Republicanism In Modern Ireland

Iseult Honohan

Republicanism In Modern Ireland:

   Republicanism in Modern Ireland Fearghal McGarry,2003 These eleven essays explore various aspects of Irish republicanism north and south from the early twentieth century to today An awareness of history and its uses has long been a notable characteristic of modern Irish republicanism Some of the topics covered include republicanism and democracy paramilitarism IRA veterans the IRA and its relationship with Nazi Germany and the mentality of extreme republicanism Publisher description   **The Politics of Illusion** Henry Patterson,1989 This is the first comprehensive study of the IRA s attempts to create a social republicanism a marriage between militant nationalism and the politics of the left

   Republicanism in Ireland Iseult Honohan,2009-03-15 This volume explores the meaning of republicanism in contemporary Ireland While this has often been identified simply with nationalism the book examines the connections comparisons and contrasts between Irish republicanism and other strands of republican politics the ideology and practice of official French republicanism the broader European and American civic republican tradition and the contemporary revival of this tradition of citizenship Academics from different disciplines along with statesmen and politicians from different political perspectives are brought together to examine the relationship of historical and contemporary Irish republicanism to the wider republican theoretical tradition The book analyzes the variety of and changes in political positions among those parties describing themselves as republican in Ireland in the twenty first century and examines the possible relevance of the ideas of the broader republican tradition for future politics in Ireland in the context of multiculturalism economic globalization and increasing regional and transnational governance It will be essential reading for anyone interested in the ideas at work in the evolution of Irish politics North and South   **Sinn Féin and the Politics of Left Republicanism** Eoin Ó Broin,2009-02-20 Sinn Fein is a growing force in Irish politics Now the country s third largest party Sinn Fein have been one of the central architects of the peace process and are increasingly setting the terms of political debate in Ireland north and south Despite this the party remains much misunderstood and often misrepresented Sinn Fein and The Politics of Left Republicanism explores the ideological and organisational origins of the party charts their history and recent political development and assesses their possible futures Eoin O Broin argues that Sinn Fein is part of a distinct left republican tradition in Irish society whose future lies in the globally resurgent radical democratic left   **The Princeton History of Modern Ireland** Richard Bourke,Ian McBride,2016-01-12 An accessible and innovative look at Irish history by some of today s most exciting historians of Ireland This book brings together some of today s most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence famine emigration and feminism The Princeton History of Modern Ireland takes readers from the Tudor conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger exploring key political developments as well as major social and cultural movements Contributors describe how the experiences of empire and diaspora have determined

Ireland s position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief delving into subjects such as religion gender and Fenianism Presenting the latest cutting edge scholarship by a new generation of historians of Ireland The Princeton History of Modern Ireland features narrative chapters on Irish history followed by thematic chapters on key topics The book highlights the global reach of the Irish experience as well as commonalities shared across Europe and brings vividly to life an Irish past shaped by conquest plantation assimilation revolution and partition   <u>Modern Ireland and Revolution</u> Cormac O'Malley,2016-11-11 In 1922 following a decade of political ferment and much bloodshed the Irish Free State was established became stabilised and developed along conservative lines During these years the prevailing impulse was to reprove the actions of republicans who had rejected the Anglo Irish Treaty and many significant revolutionary voices were left unheeded One mind more agile than most of his contemporaries belonged to Ernie O Malley It was through his vastly popular clipped lyric memoirs especially On Another Man s Wound in 1936 that many of the complexities of the republican mindset were brought to light for readers worldwide In Modern Ireland and Revolution leading Irish and American historians and academics deliver critical essays that consider the life writings and monumental influence of Ernie O Malley and the modern arts that influenced him After his involvement in the War of Independence and the Civil War O Malley developed a modernist approach while living abroad for ten years he was devoted to the arts moved in circles that included Georgia O Keeffe and Paul Strand and through his probing mind counteracted any notion that republicans of his era were dull inflexible idealists In this fascinating collection art and revolution coincide enriching every preconception of the minds that supported both sides of the Treaty and revealing untoward truths about the Irish Free State s process of remembrance   **Official Irish Republicanism, 1962 to 1972** Sean Swan,2007-06 A history of the Official Irish Republican movement from the IRA s 1962 ceasefire to the Official IRA s permanent ceasefire in 1972 The civil rights movement the outbreak of violence in August 1969 the links with the communist party the Official IRA s campaign the ceasefire and later developments towards Sinn Fein the Workers Party are explored This book is the first in depth study of this crucial period in the history of Irish republicanism Using his unprecedented access to the internal documents of the movement and interviews with key participants Swan s work will transform our understanding of this transformative period in the history of the movement Henry Patterson Author of The Politics of Illusion A Political History of the IRA and Ireland Since 1939 There is much fascinating material and also much good sense Richard English Author of Armed Struggle A History of the IRA and Radicals and the Republic Socialist Republicanism in the Irish Free State   **Contemporary Irish Republican Prison Writing** L. Whalen,2007-11-26 As it traces the textual history of the works of authors like Bobby Sands and Gerry Adams this book analyses Republican resistance to disciplinary structures demonstrating the ways in which prisoners appropriate space through discursive strategies   <u>The Black Hand of</u>

