Reporting And Writing Basics For The 21st Century:

Reporting and Writing Christopher Scanlan, 2000 A guide to developing the knowledge skills and attitude the professional journalist Reporting and Writing seeks to demystify the process of journalism The book takes a practical approach to reporting interviewing writing analyzing and revising news stories for broadcast print and online media Focusing on three aspects of journalism process coaching and storytelling Scanlan teaches students the skills to succeed in journalism today and in the future *Reporting and Writing*, 1998 **Workbook to Accompany Reporting and Writing Basics for the 21st Century** Christopher Scanlan, 2000 This workbook accompanies Reporting and Writing Basics for the 21st Century *Reporting and Writing* Christopher Scanlan, 2000-03 Reporting and Writing Basics for the 21st Century draws on Christopher Scanlan's twenty five years of work as a journalist reporter writer writing coach and teacher It combines his vast experience with the coaching approach to teaching writing and journalism an innovative user friendly and writing centered method created by University of New Hampshire Professor Donald Murray This energetic text provides students with skills and tools for learning the basics of journalism as well as for making the transition into a new age of reporting where reporters must know not only how to write a story but how to navigate the world's new technology

Assessing Media Education William G. Christ, 2013-11-05 This volume moves through the steps of developing an assessment plan establishing student learning outcomes in the various areas of the curriculum measuring these outcomes For faculty administrators preparing for accreditation **Building an Americanization Movement for the 21st Century: A Report**, 2008-12-29 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT Significantly reduced price Overstock List Price This report is the culmination of more than two years of research into immigrant integration efforts across all sectors of society in the United States The report provides an overview of successful integration initiatives observed in many sectors and prescribes recommendations to launch a coordinated national campaign similar to past Americanization movements to promote the assimilation of immigrants into American civic culture It presents recommendations presented for the President's consideration It provides a blueprint to implement the vision of a coordinated national strategy and affirms America's long standing tradition as a nation of immigrants *Public Affairs Reporting Now* George Killenberg, 2012-07-26 Everyday life no whether the issues or events arise next door or a continent away raises questions and concerns that the public counts on journalists to answer and more important confront More than ever before we all rely on the news media for warnings explanations and insights The profession and society cannot afford lazy inept uncommitted journalists Today's reporters must learn how to cover public affairs intelligently and thoroughly First you must learn about the institutions and people who influence the news understanding how a legislative conference committee functions or how a trial is conducted remain important pre requisites But it is not enough merely to know how to report Journalists must also understand how they see define and influence the news Don't be fooled by the daily dose of fluffy

stories about fads fashions or fetishes People love to revel in celebrity gossip or fantasize about extreme makeovers But Donald Trump s love life or the South Beach Diet don t satisfy when people worry about a home invasion in their neighborhood or a rezoning proposal to bring a Wal Mart super center to town or a Department of Education report that their child s school scored bottom most in reading achievement Public Affairs Reporting Now is intended to teach you the best practices and give you the best advice for covering what s generically known as public affairs reporting It s a term that s neither inspiring nor precise but it s long been a convenient way of describing the kind of news coverage that keeps people informed as citizens and keeps our institutions public and private focused on the public good Career Opportunities in Writing T. Allan Taylor,James Robert Parish,2009 Provides information on salaries skill requirements and employment opportunities for ninety writing and writing related professions **The Routledge Companion to American Literary Journalism** William Dow,Roberta Maguire,2019-11-13 Taking a thematic approach this new companion provides an interdisciplinary cross cultural and international study of American literary journalism From the work of Frederick Douglass and Walt Whitman to that of Joan Didion and Dorothy Parker literary journalism is a genre that both reveals and shapes American history and identity This volume not only calls attention to literary journalism as a distinctive genre but also provides a critical foundation for future scholarship It brings together cutting edge research from literary journalism scholars examining historical perspectives themes venues and genres across time theoretical approaches and disciplinary intersections and new directions for scholarly inquiry Provoking reconsideration and inquiry while providing new historical interpretations this companion recognizes interacts with and honors the tradition and legacies of American literary journalism scholarship Engaging the work of disciplines such as sociology anthropology African American studies gender studies visual studies media studies and American studies in addition to journalism and literary studies this book is perfect for students and scholars of those disciplines The Basics of Public Budgeting and Financial Management Charles E. Menifield,2025-04-30 Connecting budgetary theory with practical tools Charles E Menifield carefully examines the key areas that every budgeting and financial management student needs to know in order to be a successful budgeteer in a local government nonprofit or state level budget office From the perspective of a bureaucrat students examine various concepts and then work through in class and out of class exercises and problems to reinforce those concepts and ideas through practical applications Menifield provides an overview of the basic budgeting concepts types and techniques to orient students along with discussion of budget cycles and the actors involved in the process Chapters unfold to present personal services operating and capital budgets as well as the various ways to fund public budgets Students will gain an understanding of budgeting techniques and analytical models but also how these methods are useful in answering important policy questions Other topics include cash management risk management procurement debt management incentivizing economic development and cutback management strategies Menifield concludes with an examination of different data sources data

quality and appropriateness and the different ways to communicate budget data effectively using charts graphs and slides Each chapter provides the student with a list of important terms phrases and exercises that require the students to apply what they have learned in each chapter using only basic office applications The Fifth Edition of the book provides in class exercises for each chapter allowing students not only to compare their responses to their peers in small groups but also to present those responses to the entire class with the goal of improving their presentation skills This book blends budgetary theory and practice in a volume that is easy to understand by both undergraduate and graduate students alike

News and Sexuality Laura Castañeda, Shannon B. Campbell, 2006 The Accrediting Council of Educators in Journalism and Mass Communications ACEJMC recently added sexual orientation to its revised diversity standards This means that journalism schools seeking accreditation or re accreditation must develop a curriculum that fosters an understanding of issues and perspectives that is inclusive in terms of gender race ethnicity and sexual orientation This volume containing original material written for this text is designed to satisfy the requirement by the ACEJMC that all journalism departments teach sexual diversity Moving from description to analysis to application the text includes the history of media coverage of gay lesbian bisexual transgender and intersex GLBTI issues and coverage of important contemporary issues in the news such as Don't Ask Don't Tell the rise of GLBTI families and AIDS News and Sexuality Media Portraits of Diversity is a practical teaching tool that will help educators meet these new accreditation standards by addressing these complex and often controversial issues providing additional resources discussion questions suggested homework assignments and a glossary of terms Student journalists must be equipped to bring a general knowledge of sexual diversity issues to the table as part of their professional education repertoire And any adult who consumes media messages whether or not they work in media also must be able to spot inaccurate or biased reporting Key Features Moves from description to analysis to application putting issues and episodes into context All readings are original and written for this text Contains student study guides within each chapter with resources including Websites books and videos Concludes each chapter with discussion questions assignments and activities that bring the issues to life for students Chapter opening photographs highlight key historical and contemporary events in news media coverage of sexual diversity Includes a style guide prepared by the National Lesbian and Gay Journalists Association
