Gendered Justice Venessa Garcia, Patrick McManimon, 2012-07-10 *Gendered Justice* takes a unique multi layered look at the various elements that factor into our understanding of domestic violence and how the criminal justice system handles situations of domestic violence The book focuses primarily on the role of gender but also considers socio economic status race age education and the relationship between the victim and criminal Illustrated with case studies throughout the book introduces major themes such as the social construction of gender and victimology as well as topics such as the portrayal of intimate partner violence in the media and how it shapes our understanding of violence

The Urban Indian Experience in America Donald Lee Fixico, 2000 As the first ethnohistory of modern urban Indians this perceptive study looks at Indians from many tribes living in cities throughout the United States Fixico has had unparalleled access to Native Americans particularly their contemporary oral tradition Through firsthand observations interviews and conventional historical sources he has been able to assess the major impact urbanization has had on Indians and see how they have come to terms with both the negative and enriching aspects of living in cities The result is an insightful and empathetic account of how Indian identity is sustained in cities Today two thirds of all Indians live in cities Many of these urban Indians are third or fourth generation city dwellers the descendants of those who first came to urban areas during the federal government s push for relocation from the late 1940s through the 1960s Fixico looks at both groups of urban Native Americans those who first settled in cities some fifty years ago and those who have grown up there in the past thirty years and finds in their experiences a record of survival and adaptation Fixico offers a new view of urban Indians one centered on questions of how their modern identity emerges and perseveres He shows how the corrosive effects of cultural alienation alcoholism poor health services unemployment and ghetto housing are slowly being overcome particularly since the 1970s After fifty years of urban experiences Native Americans living in cities are better able today than at any other time to balance tradition and modernity

Change and Reform in Law Enforcement Scott W. Phillips, Dilip K. Das, 2016-10-26 This book provides broad exposure to a variety of policing reforms that have not received adequate attention It includes information and examples from different countries regarding efforts to change aspects of policing that are problematic or involve changes in the way crimes are committed Some of the efforts to improve the police are relatively recent i e using social media and some areas of policing that seem to require frequent attention i e working with the public

City on the Edge Alejandro Portes, Alex Stepick, 1993-09-02 The authors reveal how the Cuban success story has transformed the character of Miami while delineating more sharply the identity of other ethnic communities New York Times Book Review Makes a case

for the importance of political capital in building ethnic solidarity Contemporary Sociology Consuming St. Patrick's Day Dominic Bryan, Jonathan Skinner, 2015-10-05 There is probably no national day that has such global popularity as St Patrick's Day On St Patrick's Day it is reputed that Everyone is Irish What are the factors and factions that give the day such popular appeal Is St Patrick's Day the same around the world in Japan Northern Ireland and Montserrat as it is in the Republic of Ireland and the United States Just how does Irishness figure in the celebration and commemoration of St Patrick's Day and how has this day been commoditized consumed and contested Does St Patrick's Day belong to the people the nation or the brewery This edited volume brings together the best St Patrick's Day and Irish Studies scholars from the fields of history anthropology sociology Irish studies diaspora studies and cultural studies The volume thematically explores how St Patrick's Day has been consumed from the symbolic to the literal the religious to the political By doing so it offers a fresh examination of its importance in contemporary society This volume will thus appeal to undergraduate and postgraduate students of Irish diaspora studies and Irish historians and scholars as well as to anthropology sociology and cultural studies students interested in exploring St Patrick's Day as a case study of globalization migration and commoditization **Encyclopedia of American Urban History** David Goldfield, 2007 Publisher description **Adolescent Diversity in Ethnic, Economic, and Cultural Contexts** Raymond Montemayor, Gerald R. Adams, Thomas P. Gullotta, 2000-01-24 How do adolescents who hail from non white poor or rural backgrounds reconcile their ethnic or traditional heritage with the largely white middle class urban world of modern America How does this issue impact their development and behavior This volume in the Advances in Adolescent Development series addresses these questions by focusing on how demographic diversity defined by race ethnicity community size region and wealth shape adolescent experiences and development With contributions by recognized experts in their field the book explores competence among urban adolescents living in poverty rural youth and how their experiences differ from other adolescents the development of contemporary Appalachian youth how Native American youth negotiate the challenges of adolescent development Asian American adolescents from the perspectives of academic achievement ethnic identity and psychological adjustment poor versus positive functioning among African American adolescents and the factors that produce these outcomes and a phenomenological variant of ecological systems theory as a framework to review research on American adolescent diversity that goes well beyond the traditional focus on minorities **Segregation, Poverty, and Mortality in Urban African Americans** Anthony P. Polednak, 1997 This book brings together the results of several studies examining mortality rates for African Americans in selected U S urban areas in relation to both social class and the degree of black white residential segregation **Handbook of Urban Educational Leadership** Muhammad Khalifa, Noelle Witherspoon Arnold, Azadeh F. Osanloo, Cosette M. Grant, 2015-06-01 This authoritative handbook examines the community district and teacher leadership roles that affect urban schools It will serve as a foundation for pedagogical and educational leadership practices that foster social justice equity and advocacy for those who have been