Republicanism Fearghal McGarry,James McConnel,2009 Established in 1858 the Irish Republican Brotherhood was a secret oath bound movement dedicated to bringing about revolution in Ireland This book is a result of a major conference to mark the 150th anniversary of the founding of the Irish Republican Brotherhood and includes essays on Fenianism in its diasporic transnational and imperial context political violence republican ideology and popular politicisation culture religion and identity and memory and commemoration This is the first publication to consider Fenianism as the truly international phenomenon it represented and includes essays from international scholars assessing the impact of Fenianism a movement founded in America by the Irish immigrant community throughout Ireland Britain continental Europe the Americas and Australasia The book spans the full chronological range of Fenian movement from its origins in the aftermath of the Young Ireland movement through its existence as a mass revolutionary movement in the 1860 s the long period as an underground revolutionary conspiracy culminating in its role as the driving force of the Irish revolution between 1916 and 1921 **The Cambridge Social History of Modern Ireland** Eugenio F. Biagini,Mary E. Daly,2017-04-27 Covering three centuries of unprecedented demographic and economic changes this textbook is an authoritative and comprehensive view of the shaping of Irish society at home and abroad from the famine of 1740 to the present day The first major work on the history of modern Ireland to adopt a social history perspective it focuses on the experiences and agency of Irish men women and children Catholics and Protestants and in the North South and the diaspora An international team of leading scholars survey key changes in population the economy occupations property ownership class and migration and also consider the interaction of the individual and the state through welfare education crime and policing Drawing on a wide range of disciplinary approaches and consistently setting Irish developments in a wider European and global context this is an invaluable resource for courses on modern Irish history and Irish studies **Republicanism in Theory and Practice** Iseult Honohan,Jeremy Jennings,2006-01-16 While republicanism has long been a subject of sustained interest the topic is at the moment experiencing an international revival This is reflected in the fact that it is becoming more widely taught particularly at an advanced level Republicanism frequently features as a compulsory topic in political theory courses as well as in comparative politics and US and European political history This book combines theory and practice It features some unique case studies on topics such as family and housing policy as has a broad geographical scope **The Oxford Handbook of Irish Politics** David M. Farrell,Niamh Hardiman,2021 This andbook provides the most comprehensive coverage of Irish politics and society to date and is the go to resource for academics students policy makers and journalists The New Politics of Sinn Féin Kevin Bean,2007-01-01 Sinn F in ourselves or we ourselves began innocuously enough at least in etymology when founder Arthur Griffith asked the publishers of an Oldcastle paper if he might use their name for a new political party that he was setting up Since that 1905 founding however and through its journey from revolutionary movement to potential political partner in the state it was pledged to destroy the modern political meaning of Sinn F in reflects a contradictory and tension

