Rescue Pilot:

Rescue Pilot Jerry Grayson, 2015-03-12 Jerry Grayson is an ordinary man who chose an extraordinary career. At age 17 he became the youngest helicopter pilot to ever serve in the Royal Navy. By age 25 he was the most decorated peacetime naval pilot in history. For the Navy's Search and Rescue pilots, getting to work is both an adventure and an ordeal. Whether rescuing a wounded fighter pilot who has ditched in the sea, saving desperate survivors from a sinking ship, or picking up a grievously ill crewman from the deck of a nuclear armed submarine that is playing a cat and mouse game with the Soviet navy, Jerry Grayson has lived a life of unparalleled excitement and adventure. His finest hour came during the infamous Fastnet Yacht Race of 1979 in which 25 yachts were lost. When a catastrophic storm enveloped the competitors, he and his crew pushed their Wessex helicopter to its absolute limits and put their own lives at risk, flying into hurricane force winds to winch shipwrecked sailors from heaving tempestuous seas. An investiture at Buckingham Palace with Her Majesty the Queen was the result. Being a Rescue Pilot is a fast paced career because there is no choice. Lives are at stake and pilots must move and think fast. Jerry Grayson's inside view of this heroic service is as inspirational as it is celebratory. Excitingly told, frequently funny but also very poignant, Jerry's story is not an account of just one man's deeds; it is a salute to all the men and women he worked with who were able to turn tragedies into triumphs. Includes a Foreword by HRH The Duke of York, Prince Andrew, Commodore in Chief of the Fleet Air Arm. **Rescue Pilot** John Funnell, 2016-10-03 The daring adventures of a New Zealand search and rescue pilot. Somewhere up ahead a person is bleeding but you have to put that out of your mind. Your job is negotiating with time and space. You have your clock; that person has their own and in the end, whether the rate at which your clock is clicking matches theirs is out of your control. John Funnell is one of New Zealand's longest serving search and rescue pilots. Often referred to as a search and rescue daredevil, John has just retired after an incredible 49 years flying search and rescue helicopters. He is perhaps best known for the 800 kilometre mission to save a scientist attacked by a shark on the remote sub Antarctic Campbell Island when he set off into the night knowing the distance was twice that of the helicopter's normal fuel range. Clocking an incredible 19 000 hours of flight time, John is a hero to hundreds of victims all over New Zealand. What's more, he's a natural born story teller and his stories in *Rescue Pilot* are utterly gripping. *Search and Rescue Pilot* Louise Spilsbury, 2015-07-15 Search and rescue pilots do a tough and dangerous job. ability to function in her world or is it Alternating between what is real and what is not Richard Sole hypnotizes us with elegant dreamscapes within cityscapes and as a tour guide takes the reader to distant lands and introduce them to its culture and mores Like any traditional narrative the book starts at point A and ends at point B It just goes backward through the alphabet to get there A slippery cerebral drama that slaloms from illusion to reality and back again leaving the reader bewitched and bothered It is the story of good and evil a narrative of America s imperial character versus radical Islamic Jihad it is the tangle of relationships that goes against the grain and challenges eternal truths A well crafted and enthralling brain teaser A Ritual of the Monkey is either a great mind bending book or one big swindle Let s go with the former Stella Westhoff Atlanta Georgia About The Book Spurred by a desire to travel the world Ezra Cantrell joined the Foreign Service and saw it all Thousand islands of Indonesia soaring minarets in Kyrgyzstan Uzbekistans bulbous blue domes and many pleasant tree filled streets around the world His journeys traversed the continents casting a spell on any travelers imagination Along with Sacha his Indonesian spouse their magical journey is a measure for adventure or misadventure Then the ragged wounds of life strike Sacha with an emotional disorder and strip her of a fulfilling life experience Her obsessive ritual is matched only by the lecherous fetish of a French diplomat who falls in love with her nineteen year old daughter The mishmash adds a disquieting twist to an already sick family dynamic Lost in the shuffle Sacha struggles as she trails her husband on international assignments With each move she starts again in a different city Adrift in real time and dream time Ezra finds solace from the family turmoil as he escapes on assignments and soon experiments with his sexual curiosity Tormented by his secret desires he struggles to stave off the gremlins Along comes a sociopath brimming with wicked desires who spews a disturbing shroud over an American university campus A delusional love affair sprouts a bruised ego ruptures and a sick obsession with a sadistic bent is unleashed with dreadful outcomes What appears to be isolated slayings soon turn into the handiwork of a demented mind setting off an intercontinental jealous rage that chills the mind in this dream invasion epic