traditionally and historically underserved in education The handbook's ten sections cover topics as diverse as curriculum instruction and educational outcomes gender race and class higher education and leadership preparation and support Its twenty nine chapters offer both American and international perspectives *American Urban Politics in a Global Age* Annika Marlen Hinze, James M. Smith, 2024-01-22 Bringing together a selection of readings that represent some of the most important trends and topics in urban scholarship today *American Urban Politics in a Global Age* provides historical context and contemporary commentaries on the economy politics culture and identity of American cities The eighth edition of this well rounded and popular urban politics reader maintains the wide variety of reading selections it is known for as well as many classics while adapting to current events and developments in urban politics and engaging cities in a post pandemic world All new readings and important editorial commentary include Recent political debates about policing race and ethnicity in the urban environment The impact of climate change on cities and their roles in mitigating it as well as preparing for it A discussion of gender politics in post Trump America cities A reflection on the increasing importance of private players in city and metro politics from implications for governance to the growing corporate aspect of smart city initiatives designed to help urban governments provide important services across cities and metropolitan regions and An examination of the COVID 19 pandemic and its impact on cities from the initial devastating outbreak in New York City in March 2020 to recurring shutdowns life urban development and social polarization post COVID *American Urban Politics in a Global Age* remains an approachable scholarly resource for undergraduate and graduate classrooms as well as a general wide ranging scholarly overview of the most important aspects of the field for researchers It may be taught alongside *City Politics Cities and Suburbs in 21st Century America* *The Oxford Handbook of American Immigration and Ethnicity* Ronald H. Bayor, 2016-06-01 Scholarship on immigration to America is a coin with two sides it asks both how America changed immigrants and how they changed America Were the immigrants uprooted from their ancestral homes leaving everything behind or were they transplanted bringing many aspects of their culture with them Although historians agree with the transplantation concept the notion of the melting pot which suggests a complete loss of the immigrant culture persists in the public mind *The Oxford Handbook of American Immigration and Ethnicity* bridges this gap and offers a comprehensive and nuanced survey of American racial and ethnic development assessing the current status of historical research and simultaneously setting the goals for future investigation Early immigration historians focused on the European migration model and the ethnic appeal of politicians such as Fiorello La Guardia and James Michael Curley in cities with strong ethno political histories like New York and Boston But the story of American ethnicity goes far beyond Ellis Island Only after the 1965 Immigration Act and the increasing influx of non Caucasian immigrants scholars turned more fully to the study of African Asian and Latino migrants to America This Handbook brings together thirty eminent scholars to describe the themes methodologies and trends that characterize the history and current debates on American immigration The Handbook's

trenchant chapters provide compelling analyses of cutting edge issues including identity whiteness borders and undocumented migration immigration legislation intermarriage assimilation bilingualism new American religions ethnicity related crime and pan ethnic trends They also explore the myth of model minorities and the contemporary resurgence of anti immigrant feelings A unique contribution to the field of immigration studies this volume considers the full racial and ethnic unfolding of the United States in its historical context

Emigrant Players Paul Darby, David Hassan, 2013-10-18 Ireland and its inhabitants have often been described as being sports mad As a relatively small geographical entity Ireland north and south has produced a disproportionately high number of world class sports men and women who have excelled at the highest levels of their chosen sport The significance of sport in Ireland though extends far beyond the achievements of such individuals Sport has historically assumed a centrality in the lives of the island's inhabitants a fact that can be measured by the numbers and commitment of participants as well as the emotional and financial investment of fans This book seeks to address the ways in which Irish aptitude and ebullience for sport has manifested itself in those parts of the world that have or have had relatively large Irish communities The first part of the book explores the diffusion of Gaelic games to a number of centres of Irish immigration and examines the social economic political and psychological impact that these games had in helping the Diaspora adjust to life in what were often inhospitable environs The second part of the book extends the analysis by examining the contribution of Irish sports men and women to the sports culture that they encountered in their new homes and assessing the ways in which their involvement in these sports allowed them to come to terms with and make their way in their new locales This book was previously published as a special issue of the journal Sport in Society

Immigration Susanne Jonas, Suzanne Dod Thomas, 1999 Intended to fill a gap in the literature on immigration this work provides a variety of perspectives among those who agree that immigrants have rights but may differ in how to assert those rights The contributions challenge the historic and ongoing struggle of migrants rights
