## **Rowing In Eden Rereading Emily Dickinson:**

Rowing in Eden Martha Nell Smith, 2010-07-05 Emily Dickinson wrote a letter to the world and left it lying in her drawer more than a century ago This widely admired epistle was her poems which were never conventionally published in book form during her lifetime Since the posthumous discovery of her work general readers and literary scholars alike have puzzled over this paradox of wanting to communicate widely and yet apparently refusing to publish In this pathbreaking study Martha Nell Smith unravels the paradox by boldly recasting two of the oldest and still most frequently asked questions about Emily Dickinson Why didn't she publish more poems while she was alive and Who was her most important contemporary audience Regarding the question of publication Smith urges a reconception of the act of publication itself She argues that Dickinson did publish her work in letters and in forty manuscript books that circulated among a cultured network of correspondents most important of whom was her sister in law Susan Huntington Gilbert Dickinson Rather than considering this material unpublished because unprinted Smith views its alternative publication as a conscious strategy on the poet's part a daring poetic experiment that also included Dickinson's unusual punctuation line breaks stanza divisions calligraphic orthography and bookmaking all the characteristics that later editors tried to standardize or eliminate in preparing the poems for printing Dickinson's relationship with her most important reader Sue Dickinson has also been lost or distorted by multiple levels of censorship Smith finds Emphasizing the poet sustaining aspects of the passionate bonds between the two women Smith shows that their relationship was both textual and sexual Based on study of the actual holograph poems Smith reveals the extent of Sue Dickinson's collaboration in the production of poems most notably *Safe in Their Alabaster Chambers* This finding will surely challenge the popular conception of the isolated withdrawn Emily Dickinson Well versed in poststructuralist feminist and new textual criticism *Rowing in Eden* uncovers the process by which the conventional portrait of Emily Dickinson was drawn and offers readers a chance to go back to original letters and poems and look at the poet and her work through new eyes It will be of great interest to a wide audience in literary and feminist studies **Rowing in**

**Eden** Martha Nell Smith, 1992 Emily Dickinson wrote a letter to the world and left it lying in her drawer more than a century ago This widely admired epistle was her poems which were never conventionally published in book form during her lifetime Since the posthumous discovery of her work general readers and literary scholars alike have puzzled over this paradox of wanting to communicate widely and yet apparently refusing to publish In this pathbreaking study Martha Nell Smith unravels the paradox by boldly recasting two of the oldest and still most frequently asked questions about Emily Dickinson Why didn't she publish more poems while she was alive and Who was her most important contemporary audience Regarding the question of publication Smith urges a reconception of the act of publication itself She argues that Dickinson did publish her work in letters and in forty manuscript books that circulated among a cultured network of correspondents most important of whom was her sister in law Susan Huntington Gilbert Dickinson Rather than considering this material unpublished because

unprinted Smith views its alternative publication as a conscious strategy on the poet's part a daring poetic experiment that also included Dickinson's unusual punctuation line breaks stanza divisions calligraphic orthography and bookmaking all the characteristics that later editors tried to standardize or eliminate in preparing the poems for printing Dickinson's relationship with her most important reader Sue Dickinson has also been lost or distorted by multiple levels of censorship Smith finds Emphasizing the poet sustaining aspects of the passionate bonds between the two women Smith shows that their relationship was both textual and sexual Based on study of the actual holograph poems Smith reveals the extent of Sue Dickinson's collaboration in the production of poems most notably *Safe in Their Alabaster Chambers* This finding will surely challenge the popular conception of the isolated withdrawn Emily Dickinson Well versed in poststructuralist feminist and new textual criticism Rowing in Eden uncovers the process by which the conventional portrait of Emily Dickinson was drawn and offers readers a chance to go back to original letters and poems and look at the poet and her work through new eyes It will be of great interest to a wide audience in literary and feminist studies

**Emily Dickinson** Ann Beebe, 2022-03-18 The public is familiar with the Emily Dickinson stereotype an eccentric spinster in a white dress flitting about her father's house hiding from visitors But these associations are misguided and should be dismantled This work aims to remove some of the distorted myths about Dickinson in order to clear a path to her poetry The entries and short essays should open avenues of debate and individual critical analysis This companion gives both instructors and readers multiple avenues for study The entries and charts are intended to prompt ideas for classroom discussion and syllabus planning Whether the reader is first encountering Dickinson's poems or returning to them this book aims to inspire interpretative opportunities The entries and charts make connections between Dickinson poems ponder the significance of literary artistic historical political or social contexts and question the interpretations offered by others as they enter the never ending debates between Dickinson scholars

