Rescued From the Dragon Dian Layton,2023-08-01 Near the forests of Laws Forgotten a dragon rules a village called Greed For many years the dragon has controlled the people and told them lies about the King The King needs someone to go to the village Greed and tell the people the truth The King needs someone to conquer the great dragon and rescue the people The King needs an army It looks like that gate is the only entrance to the village I ll try to sneak around the dragon The Children called after him in anxious whispers Be careful Seeker Seeker moved bravely and carefully toward the dragon Closer and closer he went until he was almost close enough to touch the great beast Seeker held his nose and tried to keep from getting sick The dragon s breath was terrible and he smelled as though he had never ever brushed his teeth and never ever taken a bath Seeker pinched his nose tightly and began to step toward the entrance gate of the village But suddenly The dragon stood up with a loud and vicious ROAR Rescued from the Dragon Dian Layton,2017-11-14 Rescued from the Dragon Bella Mannaro,2020-01-08 Jason watched over the blacksmith forge for his master Rau when a customer dressed in a nobleman s fancy clothes asked for some work to be done He was no ordinary customer as Jason discovered Instantly drawn to the man s intense beauty brilliant green eyes and kind heart Adain Cariad suddenly consumed all of Jason s thoughts Their encounter however was not by chance As a powerful wyvern in search of a mate to carry his fledgling Adain knew the handsome slave was his true mate from the moment he entered the tiny medieval village Jason was captivated and found himself dreaming of being with Adain even though his cruel master would not allow him ever to leave him Adain insisted on spending time with Jason despite Jason s warnings that his master was secretly a vicious monster in disguise a dragon When Adain realized Jason was truly his mate he was forced to find a witch whose spellwork could bind them together forever while giving Jason the strength to bear Adain s fledgling The witch s price for her service was high Jason would need to know what Adain was before she would agree to the spell and she demanded the heart of Jason s dragon master Will Jason still want to be with Adain when he learns Adain is a wyvern Will Adain be able to destroy Rau and rescue Jason from the dragon This book is a stand alone MM dragon shifter Mpreg story of approximately 27k words It will most likely contain an HEA However it also contains strong descriptions of MM romance Mpreg some violent scenes and a storyline of forced servitude It is not for anyone under the age of 18 or for anyone who might be unsettled by such descriptions and themes *Dragon Rescue* Don Callander,2014-02 Have You Seen This Dragon Arbitrance Constable had been missing for over ten years a short time as Dragons lives go but long enough to cause worry to his family and friends At first they thought he might be indulging in the male Dragon s dual desires for wandering and treasurer hunting what Dragons rather euphemistically call questing But as the second decade began Arbitrance s Companion Murdan of Overhall again and again called his mount to no avail It was unlike Arbitrance to ignore his Companion s call The Constables began to search for him *The Great Dragon Rescue* M. Lynne Pickering **The Political Theory of I Love Lucy** Leslie Dale Feldman, 2019-01-18 This book looks at how the classic television series fits into the cultural milieu of mid-century America I Love Lucy incorporates key themes of the 1950s American political scene and classic American values of family social mobility community individualism and work keeping in mind that Luck as Machiavelli said is the arbiter of half of what we do As the beloved American TV queen Lucy Ricardo is a psychologically complicated character conflicted between her role as a 1950s housewife and her wish to be a star She is an icon of social mobility going from a small New York City apartment to a country house in a swanky suburb and an example of the transitional woman who wants to have it all Is she a feminist Is she a conformist Does she prefer the country to the city Whether she is working on the chocolate factory assembly line baking bread or achieving the American dream Lucy is always speeding it up

**Secret of the Dragon's Claw** Derek Hart, 2010-04-07 Secret of the Dragons Claw continues the adventures of Gavin Kane, Emily Scott, and Bunty Digby, fourteen-year-old teens who struggle with their daily lives in England during the winter of 1941 and into the spring of 1942. War has forced everyone to settle into an uncomfortable daily pattern while England is still under siege as U-boats relentlessly attack vital convoys. Halfway across the world, British, American, and Allied forces are now also fighting the Japanese Empire. Twice before, the teens have helped battle the forces of darkness, but once again, face strange and wicked creatures sent from deep within Nazi Germany. Secret of the Dragons Claw further develops the friendship and alliance between this teenage trio and the eccentric Sir Thaddeus Osbert. The dragon has become accustomed to battling a myriad of dangerous foes over the ages, but protecting Gavin, Emily, and Bunty has become a full-time endeavor. Thaddeus must deal with his nagging sweet tooth, which this time gets him into several compromising situations. However, the dragon's addiction to sugar has unforeseen benefits too. The children band together with their dragon friend, of course, but they also discover magical powers are commonplace throughout the United Kingdom. Will a hasty alliance with a senile old wizard be enough to prevent something so horrible, so unimaginable, that it threatens to plunge the entire world into permanent darkness?
