## THE MAN AND HIS IDEAS

"I'm very determined.  
If I decide that something  
is worth doing, then I'll put  
my heart and soul to it.

The whole ground can be  
against me, but if I know  
it is right, I'll do it. That's  
the business of a leader."

R.D. Laing. The Man and His Ideas Richard Isadore Evans,1976      R. D. Laing Richard Isadore Evans,Ronald David Laing,1976 Emma pretends that she and her dolls spend a day at school      R.D. Laing Richard I. Evans,1976      The Psychology of People, Power and Politics Ron Roberts,2023-05-26 From events in our everyday life to those which stride the international stage we have come to view the world in increasingly psychological terms In spite of this beyond the wants desires and motivations of the characters who form the centrepiece of these explanatory dramas the discipline which constitutes the driving force behind the analyses has been largely overlooked In a series of essays covering issues from mental health to political governance and war this book reflects on the nature of psychology as an intellectual endeavour questions its relationship to the systems of power which shape our lives and strays from the beaten track to offer new perspectives and voices      How to Be Intimate with 15,000,000 Strangers Brett Kahr,2023-05-31 How to Be Intimate with 15 000 000 Strangers is an investigation into how the fields of mental health and media can work together more collaboratively Drawing upon his extensive experience in media psychoanalysis Brett Kahr explores how a rich collaboration with radio television film and other forms of public outreach can be accomplished while also embracing the weight and gravitas of depth psychology In addition to describing his work as Resident Psychotherapist at the B B C Kahr also examines the ways in which references to the media enter the consulting room and provide clinicians with important insights about hidden aspects of the minds of their patients Moreover he investigates the historical hesitancy of psychoanalysts experts in confidentiality to engage with such a public arena as the media thus providing important insights about how one can collaborate broadly and loudly while also maintaining one s ethical commitment to silence and privacy This book will be of interest to psychoanalysts psychotherapists and anyone intrigued by the intersection between media and psychoanalysis

**PsychoPolitics** Peter Sedgwick,2022-08-20 A powerful and impassioned defence of psychiatry urging the Left to confront the harsh realities of mental illness William Davis author of The Happiness Industry A new edition of one of the most significant and credible critiques of the anti psychiatry movement As relevant today as it was when first published in 1982 the book changed the conversation on mental health and illness demanding that we assess its relationship to the wider decay of social institutions Dissecting the work of popular anti psychiatric thinkers Erving Goffman R D Laing Michel Foucault and Thomas Szasz Sedgwick exposed the conservative undercurrents and false hopes represented by the alternative psychiatry of the sixties and seventies challenging the very real impact it had on our collective responsibility to look after the mentally ill With a new introduction that highlights the relevance of Sedgwick s demands for modern mental health movements the practice of psychiatry and for left wing activists this new edition further cements PsychoPolitics cult classic status

**Gender, Race and the National Education Association** Wayne J. Urban,2020-08-26 Urban presents the NEA in its historical context turning a fair and clear eye on this powerful and controversial organization and using this context to both

criticize and commend The culmination of a three decade long study this unique volume presents an unusually thorough and much needed holistic view of the NEA

*Existential Therapies* Mick Cooper, 2016-10-18 What does it mean to practice therapy in an existential way What are the different existential approaches What are their strengths and limitations Focusing on practical face to face work with clients the book introduces students to six existential therapies highlighting areas of commonality and difference and discusses key figures and their contributions including Yalom van Deurzen Spinelli Frankl and Laing It outlines the critical perspectives and key debates and presents implications for practice reflection and further reading Fully updated to reflect current issues this book now includes Sections presenting research evidence for each approach An extended case study running through the book demonstrating how different therapies might approach the same case Chapter overviews questions for reflection and additional case studies of actual existential practice

*Schizophrenia* Thomas Szasz, 1988-04-01 Schizophrenia The Sacred Symbol of Psychiatry examines the concept of schizophrenia and the origins of its classification as a disease Szasz convincingly argues that rather than a medical diagnosis the word schizophrenia is a symbol employed by psychiatrists as a means of control

*Nuclear Madness* Ira Chernus, 1991-01-01 This book builds on Robert Jay Lifton's theory of psychic numbing and takes madness as a guiding metaphor It shows that public perceptions of the Bomb are a kaleidoscope of ever changing ideas and images Recent changes in public awareness only signal new symptoms of this public madness symptoms unwittingly fostered by the antinuclear movement Since the newest nuclear images follow the same psychological pattern as their predecessors they are likely to lead us deeper into nuclear madness Chernus offers new interpretations of four major theorists in the psychology of religion Paul Tillich R D Laing Mircea Eliade and James Hillman to trace the roots of nuclear madness back to the onset of modernity when the West gained technological mastery at the price of losing religious imagination and ontological security The author develops an interpretation of Lifton's own thought as an ontological and religious psychology Drawing on the work of Eliade and Hillman he goes on to suggest that madness reflects a repressed desire to transform life by opening up the floodgates of imagination A conscious cultivation of the play of imagination can lead the way through madness to sanity and peace But imagination can only respond to the nuclear threat if it is acted out in a new brand of peace activism that blends pragmatic politics with psychological and religious transformation
