

В ОБЕД ПОД ДОЖДЕМ В МЭДИСОН-СКВЕР-ПАРКЕ

Стою в юго-восточном уголке парка, благоговейно
ЗДРАВЯЮ: лобуюсь громадной новой башней,
которую строят на Двадцать третьей улице.

Башня «САЙЯ» — Мэдисон-сквер-парк, 1.
Этажей — 51. Высота — 617 футов.

Где-то под башней притулился неспрятанный
памятник человеку, о котором я никогда не слышал,
— какому-то РОСКО КОНКПИНТУ «О», — думаю, —
отличное имя!

Дом, немножко порывшись в интернете,
обнаруживаю, что Конкпинг был юристом
и политиком. Умер он, простудившись
В БОЛЬШОЙ БУРАН 1888 ГОДА

(или Большой белой ураган, как прозвали
одну из сильнейших снежных бурь
в истории США: снега наметало на сорок
дюймов, кое-где — на пятьдесят).
Его смерть описана в «Нью-Йорк таймс»
от 18 апреля 1888 года под заголовком
«СКОНЧАЛСЯ РОСКО КОНКПИНГ».

Оказывается, Роско был
типичным Нью-Йоркским
трудоголиком: сквозь
буран дошел пешком
с Нижнего Манхэттена
на Средний — из своего
офиса в клуб —
и подхватил
ужасной насморк,

но даже
не подумал
печиться.

Продолжая заниматься своей
адвокатской практикой, а
насморк все усиливался и
усиливался, пока не
образовался опасный гнойник,
который давил на мозг.

Только тогда Роско был
вынужден убраться в постель,
«крайне на себя досаду» —

УТВЕРЖДАЯ «НЬЮ-ЙОРК
ТАЙМС» — «он всегда
гордился своим идеальным
здоровьем». Ему сделали
операцию, но состояние
неудачливо ухудшилось. Он
начал бредить, стал в
забытьи и наконец в каму.

Вот как газета описывает
последние минуты его
жизни: «...его конечности
похолодели, на лбу
проступила предсмертная
испорина. Дыхание было
частое, почти неслышное
сердце билось замедленно и
тихо, трещающий озонек
жизни еле теплится, пока
насто в его светильнике не
исовоко окончательно, и с
последним, почти
неуловимым для уха
вздохом его душа
отлетела».

Что же я не
надел шляпу?!

Reportage And Research 3

Debra Adelaide, Sarah Attfield

Reportage And Research 3:

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 *Children who Could Have Been* William M. Epstein,1999 Epstein analyzes in detail the decay of the child welfare system through the case histories of Natalie and Adam two children who have spent their lives in and out of foster homes and orphanages **BOOK JACKET**

Educational Technology Ivan N. Seibert,1975 **Music Documentaries for Radio** Sam Coley,2021-11-16 Drawing on both academic research and real world practice this book offers an in depth investigation into the production of music documentaries broadcast on radio Music Documentaries for Radio provides a thorough overview of how the genre has developed technically and editorially alongside a discussion of the practical production processes involved Digital production equipment and online tools used in music documentary production are discussed in detail outlining how the development of these technologies shapes the output of producers operating in both the public service and the commercial sectors of the industry Drawing on his own experiences as an award winning music documentary producer the author also looks at how the industry views this form of radio documentary and considers how innovation and technical advances as well as governmental regulation have shaped the field The book demonstrates how changing practices and technical innovations have led to the emergence of multi skilled freelance radio producers and how previously separate production roles have merged into one convergent multifaceted position Music Documentaries for Radio is an ideal resource for students and academics in the fields of radio studies media production documentary making and journalism studies *Remote Workforce Training: Effective Technologies and Strategies* Hai-Jew, Shalin,2014-02-28 Lifelong learning can occur both in and out of the classroom but the most valuable instruction takes place on the job Remote Workforce Training Effective Technologies and Strategies investigates methods techniques and systems used in employee training programs The tools and technologies surveyed within these pages will help employers take their workers beyond the transient skill sets offered by university degrees and into a constant state of learning and practice that will enhance both their productivity and technical abilities on a regular basis In particular the knowledge offered by this reference book will be of use to educators and students as well as managers leaders administrators and personnel **Reportage and Research 3** E. Graham Ward,James Moffett,1973 *Catalog of Copyright Entries, Third Series* Library of Congress. Copyright Office,1974 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Good Writing for Journalists** Angela Phillips,2007-01-19 Reflective practice is at the heart of effective teaching and this title helps you develop into a reflective teacher of science *The Oxford Handbook of Interdisciplinarity* Robert Frodeman,Julie Thompson Klein,Roberto Carlos Dos Santos Pacheco,2017-01-26 Interdisciplinarity has become as important outside academia as within Academics policy makers and the general public seek insights to help organize the vast amounts of

