back the curtain of life's most desperate and dire situations. She vulnerably and with raw honesty shares her stories of rescue in life's messiest situations. With each difficulty a rescue came. Each rescue was different, requiring just the right person at the right time with the right solution, but each came from and through the hand of God. Jen's stories encourage us that in the midst of our struggle, God perfectly surrounds us, guides us, and pulls us above water, rescuing us from anything and everything, including ourselves. With each rescue, we can be pulled and carried to a new place we would not have known without His rescue. Then, in a way only God can do, He equips those He has rescued to also be life preservers for others. It is time for your rescue journey to begin. Climb aboard, living with the rescued heart God has given you. Scars and all. **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1962. Love is going pretty well for Gideon Marks. He's living with his boyfriend Jonah, and his business is thriving beyond his wildest dreams. So why is he still worried he's not enough, and all he holds dear will slip through his fingers? Jonah Fine has everything he wants; he's head over heels in love with Gideon and has finally stepped out from under the shadow of his father. Aware of Gideon's continuing struggle with dyslexia, Jonah tries to reassure him that they are equal partners in their relationship by making their first Valentine's Day one to remember. Ghosts from the past reappear, sending Gideon into a tailspin. He must make the decision to either hold on to the anger he grew up with or forgive the pain he's carried with him all his life. It will take all of Gideon's courage, Jonah's love, and a special surprise for Gideon to finally realize the one person he must learn to love is himself. This is a 12,000-word short story featuring a sexy chef and a hot rabbi who needs to learn to stay out of the kitchen. [Ritual Texts for the Afterlife](#) Fritz Graf, Sarah Iles Johnston, 2013-07-04. Fascinating texts written on small gold tablets that were deposited in graves provide a unique source of information about what some Greeks and Romans believed regarding the fate that awaited them after death and how they could influence it. These texts, dating from the late fifth century BCE to the second century CE, have been part of the scholarly debate on ancient afterlife beliefs since the end of the nineteenth century. Recent finds and analysis of the texts have reshaped our understanding of their purpose and of the perceived afterlife. The tablets belonged to those who had been initiated into the mysteries of Dionysus/Bacchus and relied heavily upon myths narrated in poems ascribed to the mythical singer Orpheus. After providing the Greek text and a translation of all the available tablets, the authors analyze their role in the mysteries of Dionysus and present an outline of the myths concerning the origins of humanity and of the sacred texts that the Greeks ascribed to Orpheus. Related ancient texts are also appended in English translations. Providing the first book-length edition and discussion of these enigmatic texts in English and their first English translation, this book is essential to the study of ancient Greek religion. *Ritual Texts for the Afterlife*, 2007-06-11.
