

REPORTING TO COURT under the Children Act

Before the directions appointment, it is your responsibility to provide your legal adviser with an estimate of the time required to prepare your written evidence and to take into account the consultation involved in developing the care plan. You should also indicate your availability for court hearings. Providing this information will help to assist your legal adviser in contributing to the court process.

A Handbook for Social Services

Reporting To Court Under The Children Act A Handbook For Social Services

Hugh Brayne, Gerry Martin

Reporting To Court Under The Children Act A Handbook For Social Services:

Reporting to Court Under the Children Act Penny Cooper, Great Britain: Department of Health, 2006-08-23 This publication sets out advice examples and checklists designed to help those preparing local authority statements and reports under the Children Act 1989 Topics covered include preparation time tabling and liaison with others in the court process requirements of specific public and private law applications including emergency protection orders and care or supervision orders the content of local authority statements and reports contact and care plans giving evidence at court chronologies and the Protocol which sets out best practice guidance for case management of public law cases It also contains six annexes including a checklist to assist foster carers in planning the content of their statements and tips for statement writing giving evidence at court useful web site addresses and a brief summary of the Human Rights Act 1998 and its implications This is the second edition of the handbook which supersedes the first edition 1996 ISBN 0113219687 Reporting to Court Under the Children Act Joyce Plotnikoff, 1997 **Using the Law in Social Work** Robert Johns, 2014-09-23 This book will help social work students gain a secure foothold in understanding aspects of law as applied to social work practice It is not a law manual or full of complicated legal jargon remote from the everyday realities of practice but rather brings the reader closer to safe legally appropriate social work It not only covers recent changes to legislation such as The Children and Families Act 2014 and The Care Act 2014 but also other key areas of legislation and policy including human rights youth justice child protection and mental capacity There are updates to case law and codes of practice and numerous case studies and reflective activities to help underpin knowledge and learning Affordable practical and tells you exactly what you need in order to pass assignments and prepare for practice Key Updates include new information on The Children and Families Act 2014 The Care Act 2014 Working Together to Safeguard Children 2012 Mental Capacity Act 2005 This book is in the Transforming Social Work Practice series All books in the series are affordable mapped to the Social Work Curriculum practical with clear links between theory practice and written to the Professional Capabilities Framework The Children Act 1989 Mary Ryan, 2019-07-23 First published in 1999 this book provides a practical guide to those parts of the Children Act 1989 that relate to the provision of services by local authorities to children and families dealing in particular with the powers and duties of local authorities in such circumstances care and supervision proceedings and child protection issues It combines a discussion of the legal framework of the Act and the regulations and guidance with information about good social work and legal practice relevant research and recent case law It is grounded on the author's practical experience of providing an advice and advocacy service for families and training for social workers lawyers and other child care professionals *The Child Protection Handbook E-Book* Rachael Clawson, Lisa Warwick, Rachel Fyson, 2024-01-03 The Child Protection Handbook explains how to recognise abuse and protect at risk children for those working with children and young people aged under 18 including in social care education health services and sport and leisure settings The book has been fully updated to

incorporate the impact of new technology as well as current legal and policy frameworks that govern statutory child protection intervention in the UK It considers all aspects of child protection including organisational issues children's rights the needs of those from diverse backgrounds and the impacts of the Covid 19 pandemic on child protection work With accessible up to date information presented in an easy to navigate format the Handbook is ideal for all busy practitioners wanting to improve outcomes for children young people and their families Fully updated since the last edition in 2007 perfect for all those working with children and young people Easy to navigate and locate information suitable as a reference book for busy practitioners Illustrative boxes in each chapter drawing on practice case examples to highlight current issues and dilemmas All concepts explained in straightforward jargon free language Reflective points to encourage the reader to think about their own practice and apply new knowledge Key questions for students and teachers to check understanding and to explore concepts further Links to resources and further reading Supporting social workers in child protection practice Poverty and child protection New forms of child abuse including technology assisted child sexual abuse child sexual exploitation gangs and criminal exploitation radicalisation forced marriage of children and young people female genital mutilation and faith based abuse Focus on teenagers including child protection in adolescence leaving care safeguarding and children in conflict with the law children and young people who have displayed harmful sexual behaviour and child to parent violence and abuse Safeguarding in sport and leisure Working with parents at risk of repeat removal of their children through care proceedings

Social Work with Children and Families Maureen O'Loughlin, Steve O'Loughlin, 2008-06-09 Working with children and families is a challenging skilled and rewarding area of social work practice It involves working in diverse settings with various groups of professionals such as the police schools hospitals and community organisations The current edition of this popular book has been updated to equip students with the knowledge and skills necessary to undertake essential work with children It also explores social workers values and attitudes in relation to the safety of children and includes references to important legislation such as Every Child Matters Working Together 2006 and the Adoption and Children Act 2002

Courtroom and Report Writing Skills for Social Workers Clare Seymour, Richard Seymour, 2011-07-07 This new text will build on Courtroom Skills for Social Workers by updating the legal and research content and strengthening the material on recording There will also be additional contributions from service users and more practice examples so as to make the book interesting and relevant for qualified social workers It will assist social workers in meeting their CPD requirements for continuing registration and also offer a framework for short in service training courses on court skills and recording both areas in which social workers performance comes under the scrutiny of other professionals

