Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders

Marlene Laruelle

Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders:

The Republics and Regions of the Russian Federation Robert W. Orttung, Danielle N. Lussier, Anna Paretskaya, 2000
A presentation of political economic and demographic data on every territorial unit of the Russian Federation its local government structure and electoral history Each entry includes a profile of the president governor or prime minister and an overview of local trends

The Republics and Regions of the Russian Federation: A Guide to the Politics, Policies and Leaders Robert W. Orttung, East West Institute, 2019-08-08 Russia is divided into seven federal districts encompassing 89 units regions oblasts territories krais and republics As central power has weakened the importance of these units and their local leadership has increased commensurately This work brings together in one volume all basic political economic and demographic data on every territorial unit of the Russian Federation its local government structure and electoral history current through the spring 2000 elections and the summer 2000 reorganization Each entry includes an extensive profile of the president governor or prime minister and an overview of local political trends policies economy and business conditions

Historical Legacies of Communism Alexander Libman, Anastassia V. Obydenkova, 2021-01-21 Libman and Obydenkova reveal how legacies of the Communist Party of the Soviet Union CPSU have survived in the politics economic development culture and society of post Communist regions in the 21st Century The authors show how this impact is not driven by Communist ideology but by the clientelistic practices opportunism and cynicism prevalent in the CPSU Their study is built on a novel dataset of the CPSU membership rates in Russian regions in the 1950s 1980s alongside case studies interviews and an analysis of mass media previously only available in Russian and discussed here in English for the first time It will appeal to students and scholars of Russian and Eastern European politics and history and anyone who wants to better understand countries which live or have lived through Communism from Eastern Europe to China and East Asian Communist states

Russian Nationalism Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia's distinctive national character based on the country's geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia's ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin's political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond

Democracy, Civic Culture and Small Business in Russia's Regions Molly O'Neal, 2015-08-20 This book adopts a novel analytical approach to understanding how Russia's stalled democratisation is related to the incomplete liberalisation of the economy Based on extensive original comparative study of Russia's regions the book explores the precise channels of interaction that create the mutuality of property rights entrepreneurship rule of law norms of citizenship and

liberal democracy It demonstrates that the extent of democratisation varies across regions and that this variation is connected to the extent of liberalisation of the economy Moreover it argues that the key factor in producing this linkage is the relative prominence of small business owners and their supporters in articulating their interests vis vis regional and local administrations especially through the institutionalisation of networks and business associations The book develops its key theses by means of detailed analysis of the experiences of four case study regions Overall the book provides a major contribution to understanding the path of democratisation in Russia

Deceiving (dis)appearances Harlan Koff, 2007 The impact of recent shifts in global geopolitics and economic markets has led to the re conceptualization of national borders Scholars have shifted their analysis away from the narrow idea of borders and moved their attention towards the wider view of borderlands border regions and border zones thus leading to the conceptual re definition of border politics These recent approaches have identified border areas as socially constructed territories that demonstrate many of the characteristics of independent polities Border communities seem to have come to life creating a degree of autonomy and separation from central state actors While the rich literature in border studies identifies important changes in local political and economic systems it does not necessarily identify the mechanisms that create these changes Why has integration occurred in some border regions while others are being reinforced Why has integration failed in some cases where opportunity structures are positive while it has succeeded in others saddled with more limited constraints The essays in this volume address such fundamental questions

The Politics of Poverty Reduction Paul Mosley, 2012-03-29 Poor people everywhere are politically weak and yet poverty in some developing countries has gone down dramatically Why is this Using nine country case studies this book provides answers by examining government alliances the role of aid donors and NGOs and policies on labour tax and expenditure

The Regional Roots of Russia's Political Regime William M. Reisinger, Bryon J Moraski, 2017-01-09 Insightful analysis of how regional politics shaped the executive branch s ability to retain power and govern under Yeltsin and Putin

The Russian Far East Susan F. Davis, 2003-08-29 This book is a comprehensive introduction to the contemporary Russian Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth

