Rousseau's Republican Romance Elizabeth Rose Wingrove, 2000-02-22 In Rousseau's Republican Romance Elizabeth Wingrove combines political theory and narrative analysis to argue that Rousseau's stories of sex and sexuality offer important insights into the paradoxes of democratic consent She suggests that despite Rousseau's own protestations man and citizen are not rival or contradictory ideals Instead they are deeply interdependent Her provocative reconfiguration of republicanism introduces the concept of consensual nonconsensuality a condition in which one wills the circumstances of one's own domination This apparently paradoxical possibility appears at the center of Rousseau's republican polity and his romantic dyad in both instances the expression and satisfaction of desire entail a twin experience of domination and submission Drawing on a wide variety of Rousseau's political and literary writings Wingrove shows how consensual nonconsensuality organizes his representations of desire and identity She demonstrates the inseparability of republicanism and accounts of heterosexuality in an analysis that emphasizes the sentimental and somatic aspects of citizenship In Rousseau's texts a politics of consent coincides with a performative politics of desire and of emotion Wingrove concludes that understanding his strategies of democratic governance requires attending to his strategies of symbolization Further she suggests that any understanding of political practice requires attending to bodily practices

Chenevix Meredith finds his old comrade Henry Plumm murdered in the bathtub Piecing together their shared history Meredith looks back at the years they spent in Dublin half a century ago running a theatrical agency and rubbing shoulders with actors and assassins alike in the swirling smoke of public houses What their clients didn't know is that the flamboyant pair were undercover agents of the British state posted to identify terrorist networks Goldengrove is a deeply immersive satirical novel in which nothing is as it seems and no one is who they say they are Steeped in film noir classic crime and popular culture McCabe blurs the lines between what's real and what's staged in this absurd game of cat and mouse Yet again Patrick McCabe summons the ghost of Flann O'Brien in this wild rollick of a novel Wonderful shape shifting stuff Colum McCann author of Apeirogon Thunderously compelling and downright ecstatic This is nothing less than the work of a genuine master a must read Billy O'Callaghan author of Life Sentences One hears Joyce and Beckett and Paul Muldoon in the background Not because there is any borrowing but because all alike draw from that same dazzling tradition of oral storytelling Mark Bowles author of All My Precious Madness
