## **Rabin And Israel's National Security:**

**Rabin and Israel's National Security** Efraim Inbar, 1999-06-17 For more than forty years Yitzhak Rabin played a critical role in shaping Israeli national security policy and military doctrine He began as a soldier in the Palmach the elite underground unit of the Jewish community in Palestine served in the 1948 War of Independence and ultimately became chief of staff of the Israel Defense Force IDF defense minister in several governments ambassador to the United States and twice prime minister As chief of staff Rabin led the IDF to its triumph in the 1967 Six Day War He was assassinated in 1995 as prime minister as he left a peace rally Drawing on unpublished materials and interviews with important sources including Rabin himself Efraim Inbar's work offers a systematic study of Rabin's strategic thinking and his policies Topics include the evolution of Rabin's thinking his contributions to IDF military buildup his stress on Israel's relationship to the United States his attitudes toward the use of force and his approach to Israel's nuclear status in the Middle East Inbar's conclusion evaluates Rabin's contribution to Israel's national security and assesses Rabin's personal transition from warrior to peace maker Because of Rabin's crucial role in Israel's defense establishment at important junctures in its history this book provides an important view into the security challenges Israel has faced and how the country has responded over four decades

**Israel's National Security** Efraim Inbar, 2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973

**The Evolution of Israel's National Security Doctrine** Ratnadeep Chakraborty, 2024-08-17 The Transformation of Israel's National Security Doctrine From Ben Gurion to Netanyahu explores the evolution of Israel's security strategies from its founding to the present It traces the principles of David Ben Gurion and examines how different leaders adapted these ideas to meet changing regional threats With insights from security documents and expert perspectives the book highlights the interplay of military might strategic planning and political credibility making it an essential resource for those interested in Middle Eastern dynamics Featuring thorough examinations of key security documents and perspectives from specialists this publication reveals the lasting and adaptive approaches that characterize Israel's national security framework By illuminating the delicate interplay between military strength strategic foresight and political credibility this work offers a thorough understanding of the various elements influencing Israel's security doctrine It serves as a critical resource for academics decision makers and anyone keen on understanding the dynamics of the Middle East

*Israel: National Security and Securitization* Ori Wertman, Christian Kaunert, 2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence

since the United States is Israel's most significant ally it is essential for the Israeli leadership to gain the American government's support or its lack of resistance for almost any securitization acts. The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons. Through unparalleled access to Israel's political and security echelons, Israel National Security and Securitization provides a unique overview of Israel's decision maker's political perception over the years. Ehud Olmert, Prime Minister of Israel 2006-2009, Israel National Security and Securitization provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process. Amos Yadlin, IDF Military Intelligence Directorate Chief 2006-2010. This book makes us understand securitization in a novel and enlightening way, thus making a substantial contribution to our understanding of national security in general and Israeli security in particular. Gabriel Ben Dor, University of Haifa. Wertman and Kaunert's book makes an important and unique contribution to the existing and developing literature on securitization. Kobi Michael, Institute for National Security Studies. Israel's National Security Towards the 21st Century, Uri Bar-Joseph, 2014-09-19. This volume discusses three principal issues: the Israeli army and the Revolution of Military Affairs (RMA), Israel's present and future answers to the threats of weapons of mass destruction (WMD) and the impact of societal, political and technological changes on Israel's future war objectives. Israel's National Security Law, Amichai Cohen, Stuart Cohen, 2012. This book analyses both the substance of Israel's National security law and the dynamics of its historical development. It examines the normative principles upon which Israel's national security law is based, institutional arrangements for the formulation and protection of national security law and the style in which Israeli national security law is formulated. **Israeli Politics and the Middle East Peace Process, 1988-2002**, Hassan A. Barari, 2004-07-31. The book is a fresh interpretation of Israeli foreign policy vis-à-vis the peace process, one that deems domestic political factors as the key to explain the shift within Israel from war to peace. The main assumption is that peacemaking that entails territorial compromise is an issue that can only be completely comprehended by understanding the interaction of domestic factors such as inter-party politics, ideology, personality and the politics of coalition. Although the bulk of the book focuses on how internal inputs informed the peace process, the book takes into account the external factors and how they impacted on the internal constellation of political forces in Israel. **Israel's National Security**, Efraim Inbar, 2007-12-21. This volume presents a comprehensive analysis of Israel's security challenges since the 1973 October War. Efraim Inbar takes the reader on a historical journey through Israel's relations in the Middle East that begins with an analysis of Israel's strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge. Israel's National Security delves not only into Israel's responses but also its relationships in the international community, providing a complete picture of how Israel's strategic environment has evolved over time. Relevant to today's current political atmosphere, the volume dissects the influences of the growing appeal