Ethnic Groups of North, East, and Central Asia James B. Minahan, 2014-02-10 Covering countries ranging from Afghanistan and China to Kazakhstan and Russia this encyclopedia supplies detailed information and informed perspectives enabling readers to comprehend Asian ethnic groups as well as Asian politics and history Asia is quickly becoming one of the most important regions of the world culturally economically and politically This work provides encyclopedic coverage of a wide array of Central North and East Asian ethnic groups including those in eastern Russia Kazakhstan Uzbekistan Kyrgyzstan Turkmenistan Tajikistan Afghanistan China Taiwan Japan and the Koreas Arranged alphabetically by ethnic group each entry provides an overview of the group that identifies its major population centers and population primary languages and religions parallels with other groups origins

and early development major historic events and cultural belief systems Information on each group s typical ways of life relations with neighboring groups politics and recent history notable challenges demographic trends and key figures is also included Special attention is focused on the numerous ethnic groups that make up China one of the world s most populated countries Sidebars throughout the text provide fascinating facts and information about specific groups to make the encyclopedia more accessible and appealing while Further Reading sections at the end of each entry and the bibliography will provide ample additional resources for students performing in depth research

The Handbook of Public Administration, Vol. 1 Bekir PARLAK,Nazlı ÖZCAN SARIHAN, İmren Pınar DÜLGAR,Erhan Örselli, Ahmet Tayfur Küçüktıǵlı,Arzu YILDIRIM,Soner AKIN, Demet DÖNMEZ,Bülent Savaş FURAT, Abdullah UZUN, Bülent Savaş FURAT,Seda H. BOSTANCI,Hicran HAMZA ÇELİKAY, Semih NARGÜL, Onur AKGÜL, Şefik Okan MERCAN,Eyüp ŞEN,Bayram COŞKUN,Handan BOYALI,Çağrı ÇOLAK,Mısra CİĞEROĞLU ÖZTEPE,Sevinç SOYOCAK ÖZALP,Cüneyt TELSAC, Sedat KARAKAYA,2022-10-15 The Handbook of Public Administration Vol 1 Livre de Lyon

The New Tsar Steven Lee Myers,2015 The epic tale of the rise to power of Russia s current president of his emergence from shrouded obscurity and deprivation to become one of the most consequential and complicated leaders in modern history

Resolving the Russo-Japanese Territorial Dispute Brad Williams,2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia s troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such Resolving the Russo Japanese Territorial Dispute will appeal to students and scholars of Asian politics international relations and post communist states

Unleashing Russia's Business Potential Harry G. Broadman,2002-01-01 Russia needs to continue to assess and improve its business environment in order to ensure continuing investment and sustained growth Currently many of the new businesses are being established in the larger urban areas but similar new businesses need to develop at the regional level This book based on in

depth case studies of more than 70 companies across 13 regions in Russia examines four areas key to institutional development and formulates policy recommendations Topics include the determinants of inter enterprise competition and market structure at the local level the regulatory regime governing the price supply and access to local infrastructure services access to corporate finance in regional markets and the legal system for resolution of commercial disputes The Siberian Curse Fiona Hill, Clifford G. Gaddy, 2003 Hill and Gaddy frame the problems of Siberia more clearly and offer policy recommendations which are more concrete and coherent than any previous analyses of Siberia from Russian or foreign sources of which I am aware Robert Cottrell New York Review of Books *Japan, Russia and their Territorial Dispute* James D. J. Brown, 2016-02-05 The territorial dispute between Japan and Russia over four islands off the northeast coast of Hokkaido has been an enduring obstacle to closer relations between the two powers and therefore an important determinant of geopolitics in North East Asia Having emerged at the end of World War II this conflict has now existed for more than seven decades And yet despite the passage of so much time within Japan there remains a resilience of belief that the islands will eventually be returned This book provides a comprehensive analysis of Japan's prospects of ever recovering these Northern Territories Offering an in depth account of why the Japanese side believe they still have a chance of securing the return of the four islands it also provides an objective and methodical evaluation of the prospects of these expectations being realised The key finding is that Japanese policymakers and scholars have consistently overestimated the extent of Japan's leverage with regard to Russia and that there is in fact already no possibility whatsoever of sovereignty over the four islands being restored to Japan This has major implications for Japanese decision makers who must balance their principled commitment not to compromise on territorial issues with more pragmatic considerations of energy security and how to contain the rise of Chinese regional power Presenting a unique analysis and a strikingly different perspective on this territorial dispute the findings of this book are of considerable importance for international relations within the Asia Pacific region It will be of interest to students and scholars of Japanese Politics Russian Politics and International Relations **Historical Dictionary of the Chechen Conflict** Ali Askerov, 2015-04-22 Since the escalation of the war in the North Caucasus in the eighteenth century the political map of the world has changed repeatedly and dramatically and many major wars and bloody revolutions ripped through the world But the nature of the struggle between Russia and Chechnya is still the same The former wants to dominate Chechnya coercively while the latter wants to win its freedom from Russia by force Due to the power asymmetry of the sides to the violent conflicts history has witnessed splendid tactics of guerrilla warfare developed by the fighting people of the region The Historical Dictionary of the Chechen Conflict covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Chechen conflict **Where Nation-States Come From** Philip G.