heavy history of Irish republicanism The New Politics of Sinn F in is a powerful and revealing assessment of the ideological and organizational development of provisional republicanism since 1985 The first half of the volume chronicles the processes of change that transformed the republican movement from its revolutionary origins to its current role as a civic and legislative power while the second half explores the ideological implications of this transition Arguing that the political movement remains a site of contestation between elements of the universal and the particular Kevin Bean looks especially to the tensions between civic and ethnic conceptions of identity and the nation as a way to define Sinn F in in its current incarnation making this an essential volume for anyone concerned with the contemporary state of Irish politics *Destiny of the Soldiers – Fianna Fáil, Irish Republicanism and the IRA, 1926–1973* Donnacha Ó Beacháin,2011-06-21 Incisive engaging and thought provoking Destiny of the Soldiers charts Fianna F il s political and ideological evolution from its revolutionary origins through extended periods in office Fianna F il is Ireland s largest political party and one of the most successful parties in any democracy in the world Until recent years it has been almost constantly in government since 1932 This fascinating volume argues that Fianna F il s goals foremost among them the reunification of the national territory as a republic became the means to bind its members together to gain votes and to legitimise its role in Irish society But the official ideological goals concealed what became merely a basic desire to rule The balance sheet consequently became one of votes won or lost rather than goals achieved or postponed Destiny of the Soldiers assesses Fianna F il s changing attitudes towards its parent party Sinn F in and the IRA and how these changes affected Fianna F il s policies towards Northern Ireland Never forgetting its republican roots Fianna F il has at times been both troubled and conflicted by them This was especially the case in the late 1960s and early 1970s when the Northern Ireland Troubles posed a challenge for all rhetorical republicans At that time Fianna F il found itself the governing party of a state whose legitimacy it had originally rejected the consequent tensions nearly tore it apart Destiny of the Soldiers is the first survey of the party s history which focuses on these unresolved tensions Destiny of the Soldiers Table of Contents Legion of the Rearguard The revolutionary origins of Fianna F il 1920 23 Removing the straitjacket of the Republic 1923 6 Fianna F il the Republican Party Fianna F il and the Irish Free State 1927 31 Election Time 1931 2 Fianna F il in power 1932 8 Revolutionary crocodile 1939 40 The showdown 1940 46 A new republican rival 1946 8 Drift 1948 59 Approach to crisis 1960 69 The moment of truth 1969 71 Doomsday 1971 3 Conclusions The destiny of the Soldiers **Shinners, Dissos and Dissenters: Irish republican media activism since the Good Friday Agreement** Paddy Hoey,2018-01-17 Shinners dissos and dissenters is a long term analysis of the development of Irish republican media activism since 1998 and the tumultuous years that followed the end of the Troubles It is the first in depth analysis of the newspapers magazines and online spaces in which strands of Irish republicanism developed and were articulated in a period in which schism and dissent underscored a return to violence for dissidents Based on an analysis of Irish republican media outlets as well as interviews with the key activists that produced them this book

