Rescued Love Kenneth Wright, 2024-04-02 Sometimes love can truly take you by surprise This is how it was with us when we encountered a little lost rescue dog who needed a home When she entered our lives we began to understand the joy love and frustration only life with a rescue dog can bring Then a couple years later we invited another rescue dog into our family changing our lives in ways we could not have imagined before Are you a dog lover Or are you someone just looking to better understand the many forms love can take We invite you to take a journey with us Rescued Love will take you on a voyage through our memories of life with two rescue dogs giving you a front row seat to the ups and downs and the good and bad And through our reminiscences we hope your own memories of life with dogs you have known will be reawakened Come join us in our tale of life with our two rescue dogs our Rescued Love

As you like it* William Shakespeare,1921 The ethics of rhetoric Richard M. Weaver,2023-11-17 In The Ethics of Rhetoric Richard M Weaver presents a profound exploration of the interplay between rhetoric and morality arguing for the intrinsic connection between persuasion and ethical considerations Weaver adopts a dialectical style grounding his discourse in classical rhetoric while engaging with contemporary philosophical thought The book articulates the dangers of rhetoric devoid of ethical grounding drawing from historical examples and weaving in the complexities of communication in a modern context thereby establishing itself as a critical text for understanding the power of language in shaping societal values and beliefs Richard M Weaver 1910 1963 was a prominent figure in American rhetoric and communication celebrated for his blend of classical scholarship and practical application in modern society His experiences in an increasingly post war America characterized by rapid societal change and the rise of mass communication informed his urgency to address the ethical implications of persuasion Weaver s philosophical insights were often influenced by his Southern heritage and rigorous academic background allowing him to navigate the intersection of culture language and morality with nuanced clarity This may be the essential book for anyone interested in the ethics of communication rhetoric or social philosophy

Weaver's compelling arguments challenge readers to reflect critically on the ethical responsibilities inherent in the act of persuasion making it a vital contribution to rhetorical studies and a thought provoking read for students scholars and practitioners alike *The Echoes of My Mind & The Voices of My Soul* Ray Redner, **Language is Sermonic** Richard L. Johannesen, Rennard Strickland, 1985-07-01 Richard M Weaver believed that rhetoric at its truest seeks to perfect men by showing them better versions of themselves *Language is Sermonic* offers eight of Weaver's best essays on the nature of traditional rhetoric and its role in shaping society Arguing throughout the book against society's reverence for relativism and the consequential disregard for real values this philosophical idealist uses his southern background and classical education as a backdrop for his scrutiny of our misuse of language Weaver argues that rhetoric in its highest form involves making and persuasively presenting choice among goods He condemns such supposedly value free stances as cultural relativism semantic positivism scientism and radical egalitarianism Eschewing such peripheral aspects of rhetoric as memorization and delivery aspects too often now presented as the whole Weaver deals instead with the substance of rhetoric Ideas and the words used to express them these are Weaver's subjects Anyone concerned about language its use and abuse in contemporary society will find *Language is Sermonic* provocative and rewarding The editors critical interpretation of all of Weaver's writing as well as Ralph Eubanks brief appreciation of Weaver make this a book no student of language and ideas should be without Richard M Weaver was one of the most stimulating and controversial rhetorical theorists of our time He taught for many years at the University of Chicago and was the author of several books including *Visions of Order* *Ideas Have Consequences* *The Ethics of Rhetoric* and *Life Without Prejudice and Other Essays*
