Research Guide To Current Military And Strategic Affairs:

Research Guide to Current Military and Strategic Affairs William M. Arkin, 1981 Guiden er et sammendrag af grundliggende referencer der beskæftiger sig med globale militære og strategiske spørgsmål Guiden indeholder mere end 1000 referencer og omtaler over 600 tidsskrifter *A Bibliography of Military Geography* Eugene J. Palka, 1988 This four volume document is designed to enhance scholarly research in the area of military geography and to serve as a reference tool It is anticipated that this will meet the research needs of professors and students of military science geography and history along with members of the Armed Forces government officials and planners This bibliography is organized following the accepted scheme for military geography utilizing three main categories systematic topical and regional Volume I is a complete alphabetized list Volume II is organized systematically Volume III is organized topically and Volume IV collects regional sources **Military Planning in the Twentieth Century** Mary Ann Robinson, 1984 The essays commentaries and speeches which form this volume were presented at the Eleventh Military History Symposium held at the United States Air Force Academy on 10-12 October 1984 This conference is a biennial event sponsored jointly by the Department of History and the Association of Graduates of the United States Air Force Academy Begun in 1967 the series seeks to address problems in military history which have received limited attention and to provide a forum in which scholars may present the results of their research In this manner we hope to stimulate and encourage interest in military history among civilian and military scholars members of the armed forces and the cadets of the United States Air Force Academy *Air University Review*, 1982-05 **Guide to Human Rights Research** John J. Tobin, Harvard Law School. Human Rights Program, 1994 3 Asia *Military Review*, 2008 *Arms Transfers and Dependence* Christian Catrina, 2021-10-23 First published in 1988 Arms Transfers and Dependence was written to provide a view of arms transfers in the context of the global distribution of power The book analyses different types of dependence and is focused on comparing the enhancement of military capabilities as a result of arms transfers with the dependence that may be caused by those transfers In doing so it provides an overview of how particular structures of imports and exports of arms lead to dependence **Military planning in the twentieth century**, **Special Bibliography Series** United States Air Force Academy. Library, 195? *Special Bibliography Series*, 1957 **Sociology of War and Peace** Colin Creighton, Martin Shaw, 1987-04-24 *Data Manipulation in Sci-tech Libraries* Ellis Mount, 1985 **A History Of U.s. Military Forces In Germany** Daniel J. Nelson, 2019-04-08 Discussing why the U S will remain in the FRG for the foreseeable future this book examines the U S military presence in Germany It shows how that presence has affected the development of the political and diplomatic relationship between the two countries **Professional Journal of the United States Army**, 1982 *Military Enterprise and Technological Change* Merritt Roe Smith, 1985 In this book historians of technology bring their special expertise to probing the influence of the military on technological development over a broad range of history and in a variety of cases **Nuclear Weapons And The American**

Churches Donald L. Davidson, 2019-03-04 This book describes the positions advocated by ethicists and churches in the public debate on nuclear weapons After tracing the development of just war theory the dominant moral position on war in Western thought Dr Davidson synthesizes the views of contemporary ethicists on the moral principles associated with the just war tradition He then documents the postures of Reinhold Niebuhr Paul Ramsey Michael Walzer and James Turner Johnson with regard to the first use and retaliatory use of nuclear weapons deterrence policy the nuclear freeze proposal the arms race and disarmament The positions endorsed by the Roman Catholic Church and the major Protestant and Jewish denominations in the United States on the issues of nuclear warfare are described in detail with extensive treatment given to the development of the Catholic Bishops 1983 pastoral letter on war and peace and the statements of churches affiliated with the National Council of Churches The views of over 30 denominations representing more than 110 million members are considered The final chapter of the book contrasts the stance of the churches with that of the Reagan Administration Proposing guidelines for a moral defense policy in the nuclear age Dr Davidson's thesis is that national security requires a recognition of the need to protect and preserve values worth defending while simultaneously taking steps to prevent nuclear war Quarterly Review of Military Literature , 1982 *Bulletin of the Atomic Scientists* , 1984-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world

Waging Nuclear Peace Robert Ehrlich, 1985-06-30 *Waging Nuclear Peace* is a clear and informative interdisciplinary survey of the issues surrounding nuclear war It raises and attempts to answer questions that often go unasked How can we measure the risk of nuclear war Will slowing the arms race reduce the risk of war Is disarmament desirable or undesirable in this respect Robert Ehrlich has succeeded in being as objective as possible while at the same time taking well defined positions on a wide range of subjects Yet the book does not purport to have the answers to the nuclear dilemma Instead it assists the reader in thinking through the issues and in coming to a personal conclusion Comprehensive in its scope *Waging Nuclear Peace* encompasses both technical issues such as the effects of nuclear weapons and policy issues such as arms control the nature of the arms race and the feasibility of civil defense It includes material on new findings concerning nuclear winter the catastrophic change in global climate that might follow a nuclear war **Intelligence and the National Security Process** , 1985

Research Guide To Current Military And Strategic Affairs Introduction

In today's digital age, the availability of Research Guide To Current Military And Strategic Affairs books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Research Guide To Current Military And Strategic Affairs books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Research Guide To Current Military And Strategic Affairs books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Research Guide To Current Military And Strategic Affairs versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Research Guide To Current Military And Strategic Affairs books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Research Guide To Current Military And Strategic Affairs books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Research Guide To Current Military And Strategic Affairs books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Research Guide To Current Military And Strategic Affairs books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Research Guide To Current Military And Strategic Affairs books and manuals for download and embark on your journey of knowledge?
