Governing Global Health Andrew Cooper, 2016-04-22 Recently global health issues have leapt to the forefront of the international agenda and are now an everyday concern around the world The war for global health is clearly being lost on many fronts and the massive body count is mounting fast Re emerging diseases such as polio and tuberculosis long thought to be on the verge of elimination are now coupled with the devastation of newly emerging ones such as SARS and avian influenza In addition the shock of bioterrorism has given a tragic poignancy to the importance of studying the failure of the global health governance system Compiled by renowned specialists this volume studies the global challenges and responses to these issues as well as the roles of central institutions such as the World Health Organization the World Trade Organization and the G8 Health practitioners and clinicians seeking a context for their front line care provision as well as scholars and students of global health issues will find the volume highly valuable

The Candidate Noah Richler, 2019-01-15 A comical and revealing account of what it s like to run for office with no political experience little money and only a faint hope of winning told first hand by celebrated writer Noah Richler During the 2015 federal election approximately 1200 political campaigns were held across Canada One of those campaigns belonged to author journalist and political neophyte Noah Richler Recruited by the NDP to run in the bellwether riding of Toronto St Paul s he was handed 350 and told he would lose But as veteran NDP activists and social media savvy newbies joined his campaign Richler found himself increasingly insulated from the stark reality that his campaign was flailing imagining instead that he was headed to Parliament Hill In *The Candidate* Richler recounts his time on the trail in sizzling detail and hilarious frankness from door knocking in Little Jamaica to being internet shamed by experienced opponents *The Candidate* lays bare what goes on behind the slogans canvassing and talking points told from the perspective of a political outsider With his signature wit and probing eye Noah Richler s chronicle of running for office is insightful brutally honest and devastatingly funny

Half the Sky Nicholas D. Kristof, Sheryl WuDunn, 2010-06-01 1 NATIONAL BESTSELLER A passionate call to arms against our era s most pervasive human rights violation the oppression of women and girls in the developing world From the bestselling authors of *Tightrope* two of our most fiercely moral voices With Pulitzer Prize winners Nicholas D Kristof and Sheryl WuDunn as our guides we undertake an odyssey through Africa and Asia to meet the extraordinary women struggling there among them a Cambodian teenager sold into sex slavery and an Ethiopian woman who suffered devastating injuries in childbirth Drawing on the breadth of their combined reporting experience Kristof and WuDunn depict our world with anger sadness clarity and ultimately hope They show how a little help can transform the lives of women and girls abroad That Cambodian girl eventually escaped from her brothel and with assistance from an aid group built a thriving retail business

that supports her family The Ethiopian woman had her injuries repaired and in time became a surgeon A Zimbabwean mother of five counseled to return to school earned her doctorate and became an expert on AIDS Through these stories Kristof and WuDunn help us see that the key to economic progress lies in unleashing women s potential They make clear how so many people have helped to do just that and how we can each do our part Throughout much of the world the greatest unexploited economic resource is the female half of the population Countries such as China have prospered precisely because they emancipated women and brought them into the formal economy Unleashing that process globally is not only the right thing to do it s also the best strategy for fighting poverty Deeply felt pragmatic and inspirational Half the Sky is essential reading for every global citizen *Urban Comics* Dominic Davies,2019-02-21 *Urban Comics* Infrastructure and the Global City in Contemporary Graphic Narratives makes an important and timely contribution both to comics studies and urban studies offering a decolonisation and reconfiguration of both of these already interdisciplinary fields With chapter length discussions of comics from cities such as Cairo Cape Town New Orleans Delhi and Beirut this book shows how artistic collectives and urban social movements working across the global South are producing some of the most exciting and formally innovative graphic narratives of the contemporary moment Throughout the author reads an expansive range of graphic narratives through the vocabulary of urban studies to argue that these formal innovations should be thought of as a kind of infrastructure This infrastructural form allows urban comics to reveal that the built environments of our cities are not static banal or depoliticised but rather highly charged material spaces that allow some forms of social life to exist while also prohibiting others Built from a formal infrastructure of grids gutters and panels and capable of volumetric multi scalar perspectives this book shows how urban comics are able to represent repair and even rebuild contemporary global cities toward more socially just and sustainable ends Operating at the intersection of comics studies and urban studies and offering large global surveys alongside close textual and visual analyses this book explores and opens up the fascinating relationship between comics and graphic narratives on the one hand and cities and urban spaces on the other *Tumaini: A Journey of Hope in the Heart of Africa* , **The Church and Development in Africa, Second Edition** Stan Chu Ilo,2014-10-20 In this book Stan Chu Ilo offers an integral theology of development and a critical social analysis of different development theories and practices in the world especially in Africa Ilo offers a comprehensive biblical anthropological and theological foundation of the principles and praxis of Catholic social ethics from the Second Vatican Council to Pope Francis Drawing from the social encyclical *Charity in Truth* Ilo shows how Catholic social teaching responds to some of the challenging questions and concerns of our times in relation to human rights ecology globalization international cooperation development and aid human and cultural development business ethics social justice and the challenges of poverty eradication He creatively applies these principles to the social context of Africa and lays a groundwork for sustainable Christian humanitarian and social justice initiatives in Africa Looking Forward John Marks Templeton,2013-08-20 Among the essayists John Templeton gives his

tribe that guards its isolation with lethal force and ritualistic bloodshed But the jungle itself is a formidable enemy Stalked by ruthless river robbers and hunted by tribes of merciless headhunters the team must navigate the treacherous Rio das Mortes the River of Death With maneating piranhas infesting the waters and poison darts flying from the shadows every moment is a desperate battle for survival However the greatest danger may come from within When a glory hungry millionaire threatens to tear the expedition apart fragile alliances crumble If they cannot trust each other they will be swallowed whole by the green hell and their screams lost in the jungle A classic pulp adventure roaring with the non stop action of an Indiana Jones film and the thrilling suspense of a jungle mystery Perfect for fans of Tarzan Doc Savage and high stakes adventure fiction Fans of pulp action and thrilling suspense will devour Land of the Vampires Start your heart pounding adventure now

Critical Readings in Teacher Education ,2008-01-01 Like other fields of study teacher education defines itself both by what it includes and by what it excludes Teacher educators and researchers have spent a great deal of time seeking and attempting to eradicate the flaws in existing structures and practices but significantly less time learning to perceive the absences The premise of this book is that until we can identify and begin to address what is absent teacher education will be constrained by a perennial recycling of concerns that have characterized so much of research policy and practice to date If teacher education is to have a different future we need to ask different and difficult questions This book with contributions from theorists in Australia Canada and the United States addresses the challenges we face in establishing a more hopeful future for teacher education The authors provocative contributions identify what is missing in teacher education while providing critical counterpoints to existing frames of reference in the field In writing against the grain they open up new conceptual spaces and exciting trajectories for a different teacher education The Saturday Evening Post ,1899

Educating for Human Rights and Global Citizenship Ali A. Abdi,Lynette Shultz,2009-01-01 Nearly sixty years after the Universal Declaration of Human Rights in spite of progress on some fronts we are in many cases as far away as ever from achieving an inclusive citizenship and human rights for all While human rights violations continue to affect millions across the world there are also ongoing contestations regarding citizenship In response to these and related issues the contributors to this book critique both historical and current practices and suggest several pragmatic options highlighting the role of education in attaining these noble yet unachieved objectives This book represents a welcome addition to the human rights and global citizenship literature and provides ideas for new platforms that are human rights friendly and expansively attuned toward global citizenship Book jacket **Continent** ,1925
