Representing The People:

Christian Economics Dale Anthony Pivarunas, 2018-11-12 How is the Christian mandate to love your neighbor as yourself to be applied in business economics and politics In what way does God want people to act within their jobs their businesses and their business transactions treat tenants other businesses subordinates and their employees market their products and services and set prices monitor the quality and safety of their products and services and so on Christian Economics promotes justice fairness balance cooperation and mutual respect within business economics and politics and is based on three principles good is to be done and promoted and evil is to be avoided love your neighbor as yourself and treat each and every human being with absolute dignity Every business strategy every business policy and every business transaction needs to be based on these three principles People's Lawyers Diana Klebanon, Franklin L Jonas, Diana Klebanow, 2020-07-24

Throughout America's history lawyers with a crusading zeal have through their moral stance intellectual integrity and sheer brilliance made use of the law to fight social injustice In short biographical chapters the authors tell the stories of ten of these lawyers Some are well known Thurgood Marshall William Kunstler Louis Brandeis Morris Dees Clarence Darrow and Ralph Nader Others are not so well known but deserve to be All are fascinating and influential attorneys and examination of their lives illuminates key issues in American history An annotated bibliography a chronology of the person's life and work and a helpful table detailing their most prominent cases accompany each chapter **The Arena**, 1909 *Commentary on book I: Attica. Appendix: The pre-Persian temple on the Acropolis* Pausanias, 1898 The Maths Handbook Richard Elwes, 2011-11-24 This is the perfect introduction for those who have a lingering fear of maths If you think that maths is difficult confusing dull or just plain scary then The Maths Handbook is your ideal companion Covering all the basics including fractions equations primes squares and square roots geometry and fractals Dr Richard Elwes will lead you gently towards a greater understanding of this fascinating subject Even apparently daunting concepts are explained simply with the assistance of useful diagrams and with a refreshing lack of jargon So whether you're an adult or a student whether you like Sudoku but hate doing sums or whether you've always been daunted by numbers at work school or in everyday life you won't find a better way of overcoming your nervousness about numbers and learning to enjoy making the most of mathematics
