

People should know that words have an effect on people. They may have gotten what they wanted, but they're the one that got hurt in the end!

If people was telling me that, I'd fail to even to fly a kite!  
Shaming someone into acting like a stereotype of what they expect of you is downright awful!

And I've seen you in action you're real funny on set! and yunno you'd give me great ideas for skits-

You're really smart too! You say some words I didn't even know existed!