provides a compelling snap shot of a political ideology in transition as it is moulded by the forces of the Peace Process and often violent internal ideological schism that threatened a return to the bad old days of the Troubles <u>Ireland's Opportunity</u> Shane Lynn,2025-04-29 How the South African War transformed nationalist politics across Ireland s global diaspora In 1899 the British Empire embarked on a deeply controversial war against two small Boer Republics in South Africa To many Irish nationalists the Boers were fellow victims of British mistreatment Defeat for the Boers they worried would mean defeat for the principle that small white nations like Ireland were entitled to govern themselves Widespread outrage sparked a dramatic resurgence in Irish nationalism after a decade of disunity and decline The shape and strength of this revival varied throughout Ireland s vast global diaspora Ireland s Opportunity traces the impact of Boer fever across Ireland and the diaspora networks that connected Irish communities in the United States Canada Australia and New Zealand Home Rulers reunited to oppose the war even as those in Britain s colonies asserted their loyalty to the empire and its racist underpinnings Fenian revolutionaries meanwhile saw England s difficulty in South Africa as Ireland s opportunity to strike for independence Explosive conspiracies hatched in Ireland and the United States failed to kindle the desired revolution But the lessons and legacies of the South African War years would shape their fateful response when England s difficulty returned after 1914 Blending global perspectives with intimate portraits of individuals whose lives were forever changed by the war Shane Lynn reveals how Irish nationalism was a global phenomenon with a tangled and paradoxical relationship to empire <u>Troubles of the past?</u> James W. McAuley,Máire Braniff,Graham Spencer,2023-02-14 This collection brings together academics and practitioners to consider the increasingly central role that memory and recalling the past plays in determining contemporary politics and the future direction of Northern Irish society Using theoretical comparative and case study approaches it considers not only how narratives of the past are constructed reconstructed understood and commemorated but also the ways in which the key themes that emerge are harnessed and mobilised to political and social effect in the present The book draws deeply on a wide range of expert opinion and viewpoints to add significantly to existing knowledge surrounding the debates over memory and the ways it is used in Northern Irish society <u>Seventeenth-century Ireland</u> Brendan Fitzpatrick,1989-01-01 Seventeenth Century Irelandwas chosen by CHOICEfor the 1989 1990 Outstanding Academic Books and Nonprint Material OABN list The OABN list includes only the top 10% of all books reviewed by CHOICE in 1989 Contents Introduction Identities and Allegiances 1603 25 The Crown and the Catholics Royal Government and Policy 1625 37 Fateful Ideologies The Stuart Inheritance Wentworth and the Ulster Crisis 1638 9 On the Eve of Revolution 1639 41 1641 The Plot That Never Was Insurrection and Confederation 1641 4 In Search of a Settlement Ormond Rinuccini and Cromwell 1645 53 Theology and the Politics of Sovereignty Jansenist Jesuit and Franciscan Ideologies in Conflict 1660 91 References Bibliography Index R **Imagining Ireland Abroad, 1904–1945** Lili Zách,2021-07-29 Offering a unique account of identity formation in Ireland and Central Europe this book explores and contextualises transfers and comparisons

between Ireland and the successor states of the Austro Hungarian Empire It reveals how Irish perceptions of borders and identities changed after the re birth of the small states of Austria Hungary and Czechoslovakia and the creation of the Irish Free State Adopting a transnational approach the book documents the outward looking attitude of Irish nationalists and provides original insights into the significance of personal encounters that transcended the borders of nation states Drawing on a wide range of official records private papers contemporary press accounts and journal articles Imagining Ireland Abroad 1904 1945 bridges the gap between historiographies of the East and West by opening up a new perspective on Irish national identity   The Rising Fearghal McGarry,2010-01-28 The Easter Rising of 1916 not only destroyed much of the centre of Dublin it changed the course of Irish history But how did it achieve this What role did people from ordinary backgrounds play in the making of the Irish revolution and what motivated them to take part in it What did the rebels think they could achieve And what kind of a republic were they fighting for These basic questions continue to divide historians of modern Ireland The Rising is the story of Easter 1916 from the perspective of those who made it focusing on the experiences of rank and file revolutionaries a story now told for the first time To do this Fearghal McGarry makes use of a unique source that has only recently seen the light of day a collection of over 1 700 eye witness statements detailing the activities of members of Sinn F in the Irish Republican Brotherhood Cumann na mBan and the Irish Volunteers at the time of the Rising This collection represents one of the richest and most comprehensive oral history archives devoted to any modern revolution providing new insights on almost every aspect of this seminal period Using this unique source McGarry shows how people from ordinary backgrounds became politicized and involved in the struggle for Irish independence in the early years of the twentieth century He illuminates their motives and aspirations and highlights the importance of the Great War as a catalyst for the uprising He concludes by exploring the Rising s revolutionary aftermath which saw the creation of an Irish parliament D il ireann and the Irish Republican Army s armed campaign to win independence