of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel's relations with the Palestinians      **Israel's Security Networks** Gabriel Sheffer, Oren Barak, 2013-06-28 Provides a fresh perspective on Israeli civil security relations and politics introducing the concept of informal security networks in the area of national security

**The Political Psychology of Israeli Prime Ministers** Yael S. Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place

**Arab-Israeli Conflict** Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat      Yitzhak Rabin and Israeli

National Security , 1996      **Israeli National Security Policy** Bernard Reich, Gershon R. Kieval, 1988 What sets this book apart is its focus not simply upon the twin strategic imperatives underlying Israeli security policy but also its attention to the interplay amongst the key domestic actors involved in formulating Israeli attitudes concerning national security It provides the reader with enhanced understanding of the actors involved in the decisional process without losing sight of the ever present security imperative It is must reading for any student of Israel and the Middle East Middle East Focus As Israel continues to struggle for survival in the hostile political environment of the Middle East it is increasingly threatened from within by deep divisions on key foreign policy issues particularly relations with the Arab world and the crisis in Lebanon This book focuses on Israel's foreign policy conflicts and examines the perspectives of the competing factions parties and

alignments that are in conflict over these vital issues Written by a group of specialists with in depth knowledge of Israeli government and political life it provides a clear analysis and composite picture of the forces and actors that have shaped Israel s national security policy in recent decades Israeli National Security Charles David Freilich,2018 The most comprehensive study to date of Israel s national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published **US Foreign Policy Towards the Middle East** Bernd Kaussler,Glenn P. Hastedt,2017-03-16 offers a realist critique of US foreign policy in the Middle East since 2003 Glenn Hastedt is a leading US scholar with 18 books published US foreign policy is widely studied will be of much interest to students of US foreign policy Middle Eastern politics security studies and IR **Be Strong and of Good Courage** Dennis Ross,David Makovsky,2019-09-03 Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation now Israel needs their example more than ever Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation Now Israel needs their example more than ever At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country s future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country s existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle **Israel, Strategic Culture and the Conflict with Hamas** Niccolò Petrelli,2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014 It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between 1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength By relying on a synthesis of primary sources interviews memoirs scholarly and professional military studies and information gathered from the media the study delivers a careful and comprehensive analysis of the conflict It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada the Oslo Peace Process the al Aqsa Intifada and the Gaza wars Finally the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though

marked by successes and failures ultimately proved effective against Hamas This book will be of much interest to students of strategic studies Middle Eastern politics counter insurgency counter terrorism and security studies in general *Co-opting the PLO* Peter Ezra Weinberger,2006-01-01 Co opting the PLO analyzes the Oslo Accords the interim self government agreements signed between the government of Israel and the Palestine Liberation Organization using a theoretical framework based on the work of Gilles Deleuze and Michael Hardt Guided by these theoretical insights Weinberger puts forth an innovative and provocative argument about Israel s simultaneous empowerment and disempowerment of its Palestinian partners in peace **Turkish Foreign Policy** Philip Robins,1999 **Arab Perceptions of Turkey and Its Alignment with Israel** Ofra Bengio,Gencer Özcan,2001
