s a collection of stories that had been missed out of previous publications filling in some gaps and looking behind the scenes of the comedy genius Roy Chubby Brown If you have read the paperback please have another look at the e book version to hopefully convince yourself that we aren't really as thick as you originally thought we were Either way there are some funny stories of being on the road a bit of history and a few of those just getting it off my chest moments something for everybody all accessible from the comfort of your own phone Hope you enjoy the read as much as we did doing it all over again