Working in Statutory Contexts Andrew Hill, 2010-05-17 This is an excellent book and should be compulsory reading for social work students It is clearly written sensitively related to social work practice with some first rate examples above all it really speaks to the realities of contemporary statutory professional practice in the twenty first century Andrew Hill has

written a thorough but readable text for students which they will find useful at any stage in their qualification degree David Shemmings University of Kent

Law for Social Workers Hugh Brayne, Gerry Martin, 1997 Law for Social Workers provides students with exactly what they need in order to understand the legal framework in which social workers act It provides clear information on key issues in social work law such as the social worker's duties to society and the client law and the legal system with detailed help on the issues of discrimination human rights and immigration status plus the workings of the courts working with children including in the civil and criminal courts working with adults and legal issues relating to violence family breakdown and housing

BOOK JACKET The Child Protection Handbook Kate Wilson, Adrian L. James, 2007-04-26 This title is directed primarily towards health care professionals outside of the United States The new edition of this popular handbook gives an authoritative informative and accessible account of key areas of child protection practice Covering research policy and practice it is relevant to all professionals working in child care No other book on child protection offers such comprehensive coverage of policy and practice It provides research findings in all areas of child abuse latest policies and indications of good practice plus specialist chapters for different professionals Chapters have been contributed by known experts in the field both distinguished academics and practitioners By combining the latest factual information with sophisticated analysis it is the ideal course text for child protection programmes as well as meeting the needs of more experienced practitioners academics and trainers

Practical Examines the issues grounded in reality and therefore gives the reader confidence in practice coupled with an understanding of the responsibilities of colleagues in other professions Comprehensive Covers a broad review of what constitutes child abuse and characteristics of the abused and the abusers medical social and legal management of the process of protection the actions involved in intervention and training and new directions for research and practice Authoritative Contributors are senior professionals known nationally and internationally for their specific expertise in this area Research based All books should be but amongst the professionals most closely involved in child protection the heavy workload often means there is little time to catch up on and assimilate up to date research fully This book offers a through guide to what research and policy initiatives can give to the practice of the reader new chapters addressing issues of culture and parenting each chapter contains key messages for practitioners key websites have been listed a website on Evolve with supplementary material

Handbook of Forensic Social Work David Axlyn McLeod, Anthony P. Natale, Kristin W. Mapson, 2024 The Handbook of Forensic Social Work Practice provides important reference content on the justice system the differential nature by which people families and communities navigate it and the various ways social workers interface with forensic systems and associated client populations The Handbook is an essential and accessible resource for social workers in forensic practice that synthesizes current theory policy and practice

Magistrates' Decision-Making in Child Protection Cases Rosemary Sheehan, 2018-02-06 This title was first published in 2001 Making decisions about the care and protection of children who appear before the courts is complex

Attention must be paid to the best interests of the child the child s need for their family community views on parenting and concern about welfare intrusion into family life Magistrates have a unique authority to make or reject child protection orders yet the criteria they use to decide a protection order how they understand the information presented to them in court and the factors that influence their discretion and decision making have until now been little known Presenting the findings of a study undertaken at Melbourne Children s Court this book offers a much needed investigation of how magistrates actually make child protection decisions Case examples highlight this decision making and the book thus offers practical assistance to professionals working with children in the legal process Routledge Handbook of Family Law and Policy John

Eekelaar,Rob George,2020-07-26 Changes in family structures demographics social attitudes and economic policies over the last 60 years have had a large impact on family lives and correspondingly on family law The Second Edition of this Handbook draws upon recent developments to provide a comprehensive and up to date global perspective on the policy challenges facing family law and policy round the world The chapters apply legal sociological demographic and social work research to explore the most significant issues that have been commanding the attention of family law policymakers in recent years Featuring contributions from renowned global experts the book draws on multiple jurisdictions and offers comparative analysis across a range of countries The book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children s rights and parental authority sexual orientation same sex unions and gender in family law and the status of marriage and other forms of adult relationships It also focuses on divorce and separation and their consequences the relationship between civil law and the law of minority groups refugees and migrants and the movement of family members between jurisdictions along with assisted conception surrogacy and adoption This advanced level reference work will be essential reading for students researchers and scholars of family law and social policy as well as policymakers in the field **United States Government Publications Monthly Catalog** ,1941 **Social Work and the**

Law Chris Maylea,2019-12-04 This exciting new textbook introduces students to the key aspects of the law and legal frameworks essential for social work practice in Australia Simple and easy to read it communicates the complex legal concepts in practice in ways students can easily understand With a focus on human rights and ethical conduct it s both concept based examining the ways of thinking and understanding law and social work interactions and topic based exploring the different specific areas of law which social workers are most likely to come into contact with This is essential reading for any student taking a unit in Social Work Law Specific to Australia it accounts for Australian jurisdictions and can be easily integrated into the classroom context with case studies questions for discussion and links to further resources including interactive resources and a website to support further learning and provide updates to changes in the law between editions

The Indian Child Welfare Act Handbook Billy Joe Jones,Mark Tilden,Kelly Gaines-Stoner,2008 Previous edition 1st published in 1995 Law for Social Workers Helen Carr,David Goosey,2021 Trusted for over 25 years Law for Social

Workers expertly guides students throughout their studies and into practice The authors skilfully combine accessible legal explanation real life case studies and valuable practice focused advice into a complete guide to social work law **The Labour Gazette** Canada. Department of Labour,1925 HMSO Monthly Catalogue Great Britain. Her Majesty's Stationery Office,1996 **Public Affairs Information Service Bulletin** ,1915