*The Cambridge Companion to Emily Dickinson* Wendy Martin, 2002-09-05 Emily Dickinson one of the most important American poets of the nineteenth century remains an intriguing and fascinating writer The Cambridge Companion to Emily Dickinson includes eleven new essays by accomplished Dickinson scholars They cover Dickinson's biography publication history poetic themes and strategies and her historical and cultural contexts As a woman poet Dickinson's literary persona has become incredibly resonant in the popular imagination She has been portrayed as singular enigmatic and even eccentric At the same time Dickinson is widely acknowledged as one of the founders of American poetry an innovative pre modernist poet as well as a rebellious and courageous woman This volume introduces new and practised readers to a variety of critical responses to Dickinson's poetry and life and provides several valuable tools for students including a chronology and suggestions for further reading

*Dickinson and Audience* Martin Orzeck, Robert Weisbuch, 1996 An obsessively private writer Emily Dickinson almost never submitted poems for publication which she deemed the Auction Of the Mind Yet over a century of criticism has established what readers of various sensibilities describe as a shockingly intimate relation between

text and audience making the question of whom the poems address a crucial element in interpreting them This volume of essays is the first book exclusively focused on Dickinson's relation to audience from the relatively few persons who received many of the poems to that vast unseen yet somehow specific other that any literary work addresses Dickinson's writings were influenced by her ambivalent attitude toward the conventions of the nineteenth century literary marketplace and her desire to shape more intimate relations with chosen contemporaries Still her poems and letters engage modern readers and speak to the social and gendered politics of our own day The essays in *Dickinson and Audience* treat both the importance of Dickinson's personal friendships and the ways in which contemporary poetics continue to sustain the vitality of her writings With contributions from Willis J Buckingham Karen Dandurand Betsy Erkkila Virginia Jackson Charlotte Nekola Martin Orzeck David Porter Robert Regan Richard B Sewall R McClure Smith Stephanie A Tingley and Robert Weisbuch the collection boasts a wide variety of critical approaches to the poet and her works from traditional biographical and historical analyses to deconstructionist feminist and reader response interpretations It will interest not only scholars in these areas but also anyone who wants to gain insight into Dickinson's creative genius     *The Poetry of Emily Dickinson* Victoria N.

Morgan, 2023-08-24 Taking readers through the various stages of criticism of Emily Dickinson's poetry this guide identifies both the essential critical texts and the key debates within them The texts chosen for discussion represent the canonical readings which have typically shaped the area of Dickinson studies throughout the twentieth and twenty first century and provide a lens through which to view current critical trends Chapters focus on style and meaning gender and sexuality history and race religion and hymn culture and performance and popular culture In all this guide serves as a user friendly reference tool to the vast body of criticism on Dickinson to date by suggesting formative starting points and underlining essential critical highlights It provides students and scholars of Dickinson with a sense of where these critical texts can be placed in relation to one another as well as an understanding of pivotal moments within the history of reception of Dickinson from late nineteenth century reviews up to some of the definitive critical interventions of the twenty first century     *Emily Dickinson in Context* Eliza Richards, 2013-09-16 Long untouched by contemporary events ideas and environments Emily Dickinson's writings have been the subject of intense historical research in recent years This volume of thirty three essays by leading scholars offers a comprehensive introduction to the contexts most important for the study of Dickinson's writings While providing an overview of their topic the essays also present groundbreaking research and original arguments treating the poet's local environments literary influences social cultural political and intellectual contexts and reception A resource for scholars and students of American literature and poetry in English the collection is an indispensable contribution to the study not only of Dickinson's writings but also of the contexts for poetic production and circulation more generally in the nineteenth century United States     *Edinburgh Companion to Nineteenth-Century American Letters and Letter-Writing* Celeste-Marie Bernier, 2016-02-15 Provides a wide ranging entry point and intervention into scholarship on nineteenth

century American letter writing This comprehensive study by leading scholars in an important new field the history of letters and letter writing is essential reading for anyone interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and strangers and across multiple genres in ways that both make and break social ties

