Renegades Of Pern:

The Renegades of Pern Anne McCaffrey, 1997-09-01 As long as the people of Pern could remember the Holds had protected them from Thread the deadly silver strands that fell from the sky and ravaged the land In exchange for sanctuary in the huge stone fortresses the people tithed to their Lord Holders who in turn supported the Weyrs whose dragons were Pern s greatest weapon against Thread But not everyone on Pern was part of that system of mutual care and protection particularly those who had been rendered holdless as punishment for wrongdoing And there were some like Jayge s trader clan who simply preferred the freedom of the roads to the security of a hold Others like Aramina s family had lost their holds through injustice and cruelty For all the holdless life was a constant struggle for survival Then from the ranks of the criminals and the disaffected rose a band of renegades led by the Lady Thella No one was safe from Thella s depredations and now her quarry was Aramina reputed to have a telepathic link with dragons But when Thella mistakenly vented her rage on Jayge s family she made a dangerous mistake For Jayge was bent on revenge and he would never let her have the girl who heard dragons From the Hardcover edition
