One Life's Journey Leanne Harshbarger, 2016-12-06 One Life's Journey by Leanne Harshbarger The poetry in *One Life's Journey* was penned based on the life and worldly travels of the author As a young college graduate she decided to travel to France for a year expanding her education while experiencing European culture at the young age of twenty three Upon her return and envisioning such differences between European and United States cultures these adventures struck a spark in her to begin writing about her experiences Within a couple of years though a major change in her career forced her to reconsider her path in life A period of time developed in her early 30s in which she went through many troubling times from a career perspective as well as broken relationships During this period her visions about dreams love relationships and life in general troubled her greatly Her writings became more advanced and touched on the reality of what the author was experiencing along with other people struggling with the same issues The author wrote the poems in *One Life's Journey* because they applied to her personally during portions of her life The poems are based on what happens as we go through life real love sometimes lost real relationships sometimes broken how we dream what could be and a family most people hope they have The author created a special section called What beholds Us She believed we as inhabitants of this great planet called Earth don't take into consideration the beauty that surrounds us what keeps us what holds us Our daily lives cause us to not stop take a moment and smell the roses Her poems in this section

ask her readers to just stop a second and look at the beauty that surrounds us all **The Crucified Life** A.W.

day of your life How are you sustaining your joy amidst the stresses and burdens of life Do you choose to allow those things to steal your joy and take control over you or do you declare every day that whatever you encounter in your daily activities in life will remain in perfect peace Discover how you can unravel the truth on how to live and sustain your joy in spite of the common realities of life economically financially socially psychologically emotionally and psychically The truth will make you free from these issues and any other problems you may be experiencing either minor or major The truth has power to cause a dynamic change in your life by providing you with a renewed and higher way of thinking that causes you to have an increase in inner peace inner joy and enable you to live a fulfilled life on earth *Philosophy of the Earlier Stoics* Diogenes of Babylon, Panaetius, Posidonius, 2016-10-27 In the past you could read works of late Stoics such as Epictetus and Marcus Aurelius who wrote about how to live a good life Now you can also read works of early and middle Stoics such as Diogenes of Babylon Panaetius and Posidonius who wrote about philosophical questions such as the nature of the universe and the basis of knowledge as well as about the good life About this Series In the past you had to learn about most Hellenistic philosophers by reading descriptions of their doctrines Imagine if you could not read the works of Plato or William James and could only read descriptions of their doctrines You would have no sense of their intellects or of their personalities Yet the works of many Hellenistic philosophers have always been hidden in plain sight quoted in the dialogs of Cicero where they have been accessible to a handful of classical scholars who were willing to search for the sources of the dialogs and to wade through all the extraneous material that Cicero added This series the Rediscovered Philosophers disentangles the philosophers works from the dialogs making these works accessible to a wider audience for the first time It includes three books *Philosophy of the Stoics* *Philosophy of the Skeptical Academy* and *Philosophy of the Syncretic Academy* *Life is too short* L.S.