knowledge being produced both within research and at all levels of education The second edition of The Oxford Handbook of Interdisciplinarity offers a thorough update of this major reference work summarizing the latest advances within the field of inter and transdisciplinarity The collection is distinguished by its breadth of coverage with chapters written by leading experts from multiple networks and organizations The volume is edited by respected interdisciplinary scholars and supported by a prestigious advisory board to ensure the highest quality and breadth of coverage The Oxford Handbook of Interdisciplinarity provides a synoptic overview of the current state of interdisciplinary research education administration and management and of problem solving knowledge that spans the disciplines and interdisciplinary fields The volume negotiates the space between the academic community and society at large Offering the most broad based account of inter and transdisciplinarity to date its 47 chapters provide a snapshot of the state of knowledge integration as interdisciplinarity approaches its century mark This second edition expands its coverage to discuss the emergence of new fields the increase of interdisciplinary approaches within traditional disciplines and professions new integrative approaches to education and training the widening international presence of interdisciplinarity its increased support in funding agencies and science policy bodies and the formation of several new international associations associated with interdisciplinarity This reference book will be a valuable addition to academic libraries worldwide important reading for members of the sciences social sciences and humanities engaged in interdisciplinary research and education and helpful for administrators and policy makers seeking to improve the use of knowledge in society

Bibliographie Internationale D'anthropologie ,2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Insights on Fashion Journalism* Rosie Findlay,Johannes Reponen,2022-07-18 This collection surveys the key debates and issues that currently face fashion journalism going beyond traditional print media to consider its multiple contexts and iterations in an ever evolving post digital media environment Bringing together a diverse range of contributors Insights on Fashion Journalism explores the characteristics complexities shifts and specificities of the field The book is organized into three sections mapping fashion journalism s established and emerging practices and exploring its parameters from mainstream to marginal Section One focuses on the complex relationships between those who practice fashion journalism the fashion industry and the media context in which they operate Section Two considers the ways in which fashion journalism responds to the socio political and cultural contexts in which it is created as well as the impact these contexts have on tone content and style and Section Three investigates how language is employed in different media Approaching fashion journalism through a critically diverse lens this collection is an asset for academics and students in the fields of fashion studies journalism communication cultural studies and digital media

Arbitration Awards Vijay K. Bhatia,Chiara Degano,Giuliana Garzone,2012-11-13 This volume focuses on arbitration awards as a discursive genre and draws on the results of research on the discourses of international

commercial arbitration conducted within the framework of an international project International Commercial Arbitration Practices A Discourse Analytical Study setting out to explore the hypothesis that as suggested in recent times by various scholars arbitration practice procedures and discourses are being increasingly contaminated by litigation thus compromising the integrity of arbitration principles The genre investigated is especially interesting in this respect as arbitration awards represent the final textual outcome of arbitration proceedings The various chapters of the book based on the analysis of different international corpora of arbitration awards in various languages English French Italian Spanish and Chinese attack the same theme investigating different aspects of the discursive construction of awards with a view to identifying any elements of interdiscursivity that may provide evidence for or against the main hypothesis The discussion of these issues also has theoretical relevance as it provides interesting insights into the mechanisms that preside over the contamination and hybridization among genres in professional practice