Roeder,2012-01-09 To date the world can lay claim to little more than 190 sovereign independent entities recognized as nation states while by some estimates there may be up to eight hundred more nation state projects underway and seven to eight thousand potential projects Why do a few such endeavors come to fruition while most fail Standard explanations have pointed to national awakenings nationalist mobilizations economic efficiency military prowess or intervention by the great powers Where Nation States Come From provides a compelling alternative account one that incorporates an in depth examination of the Russian Empire the Soviet Union and their successor states Philip Roeder argues that almost all successful nation state projects have been associated with a particular political institution prior to independence the segment state a jurisdiction defined by both human and territorial boundaries Independence represents an administrative upgrade of a segment state Before independence segmental institutions shape politics on the periphery of an existing sovereign state Leaders of segment states are thus better positioned than other proponents of nation state endeavors to forge locally hegemonic national identities Before independence segmental institutions also shape the politics between the periphery and center of existing states Leaders of segment states are hence also more able to challenge the status quo and to induce the leaders of the existing state to concede independence Roeder clarifies the mechanisms that link such institutions to outcomes and demonstrates that these relationships have prevailed around the world through most of the age of nationalism **Social**

Capital and Social Cohesion in Post-Soviet Russia Judyth L. Twigg,Kate Schecter,2016-09-16 This work shows that the collapse of socialist employment and social service systems and of the USSR itself has had profoundly damaging effects manifested in dislocation and homelessness ethnic strife family breakdown declining life expectancy and soaring rates of violence and crime *Russia's Hero Cities* Ivo Mijnsen,2021-05-04 World War II known as the Great Patriotic War to

Russians ravaged the Soviet Union and traumatized those who survived After the war memory of this anguish was often publicly repressed under Stalin But that all changed by the 1960s Under Brezhnev the idea of the Great Patriotic War was transformed into one of victory and celebration In *Russia's Hero Cities* Ivo Mijnsen reveals how contradictory national recollections were revised into an idealized past that both served official needs and offered a narrative of heroism This triumphant narrative was most evident in the creation of 13 Hero Cities now located across Russia Belarus and Ukraine These cities which were host to some of the fiercest and most famous battles were named champions Brezhnev's government officially recognized these cities with awards financial contributions and ritualized festivities Their citizens also encountered the altered history at every corner on manicured battlefields in war memorials and through stories at the kitchen table Using a rich tapestry of archival material oral history interviews and newspaper articles Mijnsen provides a thorough exploration of two cities in particular Tula and Novorossiysk By exploring the significance of Hero Cities in Soviet identity and the enduring but conflicted importance they hold for Russians today *Russia's Hero Cities* exposes how the Great Patriotic War no longer has the power to mask the deep rifts still present in Russian society

As recognized, adventure as capably as experience about lesson, amusement, as capably as treaty can be gotten by just checking out a book **Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders** afterward it is not directly done, you could take even more re this life, with reference to the world.

Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Republics And Regions Of The Russian Federation A Guide To Politics Policies And Leaders Books
