Requiem Jerome McDonough,1977-06-01 **Requiem** Forrest McDonald, Ellen Shapiro McDonald,1988 Enacting Past and Present Michaela M. Grobbel,2009-01-28 Through a discussion of Walter Benjamin Sigmund Freud Mieke Bal and others author Michaela Grobbel focuses on the work three women authors as types of performance which lead to representations of memory These women writers foreground the present but also critically demonstrate the complex relationship of the present to the past Grobbel's work is a critical addition to any discussion of feminism memory and literary modernism *Derek Jarman* Rowland Wymer,2019-01-04 This book gives detailed and original critical readings of all eleven of Derek Jarman's feature length films arguing that he occupies a major and influential place in European and world cinema rather than merely being a cult figure It places particular emphasis on the importance of Renaissance art and literature for Jarman and emphasises his interest in Jungian psychology Wymer shows how Jarman used his films to take his audience with him on an inner journey in search of the self whilst remaining fully aware of the dangers of such a journey Making substantial use of Jarman's unpublished papers as well as all his published works Wymer argues that the films are orientated towards a much wider audience than is often supposed They are addressed to anyone of whatever gender or sexuality who is prepared to go on a journey in search of him or her self and to become Jarman's accomplice in the dream world of the soul
