**Saunier's Model and the Secret of Rennes-le-Chateau** André Douzet, 2015-02-25 In 1916 Berenger Saunier the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Saunier leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Saunier who had died just before the model s completion Backed by evidence showing correspondence between Saunier and the model maker Douzet also reveals much new evidence including the revelation that Saunier spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Saunier met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Saunier left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Saunier had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Saunier s mystery a secret that is said to be of vital importance and terrifying force     [Mysteries of Templar Treasure & the Holy Grail](#)

implications      **The Templar Revelation** Lynn Picknett, Clive Prince, 2004-09-21 The most closely guarded secret of the western world is about to be revealed and you will never see Christianity in the same light again In a remarkable achievement of historical detective work that is destined to become a classic authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons the Cathars the Knights Templar and the occult to discover the truth behind an underground religion with roots in the first century that survives even today Chronicling their fascinating quest for truth through time and space the authors reveal an astonishing new view of the real motives and character of the founder of Christianity as well as the actual historical and revelatory roles of John the Baptist and Mary Magdalene Painstakingly researched and thoroughly documented The Templar Revelation presents a secret history preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe whose final chapter could shatter the foundation of the Christian Church      Bibliography "Prieure de Sion" and Rennes-le-Chateau Bruno Buïe, 2017      **The Tree of Life and the Holy Grail** Sylvia Francke, 2007 Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia Based on her groundbreaking research Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity She traces the ancient spiritual paths of knowledge from the Cathars the Knights Templar and the enigmatic Rosicrucians to the work of Rudolf Steiner in the twentieth century Here she concludes is true Grail knowledge the Tree of Life and the Holy Grail itself explained in their metaphysical context She suggests a solution to the mystery of sudden wealth and the strange behavior of Breton Saunière the mysterious priest of Rennes le Château in southern France True Grail knowledge Francke concludes has nothing to do with bloodlines or worldly status rather it is an ancient lifeline to the spiritual origins of creation Its energetic forces radiate out from the Earth and in from the constellations and planets while interacting with human individuals It represents the key to fulfilling humanity's quest and the next step in human evolution The recent explosion of interest in revisionist Christianity history the shadow Grail prompted Sylvia Francke to revise The Tree of Life and the Holy Grail first published in 1996 The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths      **The Sion Revelation** Lynn Picknett, Clive Prince, 2006-02-07 Explores the mysterious Priory of Sion organization investigating key questions about the alleged descendants of Jesus and Mary Magdalene Leonardo da Vinci's possible membership and the identity of Grand Master Pierre Plantard      Deceit of Rome Maurits Prins, 2019-04-07 This no holds barred volume confirms the feelings of those who have always known something about the church just isn't right Centuries of corruption continue even with the current pope under whom many wealthy cardinals are enjoying incomprehensible luxury Take top cardinal Tarcisio Bertone for example who recently spent 200 000 from a children's charity fund on the renovation of his luxurious

penthouse apartment Of course Bertone denies everything but it s curious to see how often the Vatican s number two has been linked to financial fraud by the Italian Justice Department According to Italian journalists Emiliano Fittipaldi and Gianluigi Nuzzi millions of euros meant for charity are supposed to have been stuck within the administration and bureaucracy of the Roman Curia Their sources are leaked Vatican documents and the two people who have supposedly leaked these documents have since been arrested These are a Spanish Opus Dei priest and a curious Italian woman thought to be a mistress of one of the cardinals I m sure the pope means well but he obviously isn t in control of the Curia of Cardinals
