The Other Side of the Night Daniel Allen Butler, 2020-01-10 The New York Times bestselling author of *Unsinkable* recounts the disaster from the vantage point of nearby vessels Publishers Weekly A few minutes before midnight on April 14 1912 the unsinkable RMS Titanic on her maiden voyage to New York struck an iceberg Less than three hours later she lay at the bottom of the Atlantic Ocean While the world has remained fascinated by the tragedy the drama of those fateful hours was not only played out aboard the doomed liner It also took place on the decks of two other ships one fifty eight miles distant from the sinking Titanic the other barely ten miles away The masters of the steamships Carpathia and Californian Capt Arthur Rostron and Capt Stanley Lord were informed within minutes of each other that their vessels had picked up the distress signals of a sinking ship Their actions in the hours and days that followed would become the stuff of legend as one would choose to take his ship into dangerous waters to answer the call for help while the other would decide that the hazard to himself and his command was too great to risk responding After years of research Daniel Allen Butler now tells this incredible story moving from ship to ship on the icy waters of the North Atlantic in real time to recount how hundreds of people could have been rescued but in the end only a few outside of the meager lifeboats were saved He then looks at the US Senate investigation in Washington and ultimately the British Board of Trade inquiry in London where the actions of each captain are probed questioned and judged until the truth of what actually happened aboard the Titanic the Carpathia and the Californian is revealed Powerful very very well done New York Times bestselling author Clive Cussler **Night on Earth** Davide Rodogno, 2021-12-09 Reveals how international relief and development became intertwined in humanitarian programs in the Near East from 1918 to 1930 *Soldiers of the Night: The Story of the French Resistance* David Schoenbrun, 2019-08-09 The most complete account of the French Resistance in English and the most sensitive A masterful rendering of the Resistance Philip Hallie The New York Times A celebration and a memorial Mr Schoenbrun has had long conversations with a number of the best known survivors each one the keeper of a sacred flame the fullest account of the French Resistance in English Robert O Paxton The New York Review of Books Political history chiefly not heroics the most extensive account in English of the two French Resistances that of the Underground against Vichy and the Nazis and that of de Gaulle against all other claimants to authority over fallen France including prominently the Allies A memorable and important book Kirkus Reviews Former CBS Paris bureau chief David Schoenbrun gives us an excellent solidly researched account of the struggle waged by that gallant handful who sabotaged railroads and power plants rescued Allied fliers and Jewish fugitives assassinated German and Vichy officials then fought pitched battles against elite Wehrmacht formations With great objectivity and verve Schoenbrun chronicles the often muddled uncoordinated efforts of the Resistance through the four dark years of Nazi occupation Systematically and factually he explains the workings on the fragmented organizations that kept on fighting in spite of the Germans ruthless attempts to stamp them out Martin Sokolinsky Christian Science