**Key Features** Draws together different emphases on the intellectual literary and social uses of letter writing Provides students and researchers with a means to situate letters in their wider theoretical and historical contexts Methodologically expansive intellectually interrogative chapters based on original research by leading academics Offers new insights into the lives and careers of Louisa May Alcott Charles Brockden Brown Emily Dickinson Frederick Douglass Margaret Fuller Henry James Thomas Jefferson Abraham Lincoln Herman Melville Harriet Beecher Stowe and Edgar Allan Poe among many others *The Routledge Introduction to American Renaissance Literature* Larry J. Reynolds, 2021-09-23 Examining the most frequently taught works by key writers of the American Renaissance including Poe Emerson Fuller Douglass Hawthorne Melville Thoreau Jacobs Stowe Whitman and Dickinson this engaging and accessible book offers the crucial historical social and political contexts in which they must be studied Larry J Reynolds usefully groups authors together for more lively and fruitful discussion and engages with current as well as historical theoretical debates on the area The book includes essential biographical and historical information to situate and contextualize the literature and incorporates major relevant criticism in each chapter Recommended readings for further study along with a list of works cited conclude each chapter [A Companion to Emily Dickinson](#) Martha Nell Smith, Mary Loeffelholz, 2013-12-12 This companion to America s greatest woman poet showcases the diversity and excellence that characterize the thriving field of Dickinson studies Covers biographical approaches of Dickinson the historical political and cultural contexts of her work and its critical reception over the years Considers issues relating to the different formats in which Dickinson s lyrics have been published manuscript print halftone and digital facsimile Provides incisive interventions into current critical discussions as well as opening up fresh areas of critical inquiry Features new work being done in the critique of nineteenth century American poetry generally as well as new work being done in Dickinson studies Designed to be used alongside the Dickinson Electronic Archives an online resource developed over the past ten years **The Anachronistic Turn** Stephanie Russo, 2023-12-01 The Anachronistic Turn Historical Fiction Drama Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present Through an examination

of literary cinematic and popular texts and practices this book investigates how twenty first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties Drawing together a wide range of texts across all forms of historical fiction novels dramas musicals films and television this book re frames anachronism not as an error but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing The book achieves this by exploring three core themes the developing trends in the twenty first century for creators of historical fiction to include deliberate anachronisms such as contemporary references music and language the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present and the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties This book will appeal to students and scholars of historical fiction contemporary historical film and television studies and historical theatre studies

*Research Guide to American Literature* Benjamín Franklin,2010 Presents American literature from the beginnings to the Revolutionary War including essays narratives and more      Epistolary Practices William Merrill Decker,2000-11-09 Letters have long been read as primary sources for biography and history but their performative fictive and textual dimensions have only recently attracted serious notice In this book William Merrill Decker examines the place of the personal letter in American popular and literary culture from the colonial to the postmodern period After offering an overview of the genre Decker explores epistolary practices that coincide with American experiences of space settlement separation and reunion He discusses letters written by such well known and well educated persons as John Winthrop Benjamin Franklin Thomas Jefferson Abigail and John Adams Nathaniel Hawthorne Margaret Fuller Henry David Thoreau Samuel Clemens Henry James and Alice James but also letters by persons who except in their correspondence were not writers at all indentured servants New England factory workers slaves soldiers and Western pioneers Individual chapters explore the letter writing of Ralph Waldo Emerson Emily Dickinson and Henry Adams three of America s most ambitious accomplished and theoretically astute letter writers Finally Decker considers the ongoing transformation of letter writing in the electronic age      **Beneath the Second Sun** Adam W. Sweeting,2003 Indian summer the succession of warm fair days gracing New England in autumn is at once a flourishing period signaling the end of fall a meteorological event a vernacular cultural construction and a literary metaphor In this appealing and elegant book Sweeting plumbs Indian summer s use in literature as a symbol of second chance rebirth or reprieve before the onset of a harsher season Well researched and charmingly written Beneath the Second Sun is the first book to systematically treat the history and uses of Indian summer imagery in American life The author focuses on the ways in which New Englanders have embraced the season and he places the celebration of the season s beauty and its melancholy qualities within the context of Anglo Native American relations Sweeting does not try to locate the original definition of Indian summer rather he explores the far more interesting ways in which the season has been imagined and described in American culture Popular authors including Philip Freneau Susan Cooper Lydia Sigourney John Greenleaf

