Research In The Sociology Of Work Vol 1 Research In The Sociology Of Work:

Research in the Sociology of Work. Vol. 1 (1981)- ,1981 Work and Organizations in China after Thirty Years of Transition Lisa Keister,2009-09-17 Thirty years of economic change have fundamentally altered the nature of organizations and work in China This volume brings together the research by many of the top scholars studying these issues and provides a glimpse into the state of thinking on organizations and work at the start of the fourth decade of transition

Ethnographies of Work Rick Delbridge,Markus Helfen,Andreas Pekarek,Gretchen Purser,2023-12-12 Presenting cutting edge ethnographic research on contemporary worlds of work and the experiences of workers from a range of contexts this volume offers fine grained exploratory ethnographic data to provide insights unmatched by other research methods Work and Labor in the Digital Age Steven P. Vallas,Anne Kovalainen,2019-07-04 This volume presents the most recent studies of work and labor in the digital age as it unfolds in both Europe and the United States

Professional Work Elizabeth Gorman,Steven.P Vallas,2020-10-15 Current challenges to the legitimacy of expert knowledge has caused professional control over knowledge autonomy at work orientation toward public service and social status to have declined In this collection scholars examine the nature of these changes and how they have altered the experience of professional workers

Essentiality of Work Markus Helfen,Rick Delbridge,Andreas (Andi) Pekarek,Gretchen Purser,2024-10-03 Raising pressing questions about the essence of work and its place in contemporary society this volume inspires new debates about the centrality of the work experience in modern life for those working as well as those who benefit from that work Precarious Work Arne L. Kalleberg,Steven P. Vallas,2017-12-08 This volume presents original theory and research on precarious work in various parts of the world identifying its social political and economic origins its manifestations in the USA Europe Asia and the Global South and its consequences for personal and family life

Networks, Work, and Inequality Steve McDonald,2013-04-23 This volume illuminates the processes by which social networks in work organizations can effectively generate sustain and ameliorate social inequalities across individuals firms and occupational fields It offers valuable insights that inform researchers and policy makers regarding issues of workplace discrimination diversity and innovation

Religion, Work, and Inequality Lisa Keister,2002-04-17 Work behaviours and inequality in work based rewards are essential to financial security and general well being Although the benefits of receiving work based rewards such as income benefits and retirement packages are significant they are not enjoyed uniformly This title articulates an agenda for better understanding these social processes *Globalism/Localism at Work* Jorge Carrillo Viveros,Leni Beukema,2004-12-30 In this volume the focus is on the interrelations of the global and the local in their consequences for work The process of restructuring of work is analyzed as an ongoing locally situated process in which actors within work organizations play an important role Nevertheless when taking the context of work organizations into account the increasing importance of the global on the local processes is obvious Local practices keep their central importance but the global doesn t function only as

a context for the local anymore but forms more and more a practice of itself in which an increasing number of actors play their part As we can see on the World Wide Web people and firms are both emitters and receptors and act on the local and global level at the same time Local diversity in a world with increasing interdependencies is shown in a number of contributions from different parts of the world These contributions are clustered around two main themes Labor markets in global and local scenarios From industry to services Global industries Restructuring and local jobs The many case studies presented shed light to the diversity that occurs in different local situations

Employability Gretchen Purser, Rick Delbridge, Markus Helfen, Andreas Pekarek, 2025-08-18 Arguing that employability has an elusive character that renders it in dire need of sustained critical analysis Employability provides a much needed framework for thinking about the enigma of employability and for critically reappraising its consequences

Gender and Sexuality in the Workplace Christine Williams, Kirsten Dellinger, 2010-09-01 Features sociological research and theory on gender and sexuality in the workplace and identifies how organizations can achieve a gender balanced and sexually diverse work force This book discusses such topics as gender discrimination and the wage gap homophobic and gay friendly workplaces sexual harassment and sex in the workplace

Institutions and Entrepreneurship Wesley D. Sine, Robert J. David, 2010-10-25 Examines how the institutional environment affects entrepreneurial organizations and vice versa

Comparing European Workers David Brady, 2011-04-07 This first of two companion volumes places the labor markets workplaces jobs and workers of Europe in comparative perspective and focuses on the politics economics sociology and history of work and workers in Europe It compares contemporary patterns and the recent history of European workers with other models of work worldwide

Digital Work and the Platform Economy Seppo Poutanen, Anne Kovalainen, Petri Rouvinen, 2019-11-28 Uberization digitalization platform economy gig economy and sharing economy are some of the buzzwords that characterize the current intense discussions about the development of the economy and work around the world among both experts and laypersons Immense changes in the ways goods are manufactured business is done work tasks are performed education is accomplished and so on are clearly underway This also means that demand for careful first rate social scientific analyses of the phenomena in question is rapidly growing This edited volume gathers distinguished researchers from economics business studies organization studies medicine social psychology occupational health pedagogics and sociology to put particular work in both public and private sectors and education in both academic and vocational settings at the focus of the emerging digitalized platform economy The authors anchor their analyses and conceptual and theoretical work in distinctive empirical developments that are taking place in one of the leading countries of digitalization processes Finland Finnish case studies reflect general global developments and show their particular context related actualization in multiple ways This double exposure enables the authors of this multi and interdisciplinary volume to advance conceptualization and theorization of the key phenomena in digitalizing platform societies in novel creative and groundbreaking directions This book will without doubt be of great value