The Routledge Handbook of Translation and Young Audiences Michael Borodo, Jorge Díaz-Cintas, 2025-01-31 The Routledge Handbook of Translation and Young Audiences offers a comprehensive overview of translation in the context of young audiences The handbook synthesises research on translation of children's and young adult literature audiovisual translation the translation of comics and picture books empirical research methods and translation performed by fan communities in the digital world Adopting a forward looking approach it is organised around these five key themes which taken together propose a new way of looking at interrelated phenomena which have never been brought together before to map this emerging area of study Featuring 35 contributions from leading and emerging scholars the volume showcases a range of perspectives which focus on translation and cultural practices around children and young adults not only as readers viewers and consumers but also as prosumers and collaborative creators of content Providing a multi layered perspective on the study of translation and young audiences this handbook will be a valuable resource for students and scholars in translation studies particularly those interested in audiovisual translation media translation multimodal texts and children's literature

Regional Conference on Science, Technology and Social Sciences (RCSTSS 2014) Mohd Amli Abdullah, Wan Kalthom Yahya, Nazirah Ramli, Siti Rosiah Mohamed, Badli Esham Ahmad, 2016-07-29 This book features more than 95 papers that were presented at the bi annual Regional Conference on Science Technology and Social Sciences RCSTSS 2014 which was organized by Universiti Teknologi MARA Pahang It covers topics ranging from communications studies politics psychology education religious studies as well as business and economics The papers which have been carefully reviewed include research conducted by academicians locally regionally and globally They detail invaluable insights on the important roles played by the various disciplines in science technology and social sciences Coverage includes accounting art and design business communication economics education finance humanity information management marketing music religion social sciences and tourism Throughout clear illustrations figures and diagrams complement the research The book is a significant point of reference to academicians and students who want to

pursue further research in their respective fields It also serves as a platform to disseminate research findings as a catalyst to bring out positive innovations on the development of the region

Designing for Screen Georgina Shorter,2012-08-01

Design is at the essence of storytelling but how does a production find its style and identity This book explains how to approach design whether for film television video promo or commercial making and introduces the techniques needed to make ideas happen Through theory and practical exercises it looks at design in a different way and shows how the simplest decisions can become powerful ideas on screen

Variation across Speech and Writing Douglas Biber,1991-12-19

Similarities and differences between speech and writing have been the subject of innumerable studies but until now there has been no attempt to provide a unified linguistic analysis of the whole range of spoken and written registers in English In this widely acclaimed empirical study Douglas Biber uses computational techniques to analyse the linguistic characteristics of twenty three spoken and written genres enabling identification of the basic underlying dimensions of variation in English In Variation Across Speech and Writing six dimensions of variation are identified through a factor analysis on the basis of linguistic co occurrence patterns The resulting model of variation provides for the description of the distinctive linguistic characteristics of any spoken or written text andd emonstrates the ways in which the polarization of speech and writing has been misleading and thus enables reconciliation of the contradictory conclusions reached in previous research

Cumulated Index Medicus ,1999

Modi's India Christophe Jaffrelot,2023-04-11

A riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi s government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India s Supreme Court Modi s India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities

Creative

Writing Practice Debra Adelaide,Sarah Attfield,2021-10-09 Creative Writing Practice reflections on form and process

explores the craft of creative writing by illuminating the practices of writers and writer educators Demonstrating solutions to problems in different forms and genres the contributors draw on their professional and personal experiences to examine specific and practical challenges that writers must confront and solve in order to write This book discusses a range of approaches to writing such as the early working out of projects the idea of experimentation of narrative time and of failure With its strong focus on process Creative Writing Practice is a valuable guide for students scholars and practitioners of creative writing
