Raccoon John Smith Frontier Kentuckys Most Famous Preacher:

Raccoon John Smith John Sparks, 2005-12-23 Lexington Kentucky has the honor of being the birthplace of one of the first genuinely homegrown American Christian faiths the Disciples of Christ Established in 1832 by the union of two Christian groups led by Alexander Campbell and Barton W Stone their descendent churches are now referred to by religious scholars as the Stone Campbell movement In the state s best tradition this historic movement soon acquired its own larger than life legend Raccoon John Smith the flamboyant frontier preacher of the southern Kentucky mountains Smith moved to the lowland Bluegrass and braved considerable odds to preach and establish the self described pure nondenominational Christianity of Stone and Campbell throughout the state and beyond The 1832 union of Stone and Campbell s churches was in fact formalized not by Stone and Campbell but by Stone together with Smith who represented Campbell s constituency in Kentucky Raccoon John Smith occupies a well deserved place both in Kentucky and Stone Campbell history All previous biographical studies have been colored by the religious faith he embraced and the legends that evolved around him however rather than giving an accurate account of Smith s life In Raccoon John Smith Elder John Sparks fills this void in the literature about Smith using historical sources to present a faithful portrait of a seminal frontier preacher and colorful figure in early Kentucky history

A New History of Kentucky James C. Klotter, Craig Thompson Friend, 2018-11-26 When originally published A New History of Kentucky provided a comprehensive study of the Commonwealth bringing it to life by revealing the many faces deep traditions and historical milestones of the state With new discoveries and findings the narrative continues to evolve and so does the telling of Kentucky s rich history In this second edition authors James C Klotter and Craig Thompson Friend provide significantly revised content with updated material on gender politics African American history and cultural history This wide ranging volume includes a full overview of the state and its economic educational environmental racial and religious histories At its essence Kentucky s story is about its people not just the notable and prominent figures but also lesser known and sometimes overlooked personalities The human spirit unfolds through the lives of individuals such as Shawnee peace chief Nonhelema Hokolesqua and suffrage leader Madge Breckinridge early land promoter John Filson author Wendell Berry and Iwo Jima flag raiser Private Franklin Sousley They lived on a landscape defined by its topography as much as its political boundaries from Appalachia in the east to the Jackson Purchase in the west and from the Walker Line that forms the Commonwealth s southern boundary to the Ohio River that shapes its northern boundary Along the journey are traces of Kentucky s past its literary and musical traditions its state level and national political leadership and its basketball and bourbon Yet this volume also faces forthrightly the Commonwealth s blemishes the displacement of Native Americans African American enslavement the legacy of violence and failures to address poverty and poor health A New History of Kentucky ranges throughout all parts of the Commonwealth to explore its special meaning to those who have called it home It is a broadly interpretive all encompassing narrative that tells Kentucky s complex extensive and ever

changing story A Mere Kentucky of a Place Keith Harper, 2023-09-29 As the story goes an itinerant preacher once visited the Bluegrass region and proclaimed heaven to be a mere Kentucky of a place The Commonwealth's first Baptists certainly thought so as they began settling the region a decade before statehood By 1785 a group of pioneering preachers formed the Elkhorn Association widely regarded as the oldest Baptist association west of the Alleghenies Often portrayed in the historiography as the vanguard of a new frontier democracy the Elkhorn Association on closer inspection reveals itself to be far more complex In *A Mere Kentucky of a Place* Keith Harper argues that the association's Baptist ministers were neither full fledged frontier egalitarians nor radical religionists but simply a people in transition These ministers formed their identities in the crucible of the early national period challenged by competing impulses including their religious convictions Jeffersonian Republicanism and a rigid honor code with mixed results With a keen eye for human interest Harper brings familiar historical figures such as John Gano and Elijah Craig to life as he analyzes leadership in the Elkhorn Association during the early republic Mining the wealth of documents left by the association Harper details the self aware struggle of these leaders to achieve economic wealth status and full social and cultural acceptance demonstrating that the Elkhorn Association holds a unique place in the story of Baptists in the New Eden of Kentucky Ideal for course adoption in religious studies and students of Kentucky history this readable work is sure to become a standard source on the history of religion on the Kentucky frontier *Women at Fort Boonesborough, 1775-1784* Harry G. Enoch, Anne Crabb, 2014-09-14 Fort

