Quitting The Mob:

Quitting the Mob Michael Franzese, Dary Matera, 1992 A former member of the Colombo crime family describes life in the Mafia and his deal with the government that allowed him openly to leave the Mafia **QUITTING THE MOB; BY... & DARY MATERA.** Michael Franzese, 1992 Quitting the Mob Michael Franzese, Dary Matera, 1993-02-01 A former Mafia boss who once had earned millions of dollars each week tells of his life in the Colombo crime family and describes how he managed to escape the Mafia and live to write about it Reprint **Quitting the Mob** Michael Franzese, 1993-11-01

Breakshot Kenny Gallo, Matthew Randazzo V, Matthew Randazzo, 2010-11-30 Gallo made millions for New York's Colombo Mafia family before becoming an undercover FBI informant In Breakshot he captures the American underworld in all its tawdry spectacle **Blood Covenant** Michael Franzese, 2009-10-28 Mob boss Michael Franzese had it all money power prestige From the time he took a blood oath that bound him body and soul to New York's Colombo crime family Franzese became a force to be reckoned with in organized crime Named by Vanity Fair as one of the biggest moneymakers in the mob since Al Capone he quickly crept into the upper echelon of Mafia authority in this country By the age of thirty five he was the youngest mobster listed on Fortune magazine's survey of the fifty most wealthy and powerful Mafia bosses in America Then he did the unthinkable he quit the mob Today Michael is a Christian finding his own Damascus Road that began with his wife Camille The story of his conversion is a testament of God's willingness to reach into the heart of any man regardless of their past or the present condition of their lives In one of the most fascinating books ever written about today's Mafia Michael reveals the answers to the many mysteries surrounding his incredible life Find out how and why he did what no one else managed to do and live Journey with Michael through a life defined by two blood covenants The first bound him to the mob The second set him free *Spy*, 1992-03 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump *Five Families* Selwyn Raab, 2016-10-04 This extensively researched account of the fabled New York mob figures provides the most comprehensive history of the city's criminal empires that have intimidated killed and fleeced Americans and confounded law enforcement for over 100 years Blood Covenant Michael Franzese, 2018-04-10 The story of the Mafia Prince who publicly quit the mob and lived Cover **The Upperworld and the Underworld** Robert J. Kelly, 2012-12-06 From Damon Runyan's colorful tough guys in black shirts and white ties to recent media coverage of John Gotti the dapper don public depictions of racketeers in the United States have drawn attention away from the true nature of organized crime and its extensive penetrations into mainstream business *The Upperworld and the Underworld Case Studies of Racketeering and Business Infiltrations in the United States* strips away the romantic patina and reveals the significant

impact of racketeering on vital segments of American industry In this informative study Robert Kelly explores two fundamental questions Why is organized crime a serious problem in some businesses and industries and not in others and What are the consequences of racketeering activities for labor organizations and businesses tainted by a criminal presence He examines the blurred demarcation between the legitimate and illegitimate sectors of society and explains the reasons for this occurrence In the process Kelly provides a distinct vantage point for understanding organized crime not just as an outlaw fringe preying on society but as a disturbingly integral element of our social and economic structure Moreover he confirms a widely held thesis that organized crime is not merely parasitic but an institutional component of American society The Upperworld and the Underworld affords a fascinating view of the current state of organized crime in the United States and the rise of nontraditional criminal organizations in new immigrant communities The volume is an essential resource for students and scholars concerned with issues of crime and its effects on the economy

Around Quitting Time Robert Seguin, 2001-06-20 Posits social class as the American political unconscious showing in an analysis of 19th and 20th century novels how class exerts pressure on the American cultural imagination and claiming that what is desired is ultimately the liberation from work

Organized Crime in Our Times Jay S. Albanese, 2010-04-07 This book provides a synthesis of significant developments in the nature history theories understanding and prevention of organized crime together with the criminal justice response It reports on important convictions of organized crime figures new transnational links new attention to human smuggling Internet crimes and other modern manifestations of organized criminal activity This edition includes new tables and figures including Organized Crime at the Movies boxes that tie to relevant content in the text and a glossary

Pay, Quit, or Die Don Herion, 2008-03-31 Organized crime the Mafia or the Outfit as it is known in Chicago is surrounded by a false glamour that elevates mobsters to the level of swashbuckling folk heroes whose ready violence and savage murders are too often excused in the public mind as acceptable because they only hurt each other Similarly illegal gambling the bread and butter racket inevitably combined with loan sharking and extortion is widely tolerated because it is perceived to be a victimless crime Donald H Herion a US Army veteran during the Korean War who grew up in a neighborhood where there was a bookmaker on every corner sometimes two or three learned just how wrong all that was when he returned home from the Army and joined the Chicago Police Department He wasn't sure that he was doing the right thing at the time because he really never liked cops but if he didn't like it he could always quit he thought After six years learning the ropes in the patrol division collaring burglars and stick up men chasing daredevil drivers calming adversaries in domestic disputes and riding herd on drunks and dope dealers he was promoted to plainclothes as a vice cop investigating illegal gambling narcotics prostitution and gang bangers He quickly learned that chasing bookmakers and busting up wire rooms was a fight against organized crime Illegal gambling was organized crime's biggest money maker the Golden Calf that financed most of its other illicit activities ranging from stock and bankruptcy swindles to the narcotics trade Herion and his partner were transferred to

the Vice Control Section of the Organized Crime Division at police headquarters at 1121 S State Street He now had jurisdiction to make raids anywhere in the City of Chicago instead of only in his district He was promoted to detective then sergeant he rubbed shoulders with degenerate gamblers bookmakers prostitutes and stone cold killers while witnessing first hand how gambling destroys lives He broke up more than 4 000 gambling operations arrested hundreds of mob controlled bookmakers and other racketeers Herion also had the pleasure of busting up the mob s biggest floating crap game eight times costing the crime syndicate millions of dollars To accomplish this it was necessary for him to work on his own time as well as city time The mob moved the game into the suburbs which was out of his jurisdiction so Herion worked with Chicago Tribune crime reporter Bob Wiedrich to get the job done The crap game took every precaution necessary to keep from being discovered Lookouts with walkie talkies roved the area where the game was held to warn the operators of the game of any police in the area One suburb had a local police lieutenant and sergeant as lookouts the lieutenant who became aware of there presence in the area stuck his gun in their face wanting to know who they were Herion had used his own car to conduct a surveillance hoped that the lieutenant didn t check his license number When the reporter explained to the lieutenant that they were watching a crime syndicate crap game going on in a building down the street and would he like to accompany them on a raid the lieutenant at this point made an excuse and left the area This of course caused some heat but the reporter had already had his story about the game which made headlines in the Chicago Tribune the next day On another occasion the game began again and was next to a railroad track in another suburban building in Melrose Park a suburb west of Chicago There was only one road in and out lookouts with walkie talkies were posted everywhere in the area Herion had his son Don print a sign on plasterboard 4 by 6 with large letters in red paint CRAP GAME operated by Mob Boss JACKIE CERONE with an arrow pointing to where the game was being held Herion nailed the sign on a telephone pole on the road leading to the game Wi