Whittier Francis Parkman Oliver Wendell Holmes and especially Henry David Thoreau Emily Dickinson and William Dean Howells freely employ Indian summer imagery in their works In the context of modern American Studies Sweeting's study is part of a post modern scholarly discussion of how tangible realities such as climate are mediated even forged by social needs Sweeting further investigates the imaginative early nineteenth century invention of New England regional identity and integrates traditional American Studies literary and historical concerns with a contemporary interest in the environment and sense of place Sweeting's graceful lively and accessible style beckons not only scholars of American literature and the nineteenth century but any traveler seeking the glories of autumn in New England

**Reading Notes** ,2021-11-01 Reading notes constitute a vast resource for an understanding of literary history and culture They indicate what writers read as well as how they read and what they used in their own work As such they play an important role in both the reception and the production of texts The essays in this volume representing the newest trends in European and international textual scholarship examine literary creation and the relationship between reading and writing To study how readers respond to writing and how reading engenders new writing the contributing scholars no longer take for granted that authors write in splendid isolation but turn to a more broadly sociological investigation of authorship assigning new roles to the writer as reader notetaker annotator book collector and so on Notes and annotations may be fragmentary private undigested and embryonic but as witnesses to the reading process they tell unique stories about writers and readers ranging from great marginalists like Coleridge to women annotators of cookbooks This subject of research is a junction of several fields of research and tries to bridge gaps between separate disciplines with a common ground such as the history of the book the history of reading and the history of writing scholarly editing and textual genetics the analysis commentary and critical interpretation of the way in which works of art come into being bridging the gap between literary and textual criticism

**A Desire Called America** Christian Haines,2019-10-01 Critics of American exceptionalism usually view it as a destructive force eroding the radical energies of social movements and aesthetic practices In *A Desire Called America* Christian P Haines confronts a troubling paradox Some of the most provocative political projects in the United States are remarkably invested in American exceptionalism Riding a strange current of U S literature that draws on American exceptionalism only to overturn it in the name of utopian desire Haines reveals a tradition of viewing the United States as a unique and exemplary political model while rejecting exceptionalism's commitments to nationalism capitalism and individualism Through Walt Whitman Emily Dickinson William S Burroughs and Thomas Pynchon Haines brings to light a radically different version of the American dream one in which political subjects value an organization of social life that includes democratic self governance egalitarian cooperation and communal property *A Desire Called America* brings utopian studies and the critical discourse of biopolitics to bear upon each other suggesting that utopia might be less another place than our best hope for confronting authoritarianism neoliberalism and a resurgent exclusionary nationalism

**Dickinson Unbound** Alexandra

Socarides,2014-07-01 In Dickinson Unbound Alexandra Socarides takes readers on a journey through the actual steps and stages of Emily Dickinson s creative process In chapters that deftly balance attention to manuscripts readings of poems and a consideration of literary and material culture Socarides takes up each of the five major stages of Dickinson s writing career copying poems onto folded sheets of stationery inserting and embedding poems into correspondence sewing sheets together to make fascicles scattering loose sheets and copying lines on often torn and discarded pieces of household paper In so doing Socarides reveals a Dickinsonian poetics starkly different from those regularly narrated by literary history Here Dickinson is transformed from an elusive poetic genius whose poems we have interpreted in a vacuum into an author who employed surprising and at times surprisingly conventional methods to wholly new effect Dickinson Unbound gives us a Dickinson at once more accessible and more complex than previously imagined As the first authoritative study of Dickinson s material and compositional methods this book not only transforms our ways of reading Dickinson but advocates for a critical methodology that insists on the study of manuscripts composition and material culture for poetry of the nineteenth century and thereafter

Becoming Canonical in American Poetry Timothy Morris,1995      **Nimble Believing** James McIntosh,2004 A groundbreaking exploration of the themes of faith and doubt in Emily Dickinson s poetry      Text W. S. Hill,Edward M. Burns,2002-05 The newest volume in the distinguished annual
