Roses For Mama:

Roses for Mama Janette Oke, 2006-08 She s cared for her siblings as best she could but is it enough Instead of the new life she and her family expected to forge out west seventeen year old Angela is thrust into the role of caring for her three younger siblings after the death of their parents With the help of her older brother and trust in God Angela is determined to raise the children as her mother would have wanted As the youngsters grow the questions and challenges intensify Angela feels trapped and overwhelmed Surely no man will ever want a woman who comes with three children in tow Is this the plan God has for her life Will she ever find a way to balance her own dreams with the promises she made to her mama Roses for Mama Janice K. Hines Clark, 2016-03-17 Mama was born on a farm near the small town of Port Oklahoma in 1918 She lived through two world wars The Great Depression Prohibition The Jazz Age The Dust Bowl Days and the Roaring 20s This book is about our family s life experiences in the small towns of Cordell Clinton and Oklahoma City our heritage and our mother and the remarkable job she did raising her five children I have included as many details as possible about what her life and her children s lives were like in rural Oklahoma during those years and as much historical data about Washita County and Cordell Oklahoma as I could find I have also included details about her children and grandchildren and what an impact she had upon our lives **Nissa's Place** A. Lafaye, 2010-10-08 LaFaye surpasses the lyricism and emotional depth of her sparkling debut The Year of the Sawdust Man in this sequel It s been two years since Nissa s mother Heirah Rae left the family and Depression era Harper La for a new life in Chicago Nissa now 13 believes she must preserve her mother s presence in the household When Heirah Rae calls home to announce her birthday gift to Nissa a trip to Chicago she upsets the tenuous relationship between Nissa her father Ivar and her stepmother Lara Still feeling abandoned but hungry for time with her mother Nissa decides to travel back to Chicago with Heirah Rae who shows up on their doorstep During her stay in Chicago Nissa notes how her mother has blossomed away from Harper s nosy scandalmongers LaFaye achieves just the right balance between Nissa s introspection and the adventures she has with her mother The intricate prose mirrors the fragile complexity of Nissa s feelings about returning to Harper My heart shrunk a little as the train pulled away but I knew I d made the right choice I could feel it like a warm blanket on a cold nightAa tight satisfied feeling deep down inside strong enough to carry me home Readers will be moved as Nissa comes to view Heirah Rae s flight as an act of courage and a spur for Nissa to make her own dream of a library in Harper come true is most successful when he mixes his different approaches into the original sort of magic realism he creates in the title tale which concerns an erotically charged encounter between a virginal Irish au pair Nula and a Moroccan student Henri Tatahouine in Paris The hallucinatory quality of Henri s account of his life leaves Nula emotionally blistered as though she had been in the Sahara The comic horrifying Cats in Space which tells the tale of a group of kids who use helium balloons to launch a kitten into the air is similarly effective Though uneven Kalfus s collection is ambitious and daring with smart fluid prose and an abundance of surprises **Roses for Mama** Janice K Hines