Boonesborough is one of Kentucky's most historic places and although seldom mentioned in popular accounts women were there from the very beginning This work includes 195 women whose presence at the fort can be reasonably documented by historical evidence The time period was limited to the years between 1775 when the fort was established and 1784 when the threat of Indian attack at Boonesborough had subsided and the fort's stockade walls had been taken down The names of the female children these pioneer women brought to the fort are also included as they shared the risks and hardships of frontier life The work includes a Historical Sketch describing the women's experiences at the fort and a Biographical Section that gives a brief personal history of each woman 174 pp illus indexed paper Dictionary of Southern Appalachian English Michael B. Crossroads Ted Olson, 2007-01-15 C 1 GIFT BY NANCY MCLENDON IN MEMORY OF ELIZAH COLEMAN GLOVER 2 07 2008 20 00 **Bloody Breathitt** T.R.C. Hutton, 2013-09-20 This book uses the history of Breathitt County Kentucky to examine political violence in the United States and its interpretation in media and memory Violence in Breathitt County during and after the Civil War usually reflected what was going on elsewhere in Kentucky and the American South In turn the types of violence recorded there corresponded with discernible political scenarios *Southern Crossroads* Walter Conser, 2010-09-12 The South has always been one of the most distinctive regions of the United States with its own set of traditions and a turbulent history Although often associated with cotton hearty food and rich dialects the South is also noted for its strong sense of religion which has significantly shaped its history Dramatic political social and economic events have often shaped the development of southern religion making the nuanced dissection of the religious history of the region a difficult undertaking For instance segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture Editors Walter H Conser and Rodger M Payne and the book's contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion's place in southern culture now and in the future *Southern Crossroads Perspectives on Religion and Culture* takes a broad interdisciplinary approach that explores the intersection of religion and various aspects of southern life The volume is organized into three sections such as Religious Aspects of Southern Culture that deal with a variety of topics including food art literature violence ritual shrines music and interactions

among religious groups The authors survey many combinations of religion and culture with discussions ranging from the effect of Elvis Presley's music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion The book explores the experiences of immigrant religious groups in the South also dealing with the reactions of native southerners to the groups arriving in the region The authors discuss the emergence of religious and cultural acceptance as well as some of the apparent resistance to this development as they explore the experiences of Buddhist Americans in the South and Jewish foodways Southern Crossroads also looks at distinct markers of religious identity and the role they play in gender politics ritual and violence The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching with its themes of blood sacrifice and atonement Southern Crossroads offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change

Liquor in the Land of the Lost Cause Joe Coker, 2007-12-14 In the late 1800s Southern evangelicals believed contemporary troubles everything from poverty to political corruption to violence between African Americans and whites sprang from the bottles of demon rum regularly consumed in the South Though temperance quickly gained support in the antebellum North Southerners cast a skeptical eye on the movement because of its ties with antislavery efforts Postwar evangelicals quickly realized they had to make temperance appealing to the South by transforming the Yankee moral reform movement into something compatible with southern values and culture In *Liquor in the Land of the Lost Cause* Southern White Evangelicals and the Prohibition Movement Joe L Coker examines the tactics and results of temperance reformers between 1880 and 1915 Though their denominations traditionally forbade the preaching of politics from the pulpit an outgrowth of evangelical fervor led ministers and their congregations to sound the call for prohibition Determined to save the South from the evils of alcohol they played on southern cultural attitudes about politics race women and honor to communicate their message The evangelicals were successful in their approach negotiating such political obstacles as public disapproval the church's role in politics and vehement opposition to prohibition voiced by Jefferson Davis The evangelical community successfully convinced the public that cheap liquor in the hands of African American beasts and drunkard husbands posed a serious threat to white women Eventually the code of honor that depended upon alcohol centered hospitality and camaraderie was redefined to favor those who lived as Christians and supported the prohibition movement *Liquor in the Land of the Lost Cause* is the first comprehensive survey of temperance in the South By tailoring the prohibition message to the unique context of the American South southern evangelicals transformed the region into a hotbed of temperance activity leading the national prohibition movement

A Coat of Many Colors Walter Conser, 2006-09-04 While religious diversity is often considered a recent phenomenon in America the Cape Fear region of southeastern North Carolina has been a diverse community since the area was first settled Early on the region and the port city of Wilmington were more urban than the rest of the state and thus provided people with opportunities seldom found in

other parts of North Carolina This area drew residents from many ethnic backgrounds and the men and women who settled there became an integral part of the region s culture Set against the backdrop of national and southern religious experience A Coat of Many Colors examines issues of religious diversity and regional identity in the Cape Fear area Author Walter H Conser Jr draws on a broad range of sources including congregational records sermon texts liturgy newspaper accounts family memoirs and technological developments to explore the evolution of religious life in this area Beginning with the story of prehistoric Native Americans and continuing through an examination of life at the end of twentieth century Conser tracks the development of the various religions denominations and ethnic groups that call the Cape Fear region home From early Native American traditions to the establishment of the first churches cathedrals synagogues mosques and temples A Coat of Many Colors offers a comprehensive view of the religious and ethnic diversity that have characterized Cape Fear throughout its history Through the lens of regional history Conser explores how this area s rich religious and racial diversity can be seen as a microcosm for the South and he examines the ways in which religion can affect such diverse aspects of life as architecture and race relations
