often been the case when nation states are undergoing revolutionary change waging war or championing so called Asian values This book's use of the term Global Asia reflects an interest in rethinking Asia as more than an area determined by national borders and geography Rather this book portrays it as a space of movement and fluidity where societies and individuals respond not only to their local frames of reference but also to broader ideas and ideals Many of the works anthologized here are the subject of scholarly analysis in the companion volume **Human Rights and the Arts Perspectives on Global Asia** also published by Lexington Books **Demented Souls Collection Books 9-12** Melissa Stevens, Not just another motorcycle club the Demented Souls have secrets Secrets that could cost them their lives This volume contains Lurch Maverick Ghost Bubba Lurch Lurch has come to Gillette to help his president keep the ranch he's inherited He never counted on what he would find while he was there Kerry has been in Gillette for more than five years She came for school but stayed Life on her family's farm in southern Wyoming held no appeal to her She was getting by waiting tables until she found something more exciting Who would have guessed that more exciting would be a tattooed biker sitting at her next table Lurch had a lot on his plate Learning a new job dealing with managing men who d

never seen him as a leader then he met Kerry and something about her called to him Still he was here for a reason and it wasn't to chase a local girl The Souls were counting on him But could he have both Find out if Kerry can handle all that being associated with the Demented Souls means or if she will flee to keep her heart intact Maverick Maverick is back in town after a two year undercover assignment and he just wants to get settled back into his life and club A lot of things have changed New men new chapters new rules around the clubhouse There are women managing the clubhouse and first rattle out of the box he insults his Vice President's woman by propositioning her How does one apologize for something like that He's got a lot of figuring out to do now that he's home Dana likes her life She loves her little chocolate shop and is content with her life Until a strange man seems to step out of the fog after a fender bender She was about to ask who he was when he disappeared just as fast Haunted by the memory of the mystery man she wonders if she'll ever see him again not likely in a city the size of Tucson or is it Bubba Time heals all wounds or does it Ten years after her father convinced Bubba that Sissy Metcalf was destined for bigger things than the poor boy from the wrong side of town she calls out of the blue She needs help and didn't know who else to call Determined to get herself out of a bad situation Sissy broke up with the man her father picked out When his response was to leave her bloody and broke on the floor she knew she had to do something drastic The only person she knows willing to stand up to her daddy is Bubba But she hasn't heard from him since he left for the military But has it been too long What if he's moved on and forgotten the first girl who loved him With her safety and possibly her life on the line Sissy makes the call she's wanted to make for years But does time really heal all wounds Ghost Unless you consider peace for his brothers and their women good enough Forced to leave his brothers behind Ghost calls on an old partner to cover his back But when danger comes from an avenue no one saw coming is there anyone who can protect him Robyn is surviving She's getting by working a dead end job in the middle of nowhere North Dakota with no end in sight While not miserable she knows there's more out there But does she have what it takes to walk away from everything she knows and grab chance by the tail Are Robyn and Ghost willing to look past the surface to find happiness or will fear and doubt make them both wonder what if forever
