children all his livestock He scratches his ulcers The misfortunes of which he complains are all duly enumerated in the prologue They are misfortunes brought on him by Satan with God s permission We think we know but are we sure Not once in the Dialogues does Job mention either Satan or anything about his misdeeds Could it be that they are too much on his mind for him to mention them Possibly yet Job mentions everything else and does much more than mention He dwells heavily on the cause of his misfortune which is none of those mentioned in the prologue The cause is not divine satanic nor physical but merely human

The Tragic Middle Richard E. Goodkin,1991 This is an extraordinary book brilliantly conceived and beautifully written Its approach to the well worn subject of tragic drama is quite fresh While Goodkin draws on the best of traditional scholarship in philosophy classical philology and literary criticism he argues with an intellectual style that is entirely his own Every reader will be stimulated in his own particular way so great is the range and power of this book to extend the book s argument toward or from his own area of interest William Levitan Princeton University
